This class schedule is for information only and may be changed in any particular way by the University without creating obligations to students or the faculty. This includes the right to cancel course offerings when it is apparent that enrollment will be insufficient to warrant carrying the class. For the convenience of usage, masculine pronouns have been used to represent both sexes.

Registration Information

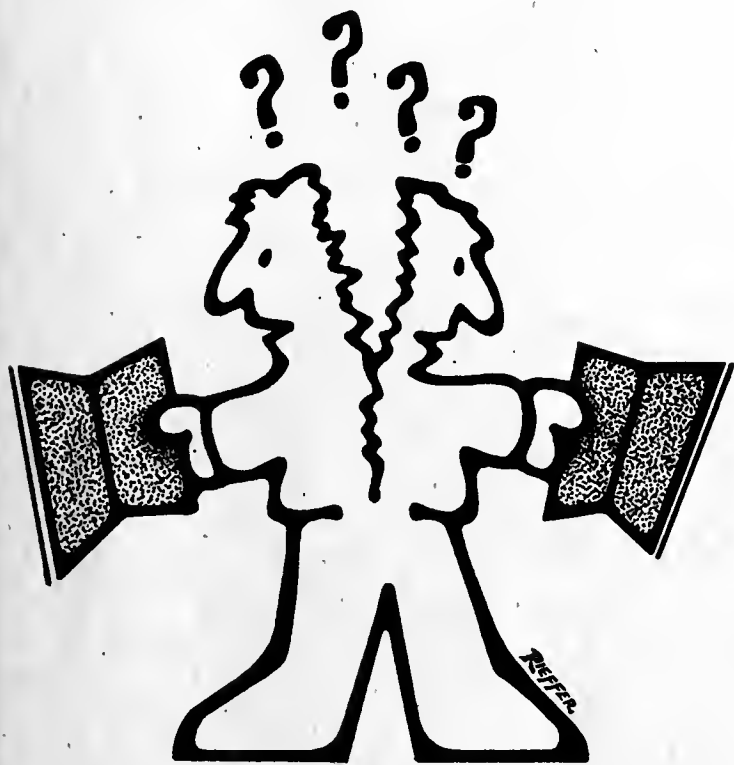

ELIGIBILITY

A student is eligible to register for Winter Semester 1977 if he or she attended day school classes during Fall Semester 1976 or has been issued a valid certificate of admission for Winter Semester 1977 by the Admissions Office. If a student does not meet one of these criteria, registration materials will not be processed.

Registration Checklist

The registration system at Brigham Young University is a computerized system designed to match student class requests to the University curriculum offerings. The effectiveness of the registration system depends upon the student following the provided instructions and observing the class request submission deadlines. The five steps listed below should be used as a checklist to insure proper registration. Further explanation of each of these steps is included in this class schedule.

- Step One — Plan your schedule of classes.
- Step Two — Fill out the class request form.
- Step Three — Submit the completed class request form.
- Step Four — Receive a confirmation of classes.
- Step Five — Pay tuition and fees.

Step I Plan Your Schedule of Classes

Good planning is essential to your registration. Review the requirements for graduation found on page 11. New beginning freshmen should review the section concerning the New General Education Program found on page 6. Additional information can be found in the BYU General Catalog. The catalog reviews in detail the University graduation requirements, course offerings, student living facilities, and general University services. Catalogs may be ordered from Mail Service, BYU, Provo, Utah 84602. Purchase price is \$1.50.

COLLEGE ADVISEMENT CENTERS

College advisement centers are provided by each of the twelve colleges within the University. Each center has advisers, information on academic programs

(including required courses), and forms for advance registration, change of major, and adding and dropping classes. Students are encouraged to contact their advisement centers for assistance in planning their schedules. The college advisement centers are listed below:

Phone No.	374-1211		
Extension	College	Address	
3641	Coordinator	B176 ASB

RECOMMENDED SCHEDULE FOR FIRST-SEMESTER FRESHMEN

To evenly distribute the class request load, first semester freshmen are encouraged to select their first semester classes from those listed below. These classes are suggested for advance registration. Changes can be made following the initial orientation to school. It is suggested that freshman students not register for more than 16 hours.

Additional information can be found on page 11 under General Education Programs. Moreover, new freshmen will be mailed information on their major fields of study.

Students whose last names begin with A-L

Major requirements (provided by college advisement center)

- Religion 121 (required)
- English 115 (preparatory course)
- Math 100D or 100A or 100B (preparatory course)
- Health 130 or 131A or 131B (preparatory course)
- Physical Education 177 (preparatory course)

Students whose last names begin with M-Z

Major requirements (provided by college advisement center)

- Religion 121 (required)
- English 116 (preparatory course)
- Political Science 102 or History 102 (preparatory course)
- Math 100A or 100B or 100D (preparatory course)
- Physical Education 100 level (if desired)

MAXIMUM HOURS PER SEMESTER

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester by following the regular registration procedures. The college advisement centers may authorize a student

who has demonstrated superior academic ability to register for a maximum of 21 hours. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of the student's total registration. Exceptions to these rules should be presented to the Assistant Dean of Admissions and Records.

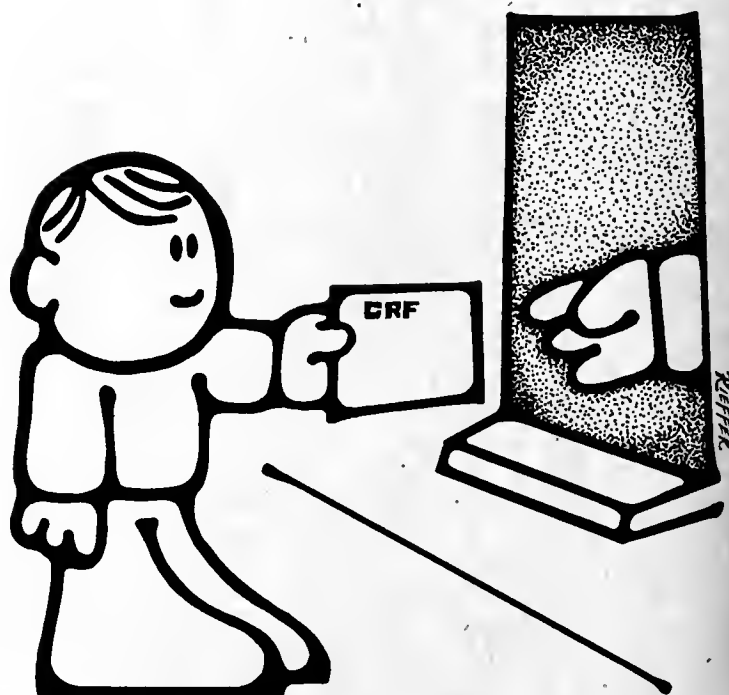

Step II Fill Out Class Request Form

Complete the blue class request form, found in the attached envelope, with a #2 pencil. Samples of this form are located on the last two pages of this class schedule. Please make note of the following instructions in the preparation of the form.

1. **Mailing Address:** Indicate in the upper right-hand corner the address to which the registration confirmation form should be mailed.
2. **Ideal Schedule:** The computer will not schedule more hours than designated in the maximum hours box. Therefore, use all twelve of the ideal schedule spaces by listing the classes needed in their priority order, avoiding time conflicts. For example, if 15 hours is put in the maximum hour box, as the computer schedules classes it will schedule the first available classes, starting at the top of the form and working down, up to the maximum of 15 hours. **NOTE:** If a lab or quiz section is required, be sure to list labs and quizzes immediately following the associated lecture.
3. **Section Searches.** It is an advantage to use the section search option. Not only does it schedule the student into available sections, but departments frequently open additional sections if the demand for a class exceeds the offering. It will only be through a section search that the student will be able to be scheduled into these new sections.
4. **Alternate Classes:** This area is to be used in an either/or situation (i.e., if Sociol. 111 is closed, schedule Sociol. 212). The number 1a in the alternate schedule corresponds to number 1 in the ideal schedule. **NOTE:** If a given class is closed when scheduling is attempted as an ideal request, it will also be closed when scheduling is attempted as an alternate request.
5. **Class Reservoir:** Classes in this section will be scheduled in remaining available time blocks in the schedule to help fill the maximum hours.
6. **Time Matrix:** This area can be used to an advantage or disadvantage. It can be used to reserve time for a part-time job, etc., or it can be used against you. The student might reserve too much time and prevent the computer from giving maximum hours.
7. **Credit Hours:** Indicate the number of total credit hours for which you wish to register. Those classes listed as variable credit (V) must have

the specific number of credit hours listed that the student wishes to complete.

NOTE RELIGION REQUIREMENT: The undergraduate at Brigham Young University is to study religion simultaneously with his other academic subjects by taking one course in religion each semester in residence. A student is not to accumulate excessive religion credit in one semester in order to be excused in another; therefore, no more than 3 credit hours per semester will apply toward graduation.

Step III Submit the Completed Class Request Form

Students on campus should submit the completed class request forms to their college advisement centers. Students not on campus should mail their class request forms to Registration, B-130 ASB, BYU, Provo, Utah 84602. **DO NOT SUBMIT TUITION OR FEES AT THIS TIME.** The following deadline dates for submitting forms will be in effect for Winter Semester.

DEADLINE DATES FOR SUBMITTING CLASS REQUEST FORMS

Nov. 5	First Priority Deadline: Students submitting forms will receive first priority in class scheduling (see confirmation date Dec. 5).
Nov. 24	Second Priority Deadline: Students submitting forms will receive second priority in class scheduling (see confirmation date Dec. 5).
Dec. 8	Last Priority Deadline: The last day class request forms will be accepted. After this day students will be required to register late starting January 4 in 245 ELWC and pay a \$20 late fee (see confirmation date December 15).

Note 1. New students not admitted in time to meet the Dec. 8 deadline will receive special instructions in the mail on how to complete registration.

Note 2. After Dec. 8, class request forms will not be accepted. Students will be required to register late on the first day of class with a \$20 late fee.

Step IV Receive Confirmation of Classes

Upon completion of the scheduling process, an official registration confirmation form and instructions will be mailed to all students who submitted class request forms by the Dec. 8 deadline.

DATES CLASS CONFIRMATION FORMS WILL BE MAILED TO STUDENT

- | | |
|---------|--|
| Dec. 5 | Students who met the first (Nov. 5) and second (Nov. 24) priority deadlines will receive a confirmation of classes and a tuition and fee assessment by mail. |
| Dec. 15 | Students who met the last priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail. |

Step V Pay Tuition and Fees

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to the University in the envelope provided. Drop boxes are also provided for on-campus reception. The last day for payment of fees will be December 23, 1977. See page 14 for detailed information concerning tuition and fees.

DEADLINE DATE FOR TUITION AND FEE PAYMENT

Dec. 23

Tuition and Fee Payment Deadline. Tuition and fee payment will be accepted through the mail and through advertised drop boxes for those students who received a confirmation form through the mail or in person in the balcony of the ELWC Ballroom. Students who fail to pay fees by December 23 will be required to register late on January 4 and pay a late fee of \$20.

Students who fail to meet the deadline for finalization of registration will be required to register late beginning January 4 in 245 ELWC.

DROPPING AND ADDING CLASSES

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in initial registration may be made until Tuesday, January 4, 1977.

Classes may be added to a student's schedule through January 14 of Winter Semester. Classes may be dropped through February 7 for academic reasons. A fee of \$3 per class is assessed for each class dropped after January 10. For nonacademic emergencies, students may withdraw from classes until April 1, 1977.

If a student withdraws from a class in which he is doing passing work after February 7, his permanent record will carry a W. If a student is failing, his permanent record will carry a WE. This is considered the same as an E in calculating a grade-point average.

IF A STUDENT INTENDS TO CHANGE HIS REGISTRATION, HE MUST FOLLOW THESE FOUR STEPS:

1. Obtain a change of registration form from the Registration Office or the college advisement center.
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.
3. PAY A \$3 FEE PER CLASS TO THE UNIVERSITY CASHIER. This is necessary if the change is a drop and made after January 10. CLASSES MAY NOT BE ADDED AFTER JANUARY 14.
4. TAKE THE CHANGE OF REGISTRATION FORM TO THE REGISTRATION OFFICE, B-130 ASB. LATE REGISTRATION ENDS FRIDAY, JANUARY 14, 1977. NO STUDENT MAY REGISTER AFTER THAT DATE.

AUDIT CLASSES

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the designated add period. It is not possible to register for an audit class on the advance class request form. Students are charged the same fees for auditing classes as for credit classes. Classes taken on an audit basis will not appear on the student's official record.

LATE REGISTRATION PENALTY

Any student—new, continuing, or former—who fails to finalize his registration by the December 23 deadline will lose all classes for which he or she has been scheduled and will also be required to reregister and pay a \$20 fee for late registration.

FACULTY AND STAFF

Faculty and staff wishing to register for day classes during Winter Semester 1977 will follow the same procedures as outlined above. Particular attention should be paid to admission and readmission procedures.

ADMISSION OF EVENING-CLASS STUDENT TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime

classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

EVENING CLASSES

Daytime students taking evening classes (section 90 and above) must register for the courses at the same time they complete and submit the registration form to day school.

Those who register for evening classes only should register using the evening classes registration form and may register by mail or telephone prior to December 17, 1976. On-campus registration will be in the Evening Classes office, 225 HRCB, from October 11, 1976, through January 14, 1977.

Faculty and staff members who register for evening classes only must register before December 17, 1976. Employee tuition cards must accompany the completed evening registration form.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates each lesson and responds with observations and helpful suggestions. More than 320 courses are available, representing 54 departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course. For further information and a free catalog of courses, contact the Home Study Office, 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when the student is away representing the University on official business. All officially excused absences must be approved through the office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his or her actions. It is not necessary for the instructor to report absences to the office of the Dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

RELIGION REQUIREMENT

The undergraduate at Brigham Young University is to study religion simultaneously with his or her other academic subjects by taking one course in religion each semester in residence. He or she is not to accumulate excessive religion credit in one semester in order to be excused in another.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

0 — 31.9	Freshman
32 — 63.9	Sophomore
64 — 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do so. However, the student must clear this change through the deans of the colleges in the college advisement center. Official change-of-major cards may be obtained from the college advisement center of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the college advisement center of the student's new college one month prior to the next semester's registration. Graduate students should review the policy regarding them on page 15 of this book.

WITHDRAWAL FROM BYU

No undergraduate student is officially withdrawn from the University unless the student has obtained and completed the discontinuance form from the office of the Dean of Student Life, B-202 ASB.

If the student finds it necessary to totally discontinue all classes he or she must do the following:

1. Complete discontinuance forms from the Discontinuance Office, B-202 ASB, Ext. 2723.
2. Obtain necessary signatures as directed.
3. Have a personal interview and be signed out by a member of the Dean of Student Life staff. (The student may also be directed to an interview with the appropriate College Advisement Center).
4. Have the student activity card invalidated (the photo ID will be retained by the student to be used if further enrollment is anticipated).

Those students enrolled only in Evening School classes will withdraw through Evening School. Graduate School students will withdraw through the office of the Graduate Dean (B-336 ASB); Law School students will withdraw through the office of the dean, 348 JRCB.

Students who leave the University under emergency conditions and who subsequently do not return during the semester or term should contact the Discontinuance Office, B-202 ASB, Ext. 2723, to initiate official termination of course enrollment.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Home Study.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter I (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the specific work involved have been made between the teacher and the student. The I never is given when a student has failed or is failing the course. An I is regarded as a neutral grade for a period of one year, following which it will be changed to an E and calculated as such in the grade-point average. An authorization for Change of Incomplete Form, with a \$3 fee, must be properly completed and submitted to the Records Office, B-150 ASB, within one year from the date the incomplete is given. **Do not register for a class for which you have an incomplete.**

Academic Standards

Students admitted to the University are expected to show satisfactory academic achievement and progress. Academic achievement is determined on the basis of the grade-point average earned by each student.

To graduate from BYU a student must have earned a 2.0 cumulative grade-point average on all BYU work and all college work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of graded credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the BYU cumulative is at or above 2.0.

Academic Probation will be given when the BYU cumulative grade-point average falls below 2.0 with the exception of freshman-level nontransfer students completing their first semester at Brigham Young University. These individuals will initially be given Academic Warning. Students who have been placed on academic warning/probation are strongly encouraged to contact the Academic Standards Office to be sure they understand requirements that must be met to continue beyond the semester in which they are currently enrolled.

Academic Suspension may result from a student's failure to bring his or her BYU cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. Academic Suspension indicates that the student may be denied continued enrollment privileges until such time as he or she has qualified for readmission through one of the readmission programs.

Readmission. Students who have been academically suspended must establish their eligibility for readmission to the University by contacting the Admissions Office (A-153 ASB). Generally, the student should expect that specific preparatory work must be completed before an application for readmission will be considered.

A student will be placed on probation and later suspended from the University if it is determined that he or she is deficient in academic achievements and progress.

Graduate students should review the policy regarding them below.

GRADE-POINT VALUES

A	4.0	B-	2.7	D+	1.4	UW	.0
A-	3.7	C+	2.4	D	1.0	WE	.0
B+	3.4	C	2.0	D-	.7	I	.0
B	3.0	C-	1.7	E	.0		

Graduate School Information

It is the responsibility of each graduate student to know and conform to both the general regulations of the Graduate School and the additional requirements

of his department. These general regulations may change from year to year. Students should consult the BYU General Catalog each year to be aware of current regulations.

A student must be registered for a minimum of two hours in the semester or term for which he is accepted.

SCHOLASTIC STANDARDS

A grade-point average of 3.0 for all credit applying toward the degree is required of any student earning a degree in the Graduate School. No D credit can apply toward a graduate degree. A degree-seeking student (regular or provisional) whose grade-point average falls below 3.0 for a given semester will be placed on academic warning.

DEADLINES FOR GRADUATE SCHOOL APPLICATIONS

	U.S. Citizen	Inter-national Student
Winter Semester 1977	Oct. 15	Aug. 31
Spring Term 1977	Feb. 20	Dec. 31
Summer Term 1977	April 15	Feb. 28
Fall Semester 1977	June 15	April 30

CONTINUOUS REGISTRATION

When a student is admitted to a degree program, it is expected that he will work continuously and will register in that program until all requirements are completed. Normally a student will register each semester for a minimum of two semester hours of credit in work which is filed on his approved graduate program. Each student must, in any case, meet the following minimum requirements:

1. Complete at least six hours of approved program credit during each academic year (September 1 to August 20) or pay an equivalent continuous-registration fee (accepted in lieu of credit only upon written recommendation of the department).
2. Register for at least two hours of approved program credit during any semester or term in which University personnel are consulted or facilities are used.

If a student is suspended for failure to meet the continuous registration requirement, no more than ten semester hours of credit previously acquired may be applied towards a new degree program if the student reapplies.

Every international student must register for nine (9) credit hours each semester.

SPECIAL EXAMINATIONS

Under certain circumstances graduate students who are working in degree programs at BYU may need to have certain of their credits certified by special examination. Payment for these examinations must be made in advance and in an amount equivalent to ordinary registration fees for the amount of credit to be obtained. This arrangement applies specifically to the following situations:

1. Graduate credit (taken at Brigham Young University or at another accredited university in the United States) outdated under the time-limit regulations.
2. Graduate credit which a student desires to transfer from a non-accredited institution or from a foreign university.
3. Challenge of credit on the course outline for students who already have a good background in a required subject.

Applications for these special examinations can be obtained in the Graduate School.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to six hours per semester and will not be required to pay the regular cost of tuition.**

2. **Registration for Spring and Summer Terms.** Continuing faculty members **not** teaching during the Spring or Summer terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members **teaching** during Spring or Summer terms may take a limit of—(a) three credit hours per term, (b) six continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), (c) four credit hours in one term and two credit hours in the other. If no classes are taken in Spring Term six credit hours may not be taken in Summer Term, and vice versa. **No person may take more than four credit hours in one term.**

3. **New Faculty.** A new faculty member may not take classwork during the Spring or Summer Term before he begins his school-year teaching assignment.

4. **Spouse.** The spouse of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

Same as for full-time faculty except item 3. Administrative personnel become eligible for classwork benefits the semester or term following their date of hire.

Full-Time Regular Staff

1. **Registration for Fall and Winter Semesters.** Full-time regular staff may register for courses of study up to six credit hours per semester and will not be required to pay the regular cost of tuition. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8 a.m.-5 p.m.) may not enroll in evening classes beginning approximately 4 p.m. or before.

2. **Registration for Spring and Summer Terms.** During Spring or Summer terms, staff members may allo-

cate their credit hours of class attendance as in Item 2 a,b,c,d for full-time faculty.**

3. **Spouse.** After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening, and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed five hours per semester (three hours per Spring or Summer term), and will not be required to pay the regular cost of tuition for the first five credit hours or less. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening School Registration (Evening Only)

Employee Tuition Cards indicating eligibility for evening school may be obtained at the Benefits Office, C-40 ASB.

Special Instructions (Please Take Note)

1. **Applications for Approval of Daytime Classwork.** Applications for approval for employees to take daytime classes (7 a.m. to 5 p.m.) may be obtained at the Benefits Office, C-40 ASB, prior to registration.

Approval for daytime classwork rests with the Manager of Employee Benefits.

2. **Admittance to the University Needed for Daytime Classwork. Faculty members, administrative personnel staff members, eligible spouses, and part-time faculty who wish to register for daytime classes must be properly admitted through the Admissions Office.

3. **Preregistration Schedule.** Please watch for University notices of times for preregistration. Contact the University Registration Office, B-130 ASB, Ext. 2824, for information.

New General Education Program

New freshmen and transfer students will be required to complete the New General Education Program. The requirements for freshmen and transfer students not holding an associate degree will be the same. Transfer students' records will be evaluated on a course-by-course basis, and each appropriate course will be recognized as a general education evaluation. After being admitted to the University, the transfer student will receive in the mail a written report of all transfer work reported on the transcript.

Transfer students holding an associate degree will be recognized as having completed all general education requirements with the exception of the Category I Basic Writing evaluation and the Category III evaluation.

Under the New General Education Program, students are required to pass evaluations rather than complete specific courses. An evaluation is a University-administered measurement test, demonstration, essay, oral exam, etc. of a student's capacity to apply knowledge he has gained in a specific field. A student may take any of the required evaluations whenever he feels prepared. Descriptions of the evaluations, preparatory aids, and sample questions for each evaluation are available in the BYU Bookstore, in the Reserve Library, and in each college advisement center. A student may prepare for an evaluation in one or any combination of the following ways:

1. **Preparatory Courses.** Courses which will help a student prepare for each of the required evaluations are listed below. Any one of the several suggested courses should adequately prepare a student for the evaluation. Courses which treat the subject area evaluated but which are not designed solely to prepare the student for the specific evaluation are also listed below under the heading Other Helpful Courses.
2. **General Education Learning Center.** A special learning center has been created to aid students in their individual preparation to pass the Category I evaluations in reading, writing, and math. The center is located in the Harold B. Lee Library. Upon passing an evaluation, a pass grade will be given and credit hours may be purchased, but no letter grade is received.
3. **Individual Study.** If a student feels sufficiently prepared to challenge an evaluation, or if he prefers to prepare for the evaluation individually, that option is also available. Upon passing an evaluation, a pass grade will be given and credit hours may be purchased, but no letter grade is received.

Students will be required to take evaluations in each area of the three categories as listed below.

Register for the appropriate math class according to ACT score.

21 or above, evaluation is waived.

19-20, challenge the exam. 13-18, Math. 100D if the student has taken high school algebra.

13-18, Math. 100B if the student has not taken high school algebra.

12 or below, Math. 100A.

Skills should be from the following areas: badminton, ballet, ballroom dance, basketball, canoeing, diving, fencing, folk dance, golf, gymnastics, handball, judo, karate, modern dance, racketball, rugby, skiing, soccer, square dance, swimming, tennis, volleyball, wrestling.

Modules in 131A include the following areas of study: drug use and misuse, nutrition and weight control, consumer health, and emotional health. Modules in 131 B include the following areas of study: human maturation, chronic and communicable diseases, environmental health, and safety and emergency care.

Graduation Requirements

UNIVERSITY REQUIREMENTS

Credit Requirements. A candidate for a bachelor's degree must complete a minimum of 128 semester hours credit.

Religion. Two hours of religion are required per semester (8½ hours or more) in residence, including Spring and Summer terms, for freshmen, sophomores, and juniors. One hour per semester is required for seniors. No more than 3 hours of religion credit for any one quarter or semester at BYU or elsewhere will be counted towards fulfilling the religion requirement. Students registering for any credit at BYU or through the Division of Continuing Education on a part-time basis must register for one religion course per 16 hours of credit earned.

Relig. 121 and 122 are required of all students. Relig. 421 and 422 are offered to returned missionaries and upper-division transfer students as a substitute for this requirement.

Upper-division Requirements. A minimum of 40 semester hours of upper-division credit (classes numbered 300 to 599) is required for a bachelor's degree.

Major Requirements. A student must complete at least 20 semester hours in his major department, 10 of which must be earned on the BYU campus. He must also satisfy any additional departmental requirements.

Residence Requirements. At least 30 semester hours of credit taken in residence at BYU are required for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education or at LDS institutes may be applied toward this 30-hour requirement. A student must register and be on campus during 2 semesters—not necessarily consecutive—to satisfy the residence requirement. The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.

Grade-Point Average Requirement. To be cleared for graduation, all degree-seeking students must achieve at least a 2.0 (C) cumulative grade-point average. Transfer students must have a 2.0 (C) grade-point average for both their residence credit at BYU and their cumulative college credits.

Correspondence Credit. A maximum of 36 semester hours of correspondence credit may be applied toward fulfillment of the 128-semester-hour requirement for a baccalaureate degree. A maximum of 18 semester hours of correspondence may be applied toward the associate degree.

D Grade Credit. Not more than 18 semester hours of D grade credit may be applied toward completion of the bachelor-degree requirements nor more than 10 semester hours of D grade credit for the associate-degree requirements.

Second Bachelor-Degree Requirements. A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements (if required by department), (4) residence requirements, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor degree candidates. A minimum of 30 semester hours must be completed after the awarding of the first degree, of which at least 10 hours must be completed within the new major.

Deadlines for Transfer, Correspondence, and Incomplete Credit. All incomplete grades must be removed from a student's record and all transfer and corres-

pondence credit must be on file in the Records Office at least four weeks prior to commencement.

Junior English Proficiency Examination. To be eligible for the bachelor's degree, all students must either pass the Junior English Proficiency Examination or complete Engl. 212, 215, 251, or 316 at BYU after September 1, 1971, with a grade of B- or higher. Those electing to take the examination should do so during the first semester of their junior year. The examination is scheduled for the second Saturday of each semester and midsemester. Arrangements for the examination must be made through the college advisement centers.

Transfer Credit Evaluation

All college-level credit from accredited institutions of higher education is accepted by Brigham Young University. A written evaluation of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. The evaluation states which classes will satisfy the general education requirements. The student's college advisement center evaluates the courses for the major requirements. Students who earn an associate degree before transferring to BYU will have their general education requirements recognized as complete (this does not include the math, stat, logic, and science, the language, or the religion requirements) if they have earned some credit in all of the BYU general education areas and do not lack more than 5 hours of the BYU total-hour requirement in general education.

Application for Graduation. All students desiring to graduate must officially apply for graduation. Students applying for the bachelor's degree should do so during their junior year. Students applying for the associate degree should do so at the beginning of their sophomore year. Application forms are available at the student's college advisement center. The final deadline for the completed application form and the graduation fee (\$12 for a bachelor's degree or \$6 for an associate degree) must be submitted to the Cashier's Office, D-155 ASB, no later than September 17, 1976, for December graduation; January 14, 1977, for April graduation; and May 20, 1977, for August commencement. Students who apply after the deadline dates will automatically be considered for the next semester's recognition. The Evaluation Office, B-150 ASB, will notify the student in writing of the general education and University requirements remaining to be completed for a degree from Brigham Young University. The application fee is a one-time fee. If the student does not graduate on the date indicated on the application, the evaluation will be held for future graduation.

Attendance at Commencement. All candidates for graduation are encouraged to attend the commencement and convocation exercises. Diplomas will be mailed to students after grades from the final semester are submitted and all graduation requirements are certified as being completed.

Adherence to University Standards. A student's graduation may be delayed or denied if he is found to be in violation of the Brigham Young University Code of Honor.

GENERAL EDUCATION PROGRAMS

Two General Education Programs

A candidate for a bachelor's degree must complete the Former General Education Program or the New General Education Program. The appropriate program is determined by the student's first semester at BYU. Students who enter BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to com-

plete the Former General Education Program. Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter will be required to complete the New General Education Program.

Former General Education Program

Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the program listed below:

Area	Credit hrs.
American history and government	3
Biological science	6
English composition	6
Health	2
Humanities	6
Physical Education	2
Physical science	6
Social science	5

A student must also complete one of the two options described below:

1. Mathematics, statistics, logic, science 6
 2. Foreign language—an intermediate or advanced course
- Religion (maximum) 14

Area Requirements

American History and Government. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170 or 171; Hist. 120 and 121; Hist. 121 and Pol. Sci. 110 or Pol. Sci. 101. (A student may take an examination that will, if passed, satisfy the American history and government requirement. Arrangements for the examination are made at the BYU Testing Center, 235 HGB.)

Biological Science. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Ag. Econ. 105, AgHrt. 105, and An. Sci. 105
 Bio. Ag. 200
 Botany. Any botany course with a number below 469 except 161 and 377
 Honors 213R
 Microbiology. All courses with numbers below 490 except 391 and 392
 Zoology. All courses with numbers below 490 except 381

English Composition. Six semester hours must be completed: Engl. 115 or 111 during the freshman year and Engl. 212, 252, 315, 316 or 415 or Phil. 105 during the sophomore or junior year. The student's major department will designate which course the student should complete.

Health. This requirement may be satisfied by completing Health 130 or by a special examination arranged with the Department of Health Sciences. Exceptions: Nursing students may satisfy this requirement by completing Nurs. 106 and 156; elementary education majors may satisfy this requirement by completing Health 361; secondary education majors may satisfy this requirement by completing Health 362.

Humanities and Fine Arts. A student must complete a minimum of 6 semester hours selected from the following approved courses:

ArtDs. All courses in art history and appreciation and 101, 102, 103, 104, 105, 106, 107, 109, 110, 205, 206, 207, 311, and 312.
 Classical Civ. 110, 331R, 341, and 342
 Comms. 100, 101, 102, 201, and 301
 English. All undergraduate literature courses except Engl. 251 and 420
 Foreign Languages. All undergraduate literature courses

Humanities and Comparative Literature. All undergraduate courses below 490
 Int. Env. 240, 330, 331, and 430
 Music 101, 103, 484, and 485
 Philosophy. All courses under 448R except 105, 205, 305, 354, and 355
 Theatre and Cinematic Arts 115, 117R, 121, 334, and 417R

Physical Education. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Credit Evaluation Office, B-150 ASB.

Students who have completed a minimum of one year's active duty in the military service may receive 2 semester hours of physical education credit. Students qualifying for this credit should bring their DD-214 form to the Credit Evaluation Office, B-150 ASB. Exceptions: One hour of physical education credit is awarded for successful completion of two years of on-campus ROTC Leadership Laboratory courses. Students qualifying for exemption must provide the Credit Evaluation Office, B-150, with written verification from the ROTC program.

Physical Science. A student must complete a minimum of 6 semester hours selected from the following:

Chemistry. All undergraduate courses
 Geology. All undergraduate courses except 312 and 410
 Physics. All courses with numbers below 471 except 391 and 392
 Stat. 221

Social Sciences. A minimum of 5 semester hours must be completed from the following approved courses:

Ag. Econ. 112, 350R, 355, and 390
 Anthropology. All undergraduate courses
 Archaeology. All undergraduate courses
 Asian Studies 101
 CDFR 210, 360, and 361
 Economics. All undergraduate courses
 Geography. All undergraduate courses
 History. All courses below 485
 Indian Education 307
 International Relations 499
 Political Science. All undergraduate courses except 301 and 303
 Psychology. All undergraduate courses except 370 and 374
 Rec. Ed. 337
 Sociology. All undergraduate courses except 205
 University Studies 107

Mathematics, Statistics, Logic, and Science; or Language

Each student must complete one of the two following options:

1. **Mathematics, Statistics, Logic, and Science.** Six semester hours selected from the following:
 Bot. 201, 370, and 372
 Career Ed. 115
 Chem. 105 and 111
 *Comput. Sci. 130, 131, 132, and 133

*Only one computer science class may be used in the mathematics-statistics-logic-science area.

Econ. 388
 Geol. 311

Mathematics. Any undergraduate mathematics course numbered 100F or higher.

Micro. 201 and 331
 Phil. 205 and 305
 Physics 105, 110, and 300
 Psych. 374

Statistics. Any undergraduate course from the Department of Statistics having a prerequisite of Math. 100F or higher.

Zool. 201 and 321

2. **Language.** Successful completion of a 201 foreign-language course (intermediate level) or its equivalent. This requirement may also be filled by the successful completion of a 301 foreign-language class, or of any more advanced language, literature, or culture class in a particular foreign language.

Religion Requirements

Religion. One religion class is required for each full-time enrollment of 8½ semester hours or more by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned towards a baccalaureate degree or 10 hours towards an associate degree. Part-time students must complete one religion class for every 16 hours of BYU credit completed.

Any religion class in the 100 through 400 series may be taken to meet the religion requirement. In computing the 14 semester-hour total requirement, no more than 3 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester. The required religion courses will be 2 hours per semester for freshmen, sophomores, and juniors. The required courses for seniors will be only 1 hour per semester.

Book of Mormon. All undergraduates must complete 4 semester hours in the study of the Book of Mormon. This requirement may be completed by taking Relig. 121 or 421 and 122 or 422. Returned missionaries and upper-division transfer students are encouraged to take 421 and 422.

Transfer Credit from LDS Colleges and Institutes. A student may transfer religion credit to BYU to meet the requirement in religion. No more than 3 hours of religion credit from any one quarter or semester will be counted towards the religion requirement. Institute credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with college standards. A transfer student will be required to complete one religion class per semester at BYU until he graduates or completes the 14-semester-hour requirement.

Students Required to Study Off Campus. If a student is required to study off campus as a part of his degree requirements, he is required to register for religion during that semester through Home Study, a BYU continuing education center, or an LDS institute.

Bible Credit from Non-LDS Colleges and Universities. Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.

Credit Completed at Centers for Continuing Education. A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.

Requirements for Second Baccalaureate Degree Candidates. Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester. The Book of Mormon requirement must also be satisfied.

Major Requirements

In addition to the University requirements and the general education requirements, each major has certain requirements, different for each major. The college advisement centers provide information on the requirements for the various majors.

The University majors are listed according to the college and department in which they are offered.

For the New General Education Program see page 6.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University

graduation exercises. A minimum of 64 semester hours of credit is required. A candidate for an associate degree must satisfy the following general education requirements.

Former General Education Program

Area	Associate of Science	Associate of Arts
English composition	6	6
American history	3	3
Health	2	2
Physical education	1	1
Humanities	2	3
Biological science	2	3
Physical science	2	3
Social science	2	3

Two hours of religion are required per semester in residence, including Spring Term and Summer Term. Relig. 121 and 122 are required of all students.

Exceptions

1. Two-year engineering-technician students are not required to complete the biological science and social science general education groups.
2. Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; however, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at BYU centers for continuing education or at LDS institutes will satisfy the residence requirement for the two-year programs. (The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.) A maximum of 10 D credits will be accepted, but both cumulative and BYU grade-point averages of 2.0 or above are required.

SCHOLASTIC RECOGNITION AT GRADUATION

There are three designations in recognition of high scholarship: graduation "summa cum laude," graduation "magna cum laude," and graduation "cum laude." These awards are made on the basis of excellence shown in work up to, but not including, the semester prior to the commencement date.

Summa cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher.

Magna cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have obtained an overall grade-point average between 3.7 and 3.84.

Cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have

obtained an overall grade-point average between 3.5 and 3.69.

SCHOLASTIC RECOGNITION EACH SEMESTER

The dean of each academic college at the close of each semester will post a list of names of students who are ranked in the top 5 percent of their colleges for the given semester, who have earned a minimum of 15

credit hours and who have earned a minimum grade-point average of 3.5 or higher in all classes.

EXCEPTION TO UNIVERSITY POLICY

A student who wishes an exception to a University policy may petition in writing the request to the Exception to University Policy Committee. Petition forms are available in B-150 ASB.

Tuition and Fees

The largest private school in the nation, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees prior to or at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees.

A fraction of an hour is counted as a full hour for assessing fees.

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, three hours of lecture a week would be considered three semester hours and would be charged for accordingly. Therefore, if a student were taking three credit hours plus a noncredit class involving two or more lecture hours per week, the student would be considered a full-time student and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- All students who have received their first bachelor's degree.
- All undergraduate students who have completed 144 semester hours or more.

Advanced-standing students should be aware of the nonrefundable overload fee for registrations of over 16 hours per semester or over 8 hours per term. Because a subsequent reduction of course load will not relieve the overload assessment, advanced-standing students should register for exactly the classes they need.

The undergraduate tuition rate applies only to those undergraduate students who have completed less than 144 credit hours prior to the beginning of the semester or term for which they are registering.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours.

The University reserves the right to change these figures without notice.

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

ASSESSMENT ADJUSTMENT

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at this time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to a 3 percent per day charge. This charge will be for the number of school days between the registration date and the drop date, and the rate is 3 percent of the difference between the original assessment and the adjusted assessment.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE, REGARDLESS OF REASON FOR BEING LATE.)

After December 23 \$20.00

Any student whose check is dishonored by the bank will be charged a handling fee of \$5. If the check was for tuition there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

If a student withdraws from school, a refund will be made minus a charge of \$10 (\$5 for a part-time student). This withdrawal fee is assessed even though the student does not complete registration or attend school. In addition, there is a per-day charge of 3 percent of the total tuition and fees paid or payable for the semester. Students will be charged for the first day of the semester in which classes were held following the date they registered, to the day on which they report their withdrawal to the Office of the Dean of Student Life.

Any refund due a student because of withdrawal from school will be made only by check, through the mail. It will be mailed approximately three weeks from the date on which the student reported his withdrawal and surrendered his receipt or activity card to the Dean of Student Life's Office.

No refund will be granted to a student who is requested to withdraw for scholarship or other causes.

Late fees are not refundable.

General Information

Security Police and Traffic

The Security/Police Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office by calling Ext. 2751.

The Security/Police Office offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC between the hours of 10:00 a.m. and 12:00 noon Monday through Friday. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

Another major responsibility of this office is the control of campus traffic and parking. Every BYU student or faculty/staff who owns, maintains, possesses, stores or drives any motor vehicle on the BYU campus must register that vehicle with the Traffic Office within two (2) school days after bringing it to the Provo area.

REGISTRATION AND PARKING DECALS

Check with the Traffic Office, B-69 ASB, Ext. 3906, from 7:00 a.m. until 5:30 p.m., Monday through Friday.

For further details regarding traffic rules and regulations, a "Traffic Rules and Regulations" folder may be obtained at no charge from the Traffic Office B-69 ASB, Ext. 3906. All faculty/staff members and students will be responsible for the information contained therein.

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than these listed below must have a Utah license if he wishes to drive in Utah. The following states have entered into a compact and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York
Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

NONRESIDENT

Students from out of state who do not have Utah license plates on their cars may obtain a nonresident permit for their vehicles as long as their main purpose for being in Provo is education. Full-time employees of the University or students whose spouses are full-time employees do not qualify; they must purchase Utah plates and pay Utah property taxes on their vehicles. Either a nonresident permit or Utah license plates must be obtained immediately upon

registration at the University. To obtain a nonresident permit, the student must present the following at the Information Booth located across the street from Helaman Halls or about 200 East 1230 North:

1. Home-state vehicle registration certificate
2. Proof of current safety inspection from Utah or home state
3. Fifty cents
4. BYU activity card

The Information Booth is open from 7:30 a.m. to 3:30 p.m. Monday through Friday.

CONFIDENTIALITY OF RECORDS POLICY

The policy of Brigham Young University concerning confidentiality of student academic records reflects a reasonable balance between the obligation of the institution for the instruction and welfare of the student and its responsibility to society. The University will make every effort to maintain student academic records in confidence by keeping information from individuals who are not authorized to receive it or who might use it for illegitimate purposes.

While the Family Educational Rights and Privacy Act of 1974 which controls access to the student records of most universities does not apply to Brigham Young University, the University will make every effort to extend to students and their families the same rights granted by the act. Upon presentation of appropriate identification and under circumstances which preclude alteration or mutilation of records, a student will be able to inspect all records which are not considered by the University to be held under a pledge of confidentiality or considered to be private records of University personnel. A student is entitled to an explanation of any recorded data and may initiate action leading to a hearing, if necessary, to correct or expunge information he considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use student records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which the student has applied for admission or from a lending institution from which the student is seeking assistance will be granted without the student's permission. Similarly, data will be furnished to university accrediting bodies and governmental officials without permission of the student.

No student information other than public information will be given to any third party (except those mentioned above) without written consent of the student, and then only those records accessible to the student. The term **third party** is construed to include parents, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if the parents establish to the satisfaction of the University that they are providing one-half or more of the student's support. Court orders and subpoenas for records will be referred to the University's legal counsel and acted upon according to his directions. The student will be notified of information to be submitted in response to subpoenas or court orders prior to actual submission of the material.

Public information will be released to news media and to others upon request. Public information is defined as follows:

1. Name of student
2. Whether student is currently enrolled
3. Class (i.e., freshman, sophomore, etc.)
4. Home and local address
5. Field of study
6. Degrees awarded, if any
7. Birth date
8. Names of parents or spouse

Such information will be released only with appropriate precautions for the safety and privacy of the student.

The registrar or assistant registrar may, under proper conditions, give the following additional information:

1. Hometown address and telephone number of the student
2. Names and addresses of parents
3. Name of spouse

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed his freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from on-campus classes in English 212, 215, 251, or 316 (earned after September 1, 1971) will satisfy the Junior English Proficiency Examination requirement. The intent of this provision is not to waive the requirement but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$10 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 15, "Remedial English for Juniors," which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, he selects the revision which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates during Fall Semester are September 11 and November 6, 1976, and for Winter Semester, January 15 and March 12.

SPECIAL COURSES

Special credit and noncredit short courses are made available by the Department of Special Courses and Conferences throughout each semester and between semesters. Film and drama appreciation courses for credit draw 700 enrollments each semester. Ten classes offered for credit during the Christmas break, following Winter Semester, and following Summer Term allow students to fill general education requirements in a relatively short time. Other credit courses include skiing, outdoor survival, primitive pottery, an audio-recording seminar, a nurse practitioner course, a summer Honors Program, summer teacher workshops, and a score of short-term professional courses.

Many noncredit classes of a special interest nature are also offered. These include speed reading, sign language, a genealogy research seminar, "Beauty from the Inside Out," cake decorating for adults, a Scout powwow, swimming, a youth engineering conference, and creative dance for youth.

In the Spring and Summer terms there are fifty-five special youth workshops (ages 12-17) held on campus. They include sports camps (basketball, track,

soccer, football, and baseball) and art, debate, computer, law enforcement, pep, and publications workshops.

For further information, contact the Special Courses and Conferences Office, 242 HRCB, Ext. 3556. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. Two types of courses are offered to assist in this development. The first is taught by faculty from established academic departments and carries academic credit. (These classes are listed below.) The second type consists of experiential courses taught by faculty from the Personal and Career Assistance Program and may or may not carry credit. These latter classes involve such topics as interpersonal communication, enhancement of self-esteem, developing self-control, and life planning. For further information contact the Personal and Career Services, Ext. 4471.

BYU HONOR CODE

The Church of Jesus Christ of Latter-day Saints sponsors Brigham Young University in order to provide a university education in an atmosphere consistent with the ideals and principles of the Church. The maintenance of high standards of personal behavior and appearance is essential to the preservation of that atmosphere and to the development of men and women who personify these ideals and principles. By enrolling or accepting employment at Brigham Young University a person signifies his willingness to live in accordance with the following principles, whether on or off campus:

1. Abide by the standards of Christian living taught by The Church of Jesus Christ of Latter-day Saints. This includes graciousness and consideration for others and the observance of high principles of honor, integrity, and morality.
2. Be honest in all behavior.
This includes not cheating, plagiarizing, or knowingly giving false information.
3. Respect personal rights.
This includes—
 - a. not physically or verbally abusing any person and not engaging in conduct that threatens or endangers the health or safety of others, and
 - b. not obstructing or disrupting the study of others; the performance of official duties by University officers or employees; the teaching, research, disciplinary, administrative, or other functions of the University; or other authorized activities on University premises.
4. Respect property rights.
This includes refraining from theft, concealment, damage, or misuse of the property of others.
5. Obey, honor, and sustain the law.
6. Avoid drug abuse.
This includes refraining from the possession, use, or distribution of any narcotic or dangerous drug (as defined by applicable law), except as prescribed by a licensed medical practitioner.
7. Comply with all University regulations.
This includes compliance with rules relating to campus organizations and to the use of University or off-campus housing or other facilities.

8. Observe the Word of Wisdom.
This includes abstinence from alcoholic beverages, tobacco, tea, and coffee.
9. Live the law of chastity.
This includes abstinence from all sexual relations outside the bonds of marriage.
10. Observe high standards of taste and decency.
This includes refraining from disorderly, lewd, indecent, or obscene conduct or expression.
11. Observe University standards of dress and grooming.

12. Help others fulfill their responsibilities under this Code.

POLICY OF NONDISCRIMINATION

BYU admits persons of any race, creed, color, sex, religion, or national origin who meet the University academic requirements and agree to abide by its standards of behavior. The University does not discriminate on these bases in administration of its educational policies, scholarship and loan programs, and athletic and other school-administered programs.

Final Examination Schedule for Winter Semester 1977

1. A final examination is to be given for each class during the scheduled final exam period unless written permission is granted by the academic vice-president.
2. Classes where lecture periods are more than one hour in length (for example, a TTH class meeting from 8:30 to 9:50) should use the first period in which the lecture begins. The above example

3. Students with conflicting schedules or more than three examinations in one day may make individual arrangements with the appropriate instructor(s).
4. No classes will be held on Monday, December 13. It will be a "dead" day for studying.
5. Evening School classes are to hold their final examinations in the last regularly scheduled class period.
6. If you have any questions or problems regarding the final examination schedule, please contact Erlend D. Peterson, Ext. 2537.

Class Schedule Abbreviations

The courses in the course offering section are listed under their respective departments, which appear alphabetically. The course information is presented in fifteen columns as follows:

1. DEPT—the department of the University which offers the class. The University is divided into twelve colleges and each college is divided into various departments. See page 18 for a listing of the colleges and departments at BYU.
2. CATG NO—the catalog number. This number should be entered in the second column of the worksheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.
3. SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. This number should be entered in the third column of the worksheet.
4. INDEX—index number. Each class has a dif-

ferent index number for computer identification purposes. Enter this number in the fourth column of the worksheet.

5. COURSE DESCRIPTION—the name of the course.
6. CR HR—credit hours. In order to graduate, a student must have completed 128 credit hours of course work. In order to graduate in 8 semesters, a student must average 16 credit hours per semester.
7. G E R—General education requirement. The classes so designated satisfy a general education requirement under the old program. See page 11 for listing of the general education requirements.
8. B L K—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.
9. DAYS TAUGHT—class days.
10. ROOM—BLDG—where the class meets.
11. SPECIAL ENROLLMENT—classes restricted to particular students. See the explanatory footnote at the bottom of each page.
12. ALSO OFRD—classes also offered during the indicated semester or term: F-Fall, W-Winter, S-Spring, SU-Summer.
13. APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of each page.

Registration Information

ELIGIBILITY

A student is eligible to register for Spring Term 1977 if the student has attended day school classes during Winter Semester 1977 or has received a valid certificate of admission for Spring Term 1977 issued by the Admissions Office. If a student does not meet one of these criteria, registration materials will not be processed.

Registration Checklist

The registration system at Brigham Young University is a computerized system designed to match student class requests to the University curriculum offerings. The effectiveness of the registration system depends upon the student following the provided instructions and observing the class request submission deadlines. The five steps listed below should be used as a checklist to insure proper registration. Further explanation of each of these steps is included in this class schedule.

- Step One — Plan your schedule of classes.
- Step Two — Fill out the class request form.
- Step Three — Submit the completed class request form.
- Step Four — Receive a confirmation of classes.
- Step Five — Pay tuition and fees.

Step I Plan Your Schedule of Classes

Good planning is essential to your registration. Review the requirements for graduation found on page 15. New beginning freshmen should review the section concerning the New General Education Program found on page 7. Additional information can be found in the BYU General Catalog. The catalog reviews in detail the University graduation requirements, course offerings, student living facilities, and general University services. Catalogs may be ordered from Mail Service, BYU, Provo, Utah 84602. Purchase price is \$1.50.

COLLEGE ADVISEMENT CENTERS

College advisement centers are provided by each of the twelve colleges within the University. Each cen-

ter has advisers, information on academic programs (including required courses), and forms for advance registration, change of major, and adding and dropping classes. Students are encouraged to contact their advisement centers for assistance in planning their schedules. The college advisement centers are listed below:

Phone No.	374-1211		
Extension	College	Address	
3641	Coordinator Larry Taylor	B176 ASB	
2368	Biological and Agricultural Sciences Audi Megerian	392 WIDB

4780	Humanities Dale King	A144 JKBA	
4141	Nursing Norma Rae Arrington	2251 SFLC	
2095	Physical and Mathematical Sciences Helen Stillman	271 ESC	
3638	Physical Education Dell Bown	205 RB	
4024	Social Sciences Omar Kader	136 FOB	

RECOMMENDED SCHEDULE FOR FIRST-SEMESTER FRESHMEN

To evenly distribute the class request load, first semester freshmen are encouraged to select their first semester classes from those listed below. These classes are suggested for advance registration. Changes can be made following the initial orientation to school. It is suggested that freshman students not register for more than 9 hours.

Additional information can be found on page 16 under General Education Programs. Moreover, new freshmen will be mailed information on their major fields of study.

Students should use the following classes in the scheduling of ideal and alternate schedules:

Major requirements (provided by college advisement centers)

- Relig. 121 (required)
- Engl. 115 (preparatory course)
- Math. 100D or 100A or 100B (preparatory courses)
- P. E. 177 or 100-level course (preparatory courses)
- Engl. 116 (preparatory course)
- Pol. Sci. 102 or Hist. 170 or 102 (preparatory courses)

MAXIMUM HOURS PER TERM

Undergraduate students in good standing may register for as many as 9 hours of credit in one term by following the regular registration procedures. The college advisement centers may authorize a student

who has demonstrated superior academic ability to register for a maximum of 11 hours. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of the student's total registration. Exceptions to these rules should be presented to the Assistant Dean of Admissions and Records.

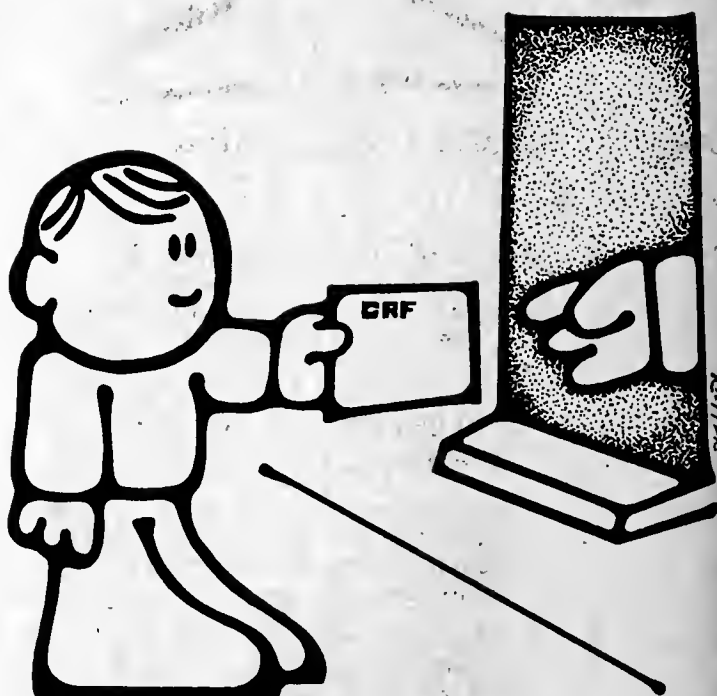

Step II Fill Out Class Request Form

Complete the blue class request form, found in the attached envelope, with a #2 pencil. Samples of this form are located on the last two pages of this class schedule. Please make note of the following instructions in the preparation of the form.

1. **Mailing Address:** Indicate in the upper right-hand corner the address to which the registration confirmation form should be mailed.
2. **Ideal Schedule:** The computer will not schedule more hours than designated in the maximum hours box. Therefore, use all twelve of the ideal schedule spaces by listing the classes needed in their priority order, avoiding time conflicts. For example, if 15 hours is put in the maximum hour box, as the computer schedules classes it will schedule the first available classes, starting at the top of the form and working down, up to the maximum of 15 hours. **NOTE:** If a lab or quiz section is required, be sure to list labs and quizzes immediately following the associated lecture.
3. **Section Searches.** It is an advantage to use the section search option. Not only does it schedule the student into available sections, but departments frequently open additional sections if the demand for a class exceeds the offering. It will only be through a section search that the student will be able to be scheduled into these new sections.
4. **Alternate Classes:** This area is to be used in an either/or situation (i.e., if Sociol. 111 is closed, schedule Sociol. 212). The number 1a in the alternate schedule corresponds to number 1 in the ideal schedule. **NOTE:** If a given class is closed when scheduling is attempted as an ideal request, it will also be closed when scheduling is attempted as an alternate request.
5. **Class Reservoir:** Classes in this section will be scheduled in remaining available time blocks in the schedule to help fill the maximum hours.
6. **Time Matrix:** This area can be used to an advantage or disadvantage. It can be used to reserve time for a part-time job, etc., or it can be used against you. The student might reserve too much time and prevent the computer from giving maximum hours.
7. **Credit Hours:** Indicate the number of total credit hours for which you wish to register. Those classes listed as variable credit (V) must have

the specific number of credit hours listed that the student wishes to complete.

NOTE RELIGION REQUIREMENTS: Undergraduates at Brigham Young University are to study religion simultaneously with their other academic subjects by taking one course in religion each semester in residence. A student is not to accumulate excessive religion credit in one semester in order to be excused in another; therefore, no more than 3 credit hours per semester will apply toward graduation.

Step III Submit the Completed Class Request Form

Students on campus should submit the completed class request forms to their college advisement centers. Students not on campus should mail their class request forms to Registration, B-130 ASB, BYU, Provo, Utah 84602. **DO NOT SUBMIT TUITION OR FEES AT THIS TIME.** The following deadline dates for submitting forms will be in effect for Spring Term.

DEADLINE DATES FOR SUBMITTING CLASS REQUEST FORMS

- | | |
|----------|---|
| March 18 | First Priority Deadline: Students submitting forms will receive first priority in class scheduling (see confirmation date April 4). |
| April 11 | Last Priority Deadline: The last day class request forms will be accepted. After this day students will be required to register late starting May 2 in 245 ELWC and pay a \$10 late fee (see confirmation date April 15; this date is a change from previous schedules). |

Note 1. New students not admitted in time to meet the April 11 deadline will receive special instructions in the mail on how to complete registration.

Note 2. After April 11, class request forms will not be accepted. Students will be required to register late on the first day of class with a \$10 late fee.

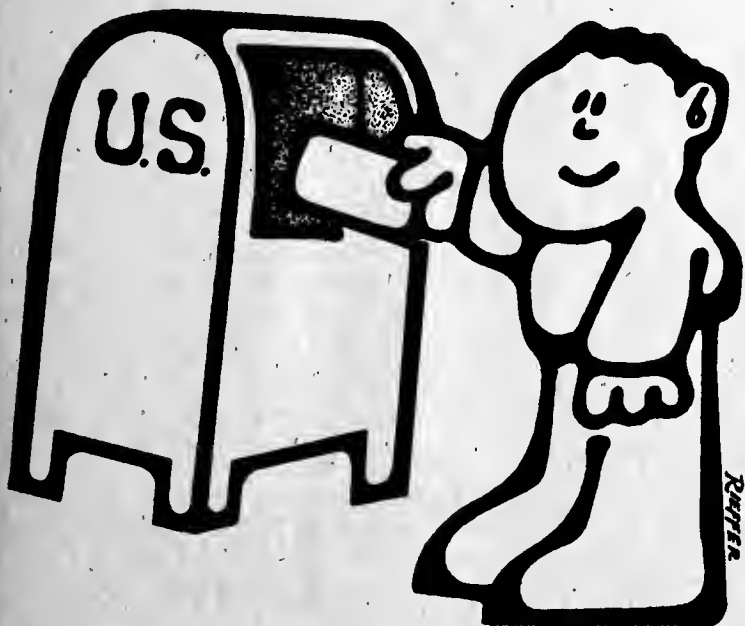

Step IV Receive Confirmation of Classes

Upon completion of the scheduling process, an official registration confirmation form and instructions will be mailed to all students who submitted class request forms by the April 11 deadline.

DATES CLASS CONFIRMATION FORMS WILL BE RECEIVED BY STUDENT

- | | |
|----------|--|
| April 4 | Students who met the first (March 18) priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail. |
| April 15 | Students who met the last priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail. |

Step V Pay Tuition and Fees

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to the University in the envelope provided. Drop boxes are also provided for on-campus reception. The last day for payment of fees will be April 22, 1977. See page 18 for detailed information concerning tuition and fees.

DEADLINE DATE FOR TUITION AND FEE PAYMENT

April 22

Tuition and Fee Payment Deadline. Tuition and fee payment will be accepted through the mail and through advertised drop boxes for those students who received a confirmation form through the mail. Students who fail to pay fees by April 22 will be required to register late on May 2 and pay a late fee of \$10.

Students who fail to meet the deadline for finalization of registration will be required to register late beginning May 2 in 245 ELWC.

DROPPING AND ADDING CLASSES

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in initial registration may be made until Monday, May 2, 1977.

Classes may be added to a student's schedule through May 9 of Spring Term. Classes may be dropped through May 16 for academic reasons. A fee of \$3 per class is assessed for each class dropped after May 5. For nonacademic emergencies, students may withdraw from classes until June 9.

If a student withdraws from a class in which he or she is doing passing work after May 16, the permanent record will carry a W. If a student is failing, the permanent record will carry a WE. This is considered the same as an E in calculating a grade-point average.

STUDENTS WHO INTEND TO CHANGE THEIR REGISTRATION MUST FOLLOW THESE FOUR STEPS:

1. Obtain a change of registration form from the Registration Office or the college advisement center.
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.
3. PAY A \$3 FEE PER CLASS TO THE UNIVERSITY CASHIER. This is necessary if the change is a drop and made after May 5. CLASSES MAY NOT BE ADDED AFTER MAY 9.
4. TAKE THE CHANGE OF REGISTRATION FORM TO THE REGISTRATION OFFICE, B-130 ASB. LATE REGISTRATION ENDS MONDAY, MAY 9, 1977. NO STUDENT MAY REGISTER AFTER THAT DATE.

AUDIT CLASSES

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the designated add period. It is not possible to register for an audit class on the advance class request form. Students are charged the same fees for auditing classes as for credit classes. Classes taken on an audit basis will not appear on the student's official record.

LATE REGISTRATION PENALTY

Any student—new, continuing, or former—who fails to finalize his or her registration by the April 22 deadline will lose all classes for which he or she has been scheduled and will also be required to reregister and pay a \$10 fee for late registration.

FACULTY AND STAFF

Faculty and staff wishing to register for day classes during Spring Term 1977 will follow the same procedures as outlined above. Particular attention should be paid to admission and readmission procedures.

ADMISSION OF EVENING-CLASS STUDENT TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission

may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he or she should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

EVENING CLASSES

Daytime students taking evening classes (section 90 and above) must register for the courses at the same time they complete and submit the registration form to day school.

Those who register for evening classes only should register using the evening classes registration form and may register by mail or telephone prior to April 15, 1977 (Spring Term), and June 10, 1977 (Summer Term). On-campus registration will be in the Evening Classes office, 225 HRCB, from February 14 through May 9 (Spring Term) and from April 11 through July 6 (Summer Term).

Faculty and staff members who register for evening classes only must register before April 15, 1977 (Spring Term), and June 10, 1977 (Summer Term). Employee tuition cards must accompany the completed evening registration form.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than 320 courses are available, representing 54 departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course. For further information and a free catalog of courses, contact the Home Study Office, 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when the student is away representing the University on official business. All officially excused absences must be approved through the office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his or her actions. It is not necessary for the instructor to report absences to the office of the Dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

RELIGION REQUIREMENT

The undergraduate at Brigham Young University is to study religion simultaneously with his or her other academic subjects by taking one course in religion each semester in residence. He or she is not to accumulate excessive religion credit in one semester in order to be excused in another.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

0 — 31.9	Freshman
32 — 63.9	Sophomore
64 — 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do so. However, the student must clear this change through the deans of the colleges in the college advisement center. Official change-of-major cards may be obtained from the college advisement center of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the college advisement center of the student's new college one month prior to the next semester's registration. Graduate students should review the policy regarding them on page 5.

WITHDRAWAL FROM BYU

No daytime student, with the exception of Law School and Evening Classes students, is officially withdrawn from the University unless the student has completed the discontinuance process in the Office of Student Special Services, B-238 ASB.

If the student finds it necessary to totally discontinue all classes, he or she must do the following:

1. Complete discontinuance forms from the Student Special Services Office, B-238 ASB, Ext. 2767.
2. Obtain necessary signatures as directed. (Note: Beginning with the sixth week of the semester or third week of the term, the discontinuing student becomes responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate the student's pass or fail status.)
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Student Special Services staff.
4. Have the student activity card invalidated. (The voided card and photo ID become the receipt of discontinuance from the University and will be retained by the student if future enrollment is anticipated.)

Those students enrolled only in Evening Classes will withdraw through Evening Classes. Law School students will withdraw through the office of the dean, 348 JRCB.

Students who leave the University under emergency conditions and who subsequently do not return during the semester or term should contact the Student Special Services Office, B-238 ASB, Ext. 2767, to initiate official termination of course enrollment.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Home Study.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade

earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter I (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the specific work involved have been made between the teacher and the student. The I never is given when a student has failed or is failing the course. An I is regarded as a neutral grade for a period of one year, following which it will be changed to an E and calculated as such in the grade-point average. An authorization for Change of Incomplete Form, with a \$3 fee, must be properly completed and submitted to the Records Office, B-150 ASB, within one year from the date the incomplete is given. Do not register for a class for which you have an incomplete.

Academic Standards

Students admitted to the University are expected to show satisfactory academic achievement and progress. Academic achievement is determined on the basis of the grade-point average earned by each student.

To graduate from BYU a student must have earned a 2.0 cumulative grade-point average on all BYU work and all college work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of graded credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the BYU cumulative is at or above 2.0.

Academic Probation will be given when the BYU cumulative grade-point average falls below 2.0 with the exception of freshman-level nontransfer students completing their first semester at Brigham Young University. These individuals will initially be given Academic Warning. Students who have been placed on academic warning/probation are strongly encouraged to contact the Academic Standards Office to be sure they understand requirements that must be met to continue beyond the semester in which they are currently enrolled.

Academic Suspension may result from a student's failure to bring his or her BYU cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. Academic Suspension indicates that the student may be denied continued enrollment privileges until such time as he or she has qualified for readmission through one of the readmission programs.

Readmission. Students who have been academically suspended must establish their eligibility for readmission to the University by contacting the Admissions Office (A-153 ASB). Generally, the student should expect that specific preparatory work must be completed before an application for readmission will be considered.

A student will be placed on probation and later suspended from the University if it is determined that he or she is deficient in academic achievements and progress.

Graduate students should review the policy regarding them below.

GRADE-POINT VALUES

A 4.0	B- 2.7	D+ 1.4	UW .0
A- 3.7	C+ 2.4	D 1.0	WE .0
B+ 3.4	C 2.0	D- .7	I .0
B 3.0	C- 1.7	E .0	T .0

Graduate School Information

It is the responsibility of each graduate student to know and conform to both the general regulations of the Graduate School and the additional requirements of his or her department. These general regulations may change from year to year. Students should consult the BYU General Catalog each year to be aware of current regulations.

A student must be registered for a minimum of two hours in the semester or term for which he or she is accepted.

SCHOLASTIC STANDARDS

A grade-point average of 3.0 for all credit applying toward the degree is required of any student earning a degree in the Graduate School. No D credit can apply toward a graduate degree. A degree-seeking student (regular or provisional) whose grade-point average falls below 3.0 for a given semester will be placed on academic warning.

DEADLINES FOR GRADUATE SCHOOL APPLICATIONS

	U.S. Citizen	Inter-national Student
Spring Term 1977	Feb. 1	Dec. 31
Summer Term 1977	April 15	Feb. 28
Fall Semester 1977	June 15	April 30
Winter Semester 1978	Oct. 15	Aug. 31

CONTINUOUS REGISTRATION

When a student is admitted to a degree program, it is expected that he or she will work continuously and will register in that program until all requirements are completed. Normally a student will register each semester for a minimum of two semester hours of credit in work which is filed on the approved graduate program. Each student must, in any case, meet the following minimum requirements:

- 1. Complete at least six hours of approved program credit during each academic year (September 1 to August 20) or pay an equivalent continuous-registration fee (accepted in lieu of credit only upon written recommendation of the department).
- 2. Register for at least two hours of approved program credit during any semester or term in which University personnel are consulted or facilities are used.

If a student is suspended for failure to meet the continuous registration requirement, no more than ten semester hours of credit previously acquired may be applied towards a new degree program if the student reapplies.

Every international student must register for nine (9) credit hours each semester.

SPECIAL EXAMINATIONS

Under certain circumstances graduate students who are working in degree programs at BYU may need to have certain of their credits certified by special examination. Payment for these examinations must be made in advance and in an amount equivalent to ordinary registration fees for the amount of credit to be obtained. This arrangement applies specifically to the following situations:

- 1. Graduate credit (taken at Brigham Young University or at another accredited university in the United States) outdated under the time-limit regulations.
- 2. Graduate credit which a student desires to transfer from a nonaccredited institution or from a foreign university.

3. Challenge of credit on the course outline for students who already have a good background in a required subject.

Applications for these special examinations can be obtained in the Graduate School Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to six hours per semester and will not be required to pay the regular cost of tuition.**
2. **Registration for Spring and Summer Terms.** Continuing faculty members not teaching during the Spring or Summer terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members teaching during Spring or Summer terms may take a limit of (a) three credit hours per term, (b) six continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), (c) four credit hours in one term and two credit hours in the other. If no classes are taken in Spring Term six credit hours may not be taken in Summer Term, and vice versa. **No person may take more than four credit hours in one term.**
3. **New Faculty.** New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.
4. **Spouse.** The spouse of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

Same as for full-time faculty except item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

1. **Registration for Fall and Winter Semesters.** Full-time regular staff may register for courses of study up to six credit hours per semester and will not be required to pay the regular cost of tuition. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8 a.m. to 5 p.m.) may not enroll in evening classes beginning approximately 4 p.m. or before.
2. **Registration for Spring and Summer Terms.** During Spring or Summer terms, staff members may allocate their credit hours of class attendance as in Item 2 a,b,c,d for full-time faculty.**
3. **Spouse.** After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening, and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed five hours per semester (three hours per Spring or Summer term), and will not be required to pay the regular cost of tuition for the first five credit hours or less. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Benefits Office, C-40 ASB (see instructions below).

Special Instructions (Please Take Note)

1. **Applications for Approval of Daytime Class Work.** Applications for approval for employees to take daytime classes (7 a.m. to 5 p.m.) may be obtained at the Benefits Office, C-40 ASB, prior to registration.

Approval for daytime class work rests with the manager of employee benefits.

- **2. **Admittance to the University Needed for Daytime Class Work.** Faculty members, administrative personnel staff members, eligible spouses, and part-time faculty who wish to register for daytime classes must be properly admitted through the Admissions Office (see instructions below).

3. **Registration Schedule.** Please watch for University notices of times for preregistration. Contact the University Registration Office, B-130 ASB, Ext. 2824, for information.

Evening Classes

Any eligible employee formally admitted to Brigham Young University may enroll for Evening Classes. Students not formally accepted may enroll for credit, provided they meet the following requirements:

1. They have earned a minimum high school or college grade-point average of 2.5 and have submitted an application for enrollment, together with a high school or college transcript to the Department of Evening Classes,
- or
2. They will be nineteen years of age on or before August 31 of the academic year.
3. They have not been suspended for any reason from this or any other institution of higher learning.

Registration

Forms for registering may be obtained at the department offices (225 HRCB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly Y News for instructions. To assure a place in the class of your choice, register early and before deadlines. All completed registrations, together with an employee tuition card, must be turned in to 225 HRCB. All matters concerning your evening registration are handled in this office. Tuition cards may be obtained in the Benefits Office (C-40 ASB).

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from 225 HRCB. The approval and signature of the instructors involved in the change are required.

Changes in registration may be made without charge during the first five class days of the Fall and Winter semesters. Classes may be added during the first ten class days of Fall and Winter semesters. Classes may be dropped during the first month of Fall and Winter semesters. A fee of \$3.00 per class will be charged for each class dropped after the fifth day of class work.

During Spring Term or Summer Term, classes may be added during the first week only. Classes may be dropped during the first three weeks of classes. A fee of \$3.00 per class will be charged for each class dropped after the fifth day of class work.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office. A \$5.00 fee is charged for the service after registration has been finalized.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be admitted to the Y. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Only Part A of the admissions application need be completed. Part A, along with high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should be returned to the Admissions Office. A one-time \$15.00 application fee will also need to be paid at that time. Upon acceptance to the University, all preregistration materials will be sent to the employee or spouse for class registration. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate School Office, B-336 ASB.

Times When Readmissions Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting a new Part A to the Admissions Office. No transcripts are required the second time unless the individual has completed additional college work elsewhere since his or her last enrollment at the Y.

Auditing Classes

All faculty, administrative and staff employees, or

spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from a college advisement center or from the Registration Office. The approval and signature of the instructors involved in the change are required.

Classes may be added to an employee's schedule only during the first ten class days of Fall and Winter semesters. Classes may be dropped during the first thirty class days. A fee of \$3.00 per class will be assessed for each class dropped after the fifth day of class work. Complete change-of-registration procedures are described in the Class Schedule.

University Discontinuance

An employee who discontinues his or her entire registration at the University is required to clear this termination through the office of the Dean of Student Life, B-138 ASB.

New General Education Program

There will be changes in the new general education requirements beginning Fall Semester 1977. Refer to the 1977-78 BYU General Catalog for this information.

Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter will be required to complete the following program:

GENERAL EDUCATION REQUIRED EVALUATIONS

A candidate for the bachelor's degree must successfully complete evaluations in the following areas:

CATEGORY I
(Fundamental Skills)

Area	Required Evaluations
Citizenship Education	1
Health Education	1
Mathematics, Basic	1
Physical Fitness	3 (one on personal fitness planning, two on skills)
Reading	1
Writing, Basic	1
Writing, Advanced (Recommended for sophomore or junior year)	1

CATEGORY II
(Breadth of Intellectual Skills and Knowledge)

Area	Required Evaluations (No more than two evaluations in any area may be taken from the same college)
Arts and Letters	3
Natural Science	3 (A broad evaluation consisting of Part A and Part B is required, plus one other evaluation in science.)
Social Systems	3

CATEGORY III

(Mastery of an Important Skill or Method Outside Major)

Required Evaluation

1 (requires 9-12 hours' preparation)

EVALUATIONS

The New General Education Program substitutes required evaluations for required courses. An evaluation is a University-administered measurement, test, demonstration, oral examination, essay examination, etc., of a student's mastery of skills and knowledge. To pass a general education evaluation, a student must show the ability to apply specified skills and to use sufficient appropriate knowledge to demonstrate these skills.

COMPLETING GENERAL EDUCATION REQUIREMENTS.

There are three categories of requirements. Category I evaluations determine whether the student has mastered fundamental academic skills in reading, writing, basic mathematics, physical fitness, health writing, basic mathematics, health education, and citizenship education. Category II evaluates ability to compare, weigh, analyze, synthesize, etc., using the substance of a number of academic fields. Category III requires the student to develop a significant skill or method through extended preparation outside the student's major.

FULFILLMENT OF GENERAL EDUCATION REQUIREMENTS is shown on the student's record by credit hours in appropriate preparatory courses. A "pass" grade and course credit will be given students not registered in a preparatory class when the evaluation for that class is passed. A letter grade will be given

students who are registered in preparatory courses. Students enrolled in preparatory courses have the option of passing the evaluation prior to the end of the course (sixth week for term classes and twelfth week for second-block and continuous classes), withdrawing from the course, and receiving a "pass" grade for that course.

PREPARATION FOR EVALUATIONS

A student may take any of the required evaluations at any scheduled time. An evaluation guide is available in the BYU Bookstore for each evaluation. Each guide lists the skills and knowledge required, suggests how to prepare, and includes examples from the evaluation or exam. Students may also see copies of all evaluation guides which are on file in each college advisement center and in the Reserve Library.

A student may prepare for an evaluation in one or any combination of the following ways:

- 1. Preparatory Courses.** Register for a course listed in the Class Schedule as "preparatory" for a given evaluation. A preparatory course is specifically intended to prepare students for the evaluation. "Supplementary" courses are also available for students who desire preparation by means other than a preparatory course. Supplementary courses are not designed primarily to prepare students for a specific evaluation.
Should students feel capable of passing the evaluation before the end of the twelfth week of the preparatory class, they may take the evaluation and, upon passing it, officially withdraw from the course, accepting a "pass" grade instead of a letter grade. They may also continue to attend the class even though they have officially withdrawn. Students who remain in the course and pass the general education evaluation at the end of the course (the evaluation is often given as part of the final examination) will be given a letter grade for the course. Which letter grade is given is, in that case, up to the teacher, but no student who passes the general education evaluation can be failed in the course.
- 2. General Education Learning Center.** A special center has been created to aid students in their individual preparation to pass the Category I evaluations in reading, writing, and math. The center is located in the Harold B. Lee Library.
- 3. Individual Study.** If students are sufficiently prepared to challenge an evaluation, or if they prefer to prepare for an evaluation individually in group study or through Home Study, that option is also available. Students should follow instructions in the evaluation guide for the specific evaluation desired and may take the evaluation without enrolling in the preparatory class.

EVALUATION SCHEDULE

Generally students follow their own pace for challenging evaluations. There is no required schedule to follow. However, a department or college may recommend or even require some particular schedule for its majors in order to fit all the requirements into minimum time. Usually students should plan to finish Category I no later than their second semester (except for advanced writing). Students should plan to finish Categories II and III by the end of the sixth semester.

Evaluations are offered at least twice per term on a scheduled basis. Each semester an evaluation schedule is printed that indicates the times and locations at which the evaluations are to be administered. These schedules are available at the Testing

Center, General Education Learning Center, General Education Office, Reference Group Office, and at college advisement centers.

Students may challenge the evaluation for each preparatory class for which they are registered one time at no additional cost.

TRANSFER CREDIT EVALUATION

Transfer students' records are evaluated on a course-by-course basis. Each transfer course that is equivalent to a BYU general education preparatory course will be recognized as an evaluation passed. A written evaluation of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. The evaluation states which classes will be accepted and which general education evaluations will be satisfied. The student's college advisement center evaluates the courses for the major requirements.

Students who receive an Associate of Arts or an Associate of Science degree before transferring to BYU will have all of their general education requirements considered completed with the exception of the advanced writing evaluation in Category I and the requirement in Category III. These two evaluations will need to be taken at Brigham Young University.

Students who transfer before receiving an associate degree will be evaluated on a course-by-course basis. Those students who use College Board or other nationally or school-administered examinations to fulfill requirements for their associate degree will be evaluated on a course-by-course basis also.

UNIVERSITY REQUIREMENTS FOR GRADUATION

All University requirements relative to total hours, upper-division credit, residency, minimum grade-point average, and religion will remain the same as previously stated.

Graduation Requirements

UNIVERSITY REQUIREMENTS

Credit Requirements. A candidate for a bachelor's degree must complete a minimum of 128 semester hours credit.

Religion. Two hours of religion are required per semester (8½ hours or more) in residence, including Spring and Summer terms, for freshmen, sophomores, and juniors. One hour per semester is required for seniors. No more than 3 hours of religion credit for any one quarter or semester at BYU or elsewhere will be counted towards fulfilling the religion requirement. Students registering for any credit at BYU or through the Division of Continuing Education on a part-time basis must register for one religion course per 16 hours of credit earned.

Relig. 121 and 122 are required of all students. Relig. 421 and 422 are offered to returned missionaries and upper-division transfer students as a substitute for this requirement.

Upper-division Requirements. A minimum of 40 semester hours of upper-division credit (classes numbered 300 to 599) is required for a bachelor's degree.

Major Requirements. A student must complete at least 20 semester hours in his or her major department, 10 of which must be earned on the BYU campus. A student must also satisfy any additional departmental requirements.

Residence Requirements. At least 30 semester hours of credit taken in residence at BYU are required for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education or at LDS institutes may be applied toward this 30-hour requirement. A student must register and be on campus during two semesters—not necessarily consecutive—to satisfy the residence requirement. The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.

Grade-Point Average Requirement. To be cleared for graduation, all degree-seeking students must achieve at least a 2.0 (C) cumulative grade-point average. Transfer students must have a 2.0 (C) grade-point average for both their residence credit at BYU and their cumulative college credits.

Correspondence Credit. A maximum of 36 semester hours of correspondence credit may be applied toward fulfillment of the 128-semester-hour requirement for a baccalaureate degree. A maximum of 18 semester hours of correspondence may be applied toward the associate degree.

D Grade Credit. Not more than 18 semester hours of D grade credit may be applied toward completion of the bachelor-degree requirements nor more than 10 semester hours of D grade credit for the associate-degree requirements.

Second Bachelor-Degree Requirements. A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements (if required by department), (4) residence requirements, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor degree candidates. A minimum of 30 semester hours must be completed after the awarding of the first degree, of which at least 10 hours must be completed within the new major.

Deadlines for Transfer, Correspondence, and Incomplete Credit. All incomplete grades must be removed

from a student's record, and all transfer and correspondence credit must be on file in the Records Office at least four weeks prior to commencement.

Junior English Proficiency Examination. To be eligible for the bachelor's degree, all students must either pass the Junior English Proficiency Examination or complete Engl. 212, 215, 251, or 316 at BYU after September 1, 1971, with a grade of B- or higher. Those electing to take the examination should do so during the first semester of their junior year. The examination is scheduled for the second Saturday of each semester and midsemester. Arrangements for the examination must be made through the college advisement centers.

Transfer Credit Evaluation

Transfer students' records are evaluated on a course-by-course basis. Each transfer course which is equivalent to a BYU general education preparatory course will be recognized as an evaluation passed. A written evaluation of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. The evaluation states which classes will be accepted and which general education evaluations will be satisfied. The student's college advisement center evaluates the courses for the major requirements.

Students who receive an Associate of Arts or an Associate of Science degree before transferring to BYU will have all of their general education requirements considered completed with the exception of the Advanced Writing evaluation in Category I and the skill requirement evaluation in Category III. These two evaluations will need to be taken at Brigham Young University.

Students who transfer before receiving an associate degree will be evaluated on a course-by-course basis. Those students who use College Board or other nationally or school-administered examinations to fulfill requirements for their associate degree will be evaluated on a course-by-course basis also.

Application for Graduation. All students desiring to graduate must officially apply for graduation. Students applying for the bachelor's degree should do so during their junior year. Students applying for the associate degree should do so at the beginning of their sophomore year. Application forms are available at the student's college advisement center. The final deadline for the completed application form and the graduation fee (\$12 for a bachelor's degree or \$6 for an associate degree) must be submitted to the Cashier's Office, D-155 ASB, no later than September 23, 1977, for December graduation; January 13, 1978, for April graduation; and May 19, 1978, for August commencement. Students who apply after the deadline dates will automatically be considered for the next semester's recognition. The Evaluation Office, B-150 ASB, will notify the student in writing of the general education and University requirements remaining to be completed for a degree from Brigham Young University. The application fee is a one-time fee. If the student does not graduate on the date indicated on the application, the evaluation will be held for future graduation.

Attendance at Commencement. All candidates for graduation are encouraged to attend the commencement and convocation exercises. Diplomas will be mailed to students after grades from the final semester are submitted and all graduation requirements are certified as being completed.

Adherence to University Standards. A student's graduation may be delayed or denied if he or she is found to be in violation of the Brigham Young University Code of Honor.

GENERAL EDUCATION PROGRAMS

Two General Education Programs

A candidate for a bachelor's degree must complete the Former General Education Program or the New General Education Program. The appropriate program is determined by the student's first semester at BYU. Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the Former General Education Program. Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter will be required to complete the New General Education Program.

Former General Education Program

Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the program listed below for a baccalaureate degree:

Area	Credit hrs.
American history and government	3
Biological science	6
English composition	6
Health	2
Humanities	6
Physical education	2
Physical science	6
Social science	5
Religion (maximum)	14

A student must also complete one of the two options described below:

1. Mathematics, statistics, logic, science 6
2. Foreign language—an intermediate or advanced course

Area Requirements

American History and Government. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170 or 171, Pol. Sci. 101, Hist. 120 and 121, or Hist. 121 and Pol. Sci. 110. (A student may take an examination that will, if passed, satisfy the American history and government requirement. Arrangements for the examination are made at the BYU Testing Center, 3302 HBLL.)

Biological Science. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Ag. Econ. 105, AgHrt. 105, and An. Sci. 105
 Bio. Ag. 200
 Botany. Any botany course with a number below 469 except 161 and 377
 Honors 213R
 Microbiology. All courses with numbers below 490 except 391 and 392
 Zoology. All courses with numbers below 490 except 381

English Composition. Two courses selected from the following: Engl. 115 or 111 during the freshman year and Engl. 212, 252, 315, 316 or 415 or Phil. 105 during the sophomore or junior year. The student's major department will designate which course the student should complete.

Health. This requirement may be satisfied by completing Health 130 or by a special examination arranged with the Department of Health Sciences. Exceptions: Nursing students may satisfy this requirement by completing Nurs. 106 and 156; elementary education majors may satisfy this requirement by completing Health 361; secondary education majors may satisfy this requirement by completing Health 362.

Humanities and Fine Arts. A student must complete a minimum of 6 semester hours selected from the following approved courses:

ArtDs. All courses in art history and appreciation and 101, 102, 103, 104, 105, 106, 107, 109, 110, 205R, 206R, 207R, 311, and 312.
 Classical Civ. 110, 331, 341, and 342
 Comms. 100, 101, 102R, and 301
 English. All undergraduate literature courses except Engl. 251 and 420
 Foreign Languages. All undergraduate literature courses
 Humanities and Comparative Literature. All undergraduate courses below 490
 Int. Env. 240, 330, 331, and 430
 Music 101, 103, 484, and 485
 Philosophy. All courses under 448R except 105, 205, 305, 354, and 355
 ThCA 115, 117R, 121, and 417R

Physical Education. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Credit Evaluation Office, B-150 ASB.

Students who have completed a minimum of one year's active duty in the military service may receive 2 semester hours of physical education credit. Students qualifying for this credit should bring their DD-214 form to the Credit Evaluation Office, B-150 ASB. Exceptions: Students are exempted from 1 hour of physical education credit for successful completion of two years of on-campus ROTC Leadership Laboratory courses. Students qualifying for exemption must provide the Credit Evaluation Office, B-150, with written verification from the ROTC program.

Physical Science. A student must complete a minimum of 6 semester hours selected from the following:
 Chemistry. All undergraduate courses
 Geology. All undergraduate courses except 312 and 410
 Physics. All courses with numbers below 471 except 391 and 392
 Stat. 221

Social Science. A minimum of 5 semester hours must be completed from the following approved courses:

Ag. Econ. 112, 350R, 355, and 390
 Anthropology, Archaeology. All undergraduate courses
 Asian Studies 101
 CDFR 210, 360, and 361
 Economics. All undergraduate courses
 Indian Education 107
 Geography. All undergraduate courses
 History. All courses below 485
 Indian Education 307
 International Relations 499
 Political Science. All undergraduate courses except 301 and 303
 Psychology. All undergraduate courses except 373 and 374
 Rec. Ed. 337
 Sociology. All undergraduate courses except 205
 University Studies 300R

Mathematics, Statistics, Logic, and Science; or Language

Each student must complete one of the two following options:

1. **Mathematics, Statistics, Logic, and Science.** Six semester hours selected from the following:
 Bot. 201, 370, and 372
 Career Ed. 115
 Chem. 105 and 111
 *Comput. Sci. 130, 131, 132, and 133

*Only one computer science class may be used in the mathematics-statistics-logic-science area.

Econ. 388
 Geol. 311

Mathematics. Any undergraduate mathematics course numbered 100F or higher.
Micro. 201 and 331
Phil. 205 and 305
Physics 105, 110, and 300
Psych. 374
Statistics. Any undergraduate course from the Department of Statistics having a prerequisite of Math. 100F or higher.
Zool. 201 and 321

2. **Language.** Successful completion of a 201 foreign-language course (intermediate level) or its equivalent. This requirement may also be filled by the successful completion of a 301 foreign-language class, or any more advanced language, literature, or culture class in a particular foreign language.

Religion Requirements

Religion. One religion class is required for each full-time enrollment of 8½ semester hours or more by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned towards a baccalaureate degree or 8 hours towards an associate degree. Part-time students must complete one religion class for every 16 hours of BYU credit completed.
Any religion class in the 100 through 400 series may be taken to meet the religion requirement. In computing the 14-semester-hour total requirement, no more than 3 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester. The required religion courses will be 2 hours per semester for freshmen, sophomores, and juniors. The required courses for seniors will be only 1 hour per semester.

Book of Mormon. All undergraduates must complete 4 semester hours in the study of the Book of Mormon. This requirement may be completed by taking Relig. 121 (or 421) and 122 (or 422). Returned missionaries and upper-division transfer students are encouraged to take 421 and 422.

Transfer Credit from LDS Colleges and Institutes. A student may transfer religion credit to BYU to meet the requirement in religion. No more than 4 hours of religion credit from any one quarter or semester will be counted towards the religion requirement. Institute credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with college standards. Transfer students will be required to complete one religion class per semester at BYU until they graduate or complete the 14-semester-hour requirement.

Students Required to Study Off Campus. Students required to study off campus to fulfill degree requirements are required to register for religion during that semester through Home Study, a BYU continuing education center, or an LDS institute.

Bible Credit from Non-LDS Colleges and Universities. Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.

Credit Completed at Centers for Continuing Education. A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.

Requirements for Second Baccalaureate Degree Candidates. Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester. The Book of Mormon requirement must also be satisfied.

Major Requirements

In addition to the University requirements and the general education requirements, each major has cer-

tain requirements, different for each major. The college advisement centers provide information on the requirements for the various majors.
The University majors are listed according to the college and department in which they are offered.

New General Education Program
See page 7.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University graduation exercises. A minimum of 64 semester hours of credit is required. A candidate for an associate degree must satisfy the following general education requirements.

Former General Education Program

Area	Associate of Science	Associate of Arts
English composition	6	6
American history	3	3
Health	2	2
Physical education	1	1
Humanities	2	3
Biological science	2	3
Physical science	2	3
Social science	2	3

Two hours of religion are required per semester in residence, including Spring Term and Summer Term. Relig. 121 and 122 are required of all students.

Exceptions

1. Two-year engineering-technician students are not required to complete the biological science and social science general education groups.
2. Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; however, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at BYU centers for continuing education or at LDS institutes will satisfy the residence requirement for the two-year programs. (The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.) A maximum of 10 D credits will be accepted, but both cumulative and BYU grade-point averages of 2.0 or above are required.

New General Education Program
See page 7.

SCHOLASTIC RECOGNITION AT GRADUATION

There are three designations in recognition of high scholarship: graduation "summa cum laude," graduation "magna cum laude," and graduation "cum laude." These awards are made on the basis of excellence shown in work up to, but not including, the semester prior to the commencement date.

Summa cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher.

Magna cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have obtained an overall grade-point average between 3.7 and 3.84.

Cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have

obtained an overall grade-point average between 3.5 and 3.69.

SCHOLASTIC RECOGNITION EACH SEMESTER

The dean of each academic college at the close of each semester will post a list of names of students who are ranked in the top 5 percent of their colleges for the given semester, who have earned a minimum of 15

credit hours and who have earned a minimum grade-point average of 3.5 or higher in all classes.

EXCEPTION TO UNIVERSITY POLICY

A student who wishes an exception to a University policy may petition in writing the request to the Exception to University Policy Committee. Petition forms are available in B-150 ASB.

Tuition and Fees

The nation's largest church-related university, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

A fraction of an hour is counted as a full hour for assessing fees.

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, three hours of lecture a week would be considered three semester hours and would be charged for accordingly. Therefore, if a student were taking three credit hours plus a noncredit class involving two or more lecture hours per week, the student would be considered a full-time student and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- All students who have received their first bachelor's degree.
- All undergraduate students who have completed 144 semester hours or more.

Advanced-standing students should be aware of the nonrefundable overload fee for registrations of over 8 hours per term. Because a subsequent reduction of course load will not relieve the overload assessment, advanced-standing students should register for exactly the classes they need.

The undergraduate tuition rate applies only to those undergraduate students who have completed less than 144 credit hours prior to the beginning of the semester or term for which they are registering.

Full-time classification for both undergraduate and graduate students is registration for over 4 credit hours.

The University reserves the right to change these figures without notice.

TUITION AND GENERAL FEES PER TERM

	LDS Member	Non- Member
Undergraduate Students		
Full-time		
(Over 4 credit hours)	\$180	\$270

Part-time	\$ 37	\$ 56

	per hour	per hour

Law School Students

Full-time		
(Over 4 credit hours)	\$325	\$487
Part-time	\$ 67	\$100
	per hour	per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

ASSESSMENT ADJUSTMENT

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at this time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to a 3 percent per day charge. This charge will be for the number of school days between the registration date and the drop date, and the rate is 3 percent of the difference between the original assessment and the adjusted assessment.

CONTINUOUS CLASS TUITION

The following classes have been approved to be conducted as continuous classes through Spring Term and Summer Term 1977:

Nursing 100, 106, 156, 206, 256, 257R, 356, 390R, 406, 456
Sociol. 460R

Students enrolling for any of the previously listed classes will be assessed tuition on the basis of a full semester and will NOT be subject to the Term Tuition Schedule. The Spring Term registration will combine the credit hours of continuous classes and Spring Term classes to arrive at the rate of tuition to be paid at that time.

Students taking continuous classes will receive activity cards as full-time students only if they enroll for more than 8 credit hours of continuous and Spring Term classes. A provision will be made for these stu-

dents to receive an activity card for both terms. Students who pay full-time fees at Spring Term registration will be able to add Summer Term classes with no additional tuition assessment. Students who enroll at Spring Term for 8 credit hours or less will not receive an activity card. If these students subsequently add Summer Term classes, these credit hours will be added to the total of Spring Term and continuous classes to determine the total fees due. The amount previously paid at Spring Term registration will be deducted to determine the balance due. If the Summer Term credit hours addition brings the total to full-time (over 8 credit hours), an activity card will be issued for Summer Term.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After April 22 (Spring Term)	\$10.00
After June 20 (Summer Term)	\$10.00

Any student whose check is dishonored by the bank will be charged a handling fee of \$5. If the check was for tuition there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

Students who decide to discontinue school should notify the Office of the Dean of Students immediately. Any delay in notification or in turning in the activity card or fee receipt may reduce the amount of the tuition refund.

Refunds will be based on the date of withdrawal as follows:

Date of Withdrawal	Tuition Refunded
May 2-May 6 June 27-July 1	100% less \$10
May 7-May 13 July 2-July 8	75%
May 14-May 20 July 9-July 15	50%
May 21-May 28 July 16-July 22	25%
After May 28 After July 22	no refund

Refund checks will be mailed from the Treasurer's Office to the student approximately three weeks from the date on which students report their withdrawal and surrender their activity card or fee receipt to the office of the Dean of Students.

General Information

Security Police and Traffic

The Security/Police Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office by calling Ext. 2751.

The Security/Police Office offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC between the hours of 10:00 a.m. and 12:00 noon Monday through Friday. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

Another major responsibility of this office is the control of campus traffic and parking. Every BYU student or faculty/staff member who owns, maintains, possesses, stores, or drives any motor vehicle on the BYU campus must register that vehicle with the Traffic Office within two (2) school days after bringing it to the Provo area.

REGISTRATION AND PARKING DECALS

Check with the Traffic Office, B-69 ASB, Ext. 3906, from 7:00 a.m. until 5:00 p.m., Monday through Friday.

Registration Permit	Free
(Good in student lots only after 4:00 p.m.)	

For further details regarding traffic rules and regulations, a "Traffic Rules and Regulations" folder may be obtained at no charge from the Traffic Office, B-69 ASB, Ext. 3906. All faculty/staff members and students will be responsible for the information contained therein.

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than those listed below must have a Utah license if he or she wishes to drive in Utah. The following states have entered into a compact, and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York
Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

NONRESIDENT

Students from out of state who do not have Utah license plates on their cars may obtain a nonresident permit for their vehicles as long as their main purpose for being in Provo is education. Full-time employees of the University or students whose spouses are full-time employees do not qualify; they must pur-

chase Utah plates and pay Utah property taxes on their vehicles. Either a nonresident permit or Utah license plates must be obtained immediately upon registration at the University. To obtain a nonresident permit, the student must present the following at the Information Booth located across the street from Helaman Halls (about 200 East 1230 North):

1. Home-state vehicle registration certificate
2. Proof of current safety inspection from Utah or home state
3. Fifty cents
4. BYU activity card

The Information Booth is open from 7:30 a.m. to 3:30 p.m. Monday through Friday.

CONFIDENTIALITY OF RECORDS POLICY

The policy of Brigham Young University concerning confidentiality of student academic records reflects a reasonable balance between the obligation of the institution for the instruction and welfare of the student and its responsibility to society. The University will make every effort to maintain student academic records in confidence by keeping information from individuals who are not authorized to receive it or who might use it for illegitimate purposes.

While the Family Educational Rights and Privacy Act of 1974 which controls access to the student records of most universities does not apply to Brigham Young University, the University will make every effort to extend to students and their families the same rights granted by the act. Upon presentation of appropriate identification and under circumstances which preclude alteration or mutilation of records, a student will be able to inspect all records which are not considered by the University to be held under a pledge of confidentiality or considered to be private records of University personnel. A student is entitled to an explanation of any recorded data and may initiate action leading to a hearing, if necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use student records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which the student has applied for admission or from a lending institution from which the student is seeking assistance will be granted without the student's permission. Similarly, data will be furnished to university accrediting bodies and governmental officials without permission of the student.

No student information other than public information will be given to any third party (except those mentioned above) without written consent of the student, and then only those records accessible to the student. The term **third party** is construed to include parents, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if the parents establish to the satisfaction of the University that they are providing one-half or more of the student's support. Court orders and subpoenas for records will be referred to the University's legal counsel and acted upon according to his directions. The student will be notified of information to be submitted in response to subpoenas or court orders prior to actual submission of the material.

Public information will be released to news media and to others upon request. Public information is defined as follows:

1. Name of student
2. Whether student is currently enrolled
3. Class (i.e., freshman, sophomore, etc.)
4. Home and local addresses and phone numbers.
5. Field of study
6. Degrees awarded, if any

7. Birth date
8. Names of parents or spouse

Such information will be released only with appropriate precautions for the safety and privacy of the student. Under proper conditions, the registrar or assistant registrar may give the addresses of parents.

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed the freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from on-campus classes in Engl. 212, 215, 251, 315, 316 or 415 (earned after September 1, 1971) will satisfy the Junior English Proficiency Examination requirement. The intent of this provision is not to waive the requirement but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he or she may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$10 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 15, "Remedial English for Juniors," which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, the revision is selected which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates during Fall Semester 1977 are September 17 and November 5, 1977, and for Winter Semester 1978, January 14 and March 11.

SPECIAL COURSES AND CONFERENCES

Special credit and noncredit classes, workshops, seminars, and conferences are made available to college students, academic campus departments, and community patrons through the Department of Special Courses and Conferences.

Credit Classes: Film and Music Appreciation series, ten interim classes held during the breaks between Fall and Winter semesters and Winter Semester and Spring Term, skiing, memory training, writing children's books, training as an emergency medical technician, and courses leading to an off-campus master's degree in counseling.

Noncredit Classes: Home storage, speedreading, "Slim-nastics," gardening, auto maintenance, cake decorating, "Your Total Look," "Making Homes More Livable and Beautiful," and religious instruction classes. There are also many classes held for elementary and high school youth. These include typing, NRA hunter safety, swimming, basketball, soccer, bowling, tennis, wrestling, karate, dance, children's chorus, art, drama, gymnastics, and guitar.

Workshops and Conferences (Credit or Noncredit): Summer Honors for entering freshmen, College Health Nurse Practitioner, Audio Recording, Modern Dance, Priesthood Genealogy Seminar, Primitive Pottery, Outdoor Survival, English as a Second Language, Engineering Symposium, Highway Engineering, LDS Writers Convention, Immunohematology, and Family School.

Summer Youth Workshops: During the Spring and Summer terms there are forty-five special youth workshops (for ages 12-17) held on campus. Sports (basketball, track, football, baseball, swimming, wrestling, tennis, volleyball, and golf), art, debate, girls' youth academy, college preparation, photography, publications, music, and theatre are some of the areas featured, as well as a medical laboratory workshop, pep clinic, seminary week, and a workshop for deaf youth.

For further information on any of the above course offerings, contact the Special Courses and Conferences Office, 242 HRCB, Ext. 3556. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. Two types of courses are offered to assist in this development. The first is taught by faculty from established academic departments and carries academic credit. (These classes are listed below.) The second type consists of experiential courses taught by faculty from the Personal and Career Assistance Program and may or may not carry credit. These latter classes involve such topics as interpersonal communication, enhancement of self-esteem, developing self-control, and life planning. For further information contact the Personal and Career Services, Ext. 4471.

BYU HONOR CODE

The Church of Jesus Christ of Latter-day Saints sponsors Brigham Young University in order to provide a university education in an atmosphere consistent with the ideals and principles of the Church. The maintenance of high standards of personal behavior and appearance is essential to the preservation of that atmosphere and to the development of men and women who personify these ideals and principles. By enrolling or accepting employment at Brigham Young University a person signifies willingness to live in accordance with the following principles, whether on or off campus:

1. Abide by the standards of Christian living taught by The Church of Jesus Christ of Latter-day Saints. This includes graciousness and consideration for others and the observance of high principles of honor, integrity, and morality.
2. Be honest in all behavior. This includes not cheating, plagiarizing, or knowingly giving false information.
3. Respect personal rights. This includes—
 - a. not physically or verbally abusing any person and not engaging in conduct that threatens or endangers the health or safety of others, and
 - b. not obstructing or disrupting the study of others; the performance of official duties by University officers or employees; the teaching, research, disciplinary, administrative, or other

functions of the University; or other authorized activities on University premises.

4. Respect property rights.
This includes refraining from theft, concealment, damage, or misuse of the property of others.
5. Obey, honor, and sustain the law.
6. Avoid drug abuse.
This includes refraining from the possession, use, or distribution of any narcotic or dangerous drug (as defined by applicable law), except as prescribed by a licensed medical practitioner.
7. Comply with all University regulations.
This includes compliance with rules relating to campus organizations and to the use of University or off-campus housing or other facilities.
8. Observe the Word of Wisdom.
This includes abstinence from alcoholic beverages, tobacco, tea, and coffee.
9. Live the law of chastity.
This includes abstinence from all sexual relations outside the bonds of marriage.
10. Observe high standards of taste and decency.
This includes refraining from disorderly, lewd, indecent, or obscene conduct or expression.
11. Observe University standards of dress and grooming.
12. Help others fulfill their responsibilities under this Code.

POLICY OF NONDISCRIMINATION

Brigham Young University does not discriminate on the basis of race, color, creed, sex, or ethnic or national origin. All students are accepted for admission to Brigham Young University provided they meet the University's academic requirements and their personal behavior conforms to the standards of The Church of Jesus Christ of Latter-day Saints.

CLASS SCHEDULE ABBREVIATIONS

The courses in the course offering section are listed under their respective departments, which appear alphabetically. The course information is presented in fifteen columns as follows:

1. DEPT--the department of the University which offers the class. The University is divided into twelve colleges and each college is divided into various department. See page 24 for a listing of the colleges and departments at BYU.

2. CATG NO--the catalog number. This number should be entered in the second column of the worksheet. The numbers indicate the following classifications:
Preparatory and remedial courses 1-99
Lower-division courses 100-299
Upper-division courses 300-499
Courses for graduates or advanced undergraduates 500-599
Graduate courses 600 or above
Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.
3. SEC--section. When more than one class of a particular course is offered, they are distinguished by different section numbers. This number should be entered in the third column of the worksheet.
4. INDEX--index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the worksheet.
5. COURSE DESCRIPTION--the name of the course.
6. CR HR--credit hours. In order to graduate, a student must have completed 128 credit hours of course work. In order to graduate in 8 semesters, a student must average 16 credit hours per semester.
7. G E R--General education requirement. The classes so designated satisfy a general education requirement under the old program. See page 16 for listing of the general education requirements.
8. B L K--block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.
9. DAYS TAUGHT--class days.
10. ROOM--BLDG--where the class meets.
11. SPECIAL ENROLLMENT--classes restricted to particular students. See the explanatory footnote at the bottom of each page.
12. ALSO OFRD--classes also offered during the indicated semester or term: F-Fall, W-Winter, S-Spring, SU-Summer.
13. APPROV OR FEE--classes requiring special approval. See the explanatory footnote at the bottom of each page.

Registration Information

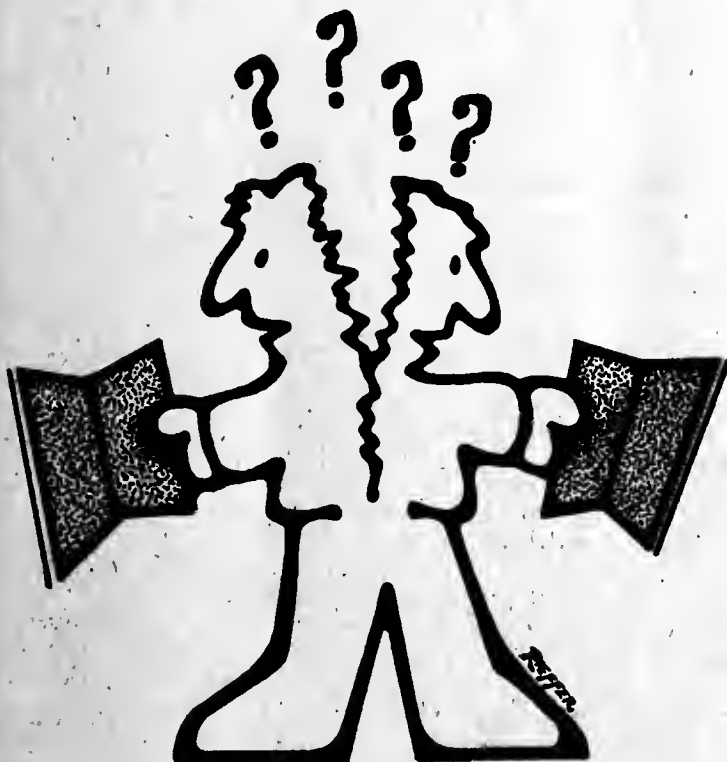

ELIGIBILITY

A student is eligible to register for Summer Term 1977 if the student has attended day school classes during Summer Term 1976, Winter Term 1977, or Spring Term 1977 or has received a valid certificate of admission for Summer Term 1977 issued by the Admissions Office. If a student does not meet one of these criteria, registration materials will not be processed.

Registration Checklist

The registration system at Brigham Young University is a computerized system designed to match student class requests to the University curriculum offerings. The effectiveness of the registration system depends upon the student following the provided instructions and observing the class request submission deadlines. The five steps listed below should be used as a checklist to insure proper registration. Further explanation of each of these steps is included in this class schedule.

- Step One — Plan your schedule of classes.
- Step Two — Fill out the class request form.
- Step Three — Submit the completed class request form.
- Step Four — Receive a confirmation of classes.
- Step Five — Pay tuition and fees.

Step I Plan Your Schedule of Classes

Good planning is essential to your registration. Review the requirements for graduation found on page 15. New beginning freshmen should review the section concerning the New General Education Program found on page 7. Additional information can be found in the BYU General Catalog. The catalog reviews in detail the University graduation requirements, course offerings, student living facilities, and general University services. Catalogs may be ordered from Mail Service, BYU, Provo, Utah 84602. Purchase price is \$1.50.

COLLEGE ADVISEMENT CENTERS

College advisement centers are provided by each of the twelve colleges within the University. Each cen-

ter has advisers, information on academic programs (including required courses), and forms for advance registration, change of major, and adding and dropping classes. Students are encouraged to contact their advisement centers for assistance in planning their schedules. The college advisement centers are listed below:

Phone No.	374-1211		
Extension	College	Address	
3641	Coordinator Larry Taylor	B176 ASB	
2368	Biological and Agricultural Sciences Audi Megerian	392 WIDB	
4285	Business Peggy Card	266 JKB	
3426	Education Jean Dixon	131 MCKB	
4325	Engineering Sciences and Technology Ruth Morrison	278 CB	
3541	Family Living Marjan Martin	206 SFLC	
3537	Fine Arts and Communications Beverly Hillam	D444 HFAC	
3826	General Studies Jerry Jensen	140 BRMB	
4780	Humanities Dale King	A144 JKBA	
4141	Nursing Norma Rae Arrington	2251 SFLC	
2095	Physical and Mathematical Sciences Helen Stillman	271 ESC	
3638	Physical Education Dell Bown	205 RB	
4024	Social Sciences Omar Kader	136 FOB	

RECOMMENDED SCHEDULE FOR FIRST-SEMESTER FRESHMEN

To evenly distribute the class request load, first semester freshmen are encouraged to select their first semester classes from those listed below. These classes are suggested for advance registration. Changes can be made following the initial orientation to school. It is suggested that freshman students not register for more than 9 hours.

Additional information can be found on page 16 under General Education Programs. Moreover, new freshmen will be mailed information on their major fields of study.

Students should use the following classes in the scheduling of ideal and alternate schedules:

Major requirements (provided by college advisement centers)

Relig. 121 (required)

Engl. 115 (preparatory course)

Math. 100D or 100A or 100B (preparatory courses)

P. E. 177 or 100-level course (preparatory courses)

Engl. 116 (preparatory course)

Pol. Sci. 102 or Hist. 170 or 102 (preparatory courses)

MAXIMUM HOURS PER TERM

Undergraduate students in good standing may register for as many as 9 hours of credit in one term by following the regular registration procedures. The college advisement centers may authorize a student

who has demonstrated superior academic ability to register for a maximum of 11 hours. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of the student's total registration. Exceptions to these rules should be presented to the Assistant Dean of Admissions and Records.

the specific number of credit hours listed that the student wishes to complete.

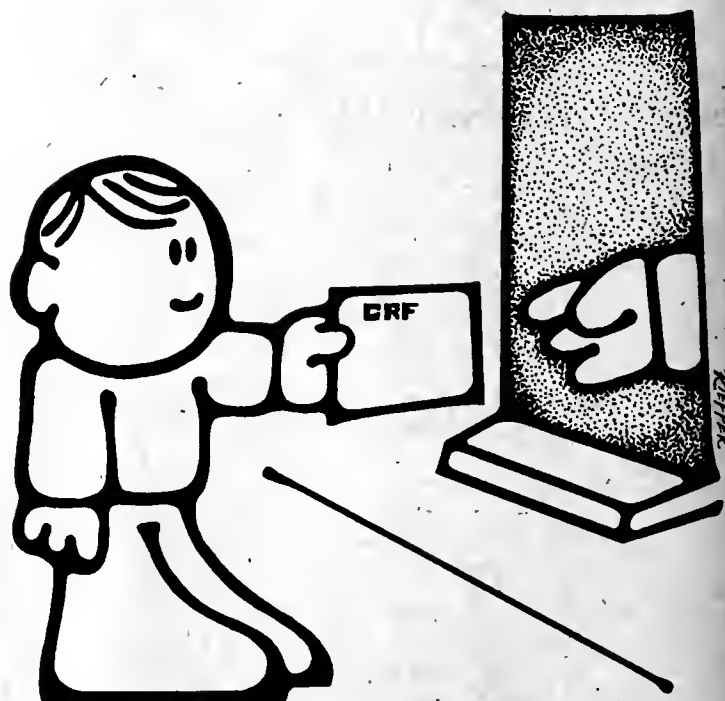

NOTE RELIGION REQUIREMENTS: Undergraduates at Brigham Young University are to study religion simultaneously with their other academic subjects by taking one course in religion each semester in residence. A student is not to accumulate excessive religion credit in one semester in order to be excused in another; therefore, no more than 3 credit hours per semester will apply toward graduation.

Step II Fill Out Class Request Form

Complete the blue class request form, found in the attached envelope, with a #2 pencil. Samples of this form are located on the last two pages of this class schedule. Please make note of the following instructions in the preparation of the form.

1. **Mailing Address:** Indicate in the upper right-hand corner the address to which the registration confirmation form should be mailed.
2. **Ideal Schedule:** The computer will not schedule more hours than designated in the maximum hours box. Therefore, use all twelve of the ideal schedule spaces by listing the classes needed in their priority order, avoiding time conflicts. For example, if 15 hours is put in the maximum hour box, as the computer schedules classes it will schedule the first available classes, starting at the top of the form and working down, up to the maximum of 15 hours. **NOTE:** If a lab or quiz section is required, be sure to list labs and quizzes immediately following the associated lecture.
3. **Section Searches.** It is an advantage to use the section search option. Not only does it schedule the student into available sections, but departments frequently open additional sections if the demand for a class exceeds the offering. It will only be through a section search that the student will be able to be scheduled into these new sections.
4. **Alternate Classes:** This area is to be used in an either/or situation (i.e., if Sociol. 111 is closed, schedule Sociol. 212). The number 1a in the alternate schedule corresponds to number 1 in the ideal schedule. **NOTE:** If a given class is closed when scheduling is attempted as an ideal request, it will also be closed when scheduling is attempted as an alternate request.
5. **Class Reservoir:** Classes in this section will be scheduled in remaining available time blocks in the schedule to help fill the maximum hours.
6. **Time Matrix:** This area can be used to an advantage or disadvantage. It can be used to reserve time for a part-time job, etc., or it can be used against you. The student might reserve too much time and prevent the computer from giving maximum hours.
7. **Credit Hours:** Indicate the number of total credit hours for which you wish to register. Those classes listed as variable credit (V) must have

Step III Submit the Completed Class Request Form

Students on campus should submit the completed class request forms to their college advisement centers. Students not on campus should mail their class request forms to Registration, B-130 ASB, BYU, Provo, Utah 84602. **DO NOT SUBMIT TUITION OR FEES AT THIS TIME.** The following deadline dates for submitting forms will be in effect for Summer Term.

DEADLINE DATES FOR SUBMITTING CLASS REQUEST FORMS

May 13

First Priority Deadline: Students submitting forms will receive first priority in class scheduling (see confirmation date April 4).

May 27

Last Priority Deadline: The last day class request forms will be accepted. After this day students will be required to register late starting June 28 in 245 ELWC and pay a \$10 late fee (see confirmation date June 3; this date is a change from previous schedules).

Note 1. New students not admitted in time to meet the May 27 deadline will receive special instructions in the mail on how to complete registration.

Note 2. After May 27, class request forms will not be accepted. Students will be required to register late on the first day of class with a \$10 late fee.

Step IV Receive Confirmation of Classes

Upon completion of the scheduling process, an official registration confirmation form and instructions will be mailed to all students who submitted class request forms by the May 27 deadline.

DATES CLASS CONFIRMATION FORMS WILL BE RECEIVED BY STUDENT

May 23	Students who meet the first May 13 priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail.
June 3	Students who met the last priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail.

Step V Pay Tuition and Fees

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to the University in the envelope provided. Drop boxes are also provided for on-campus reception. The last day for payment of fees will be June 20, 1977. See page 18 for detailed information concerning tuition and fees.

DEADLINE DATE FOR TUITION AND FEE PAYMENT

June 20

Tuition and Fee Payment Deadline. Tuition and fee payment will be accepted through the mail and through advertised drop boxes for those students who received a confirmation form through the mail. Students who fail to pay fees by June 20 will be required to register late on June 28 and pay a late fee of \$10.

Students who fail to meet the deadline for finalization of registration will be required to register late beginning June 28 in 245 ELWC.

DROPPING AND ADDING CLASSES

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in initial registration may be made until Tuesday, June 28, 1977.

Classes may be added to a student's schedule through July 6 of Summer Term. Classes may be dropped through July 8 for academic reasons. A fee of \$3 per class is assessed for each class dropped after June 30. For nonacademic emergencies, students may withdraw from classes until August 5.

If a student withdraws from a class in which he or she is doing passing work after July 8, the permanent record will carry a W. If a student is failing, the permanent record will carry a WE. This is considered the same as an E in calculating a grade-point average.

STUDENTS WHO INTEND TO CHANGE THEIR REGISTRATION MUST FOLLOW THESE FOUR STEPS:

1. Obtain a change of registration form from the Registration Office or the college advisement center.
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.
3. PAY A \$3 FEE PER CLASS TO THE UNIVERSITY CASHIER. This is necessary if the change is a drop and made after June 20. CLASSES MAY NOT BE ADDED AFTER JULY 6.
4. TAKE THE CHANGE OF REGISTRATION FORM TO THE REGISTRATION OFFICE, B-130 ASB. LATE REGISTRATION ENDS WEDNESDAY, JULY 6, 1977. NO STUDENT MAY REGISTER AFTER THAT DATE.

AUDIT CLASSES

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the designated add period. It is not possible to register for an audit class on the advance class request form. Students are charged the same fees for auditing classes as for credit classes. Classes taken on an audit basis will not appear on the student's official record.

LATE REGISTRATION PENALTY

Any student—new, continuing, or former—who fails to finalize his or her registration by the June 20 deadline will lose all classes for which he or she has been scheduled and will also be required to reregister and pay a \$10 fee for late registration.

FACULTY AND STAFF

Faculty and staff wishing to register for day classes during Summer Term 1977 will follow the same procedures as outlined above. Particular attention should be paid to admission and readmission procedures.

ADMISSION OF EVENING-CLASS STUDENT TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission

may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he or she should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

EVENING CLASSES

Daytime students taking evening classes (section 90 and above) must register for the courses at the same time they complete and submit the registration form to day school.

Those who register for evening classes only should register using the evening classes registration form and may register by mail or telephone prior to April 15, 1977 (Spring Term), and June 10, 1977 (Summer Term). On-campus registration will be in the Evening Classes office, 225 HRCB, from February 14 through May 9 (Spring Term) and from April 11 through July 6 (Summer Term).

Faculty and staff members who register for evening classes only must register before April 15, 1977 (Spring Term), and June 10, 1977 (Summer Term). Employee tuition cards must accompany the completed evening registration form.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than 320 courses are available, representing 54 departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course. For further information and a free catalog of courses, contact the Home Study Office, 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when the student is away representing the University on official business. All officially excused absences must be approved through the office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his or her actions. It is not necessary for the instructor to report absences to the office of the Dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

RELIGION REQUIREMENT

The undergraduate at Brigham Young University is to study religion simultaneously with his or her other academic subjects by taking one course in religion each semester in residence. He or she is not to accumulate excessive religion credit in one semester in order to be excused in another.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

0 — 31.9	Freshman
32 — 63.9	Sophomore
64 — 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do so. However, the student must clear this change through the deans of the colleges in the college advisement center. Official change-of-major cards may be obtained from the college advisement center of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the college advisement center of the student's new college one month prior to the next semester's registration. Graduate students should review the policy regarding them on page 5.

WITHDRAWAL FROM BYU

No daytime student, with the exception of Law School and Evening Classes students, is officially withdrawn from the University unless the student has completed the discontinuance process in the Office of Student Special Services, B-238 ASB.

If the student finds it necessary to totally discontinue all classes, he or she must do the following:

1. Complete discontinuance forms from the Student Special Services Office, B-238 ASB, Ext. 2767.
2. Obtain necessary signatures as directed. (Note: Beginning with the sixth week of the semester or third week of the term, the discontinuing student becomes responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate the student's pass or fail status.
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Student Special Services staff.
4. Have the student activity card invalidated. (The voided card and photo ID become the receipt of discontinuance from the University and will be retained by the student if future enrollment is anticipated.)

Those students enrolled only in Evening Classes will withdraw through Evening Classes. Law School students will withdraw through the office of the dean, 348 JRCB.

Students who leave the University under emergency conditions and who subsequently do not return during the semester or term should contact the Student Special Services Office, B-238 ASB, Ext. 2767, to initiate official termination of course enrollment.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Home Study.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade

earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter I (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the specific work involved have been made between the teacher and the student. The I never is given when a student has failed or is failing the course. An I is regarded as a neutral grade for a period of one year, following which it will be changed to an E and calculated as such in the grade-point average. An authorization for Change of Incomplete Form, with a \$3 fee, must be properly completed and submitted to the Records Office, B-150 ASB, within one year from the date the incomplete is given. **Do not register for a class for which you have an incomplete.**

Academic Standards

Students admitted to the University are expected to show satisfactory academic achievement and progress. Academic achievement is determined on the basis of the grade-point average earned by each student.

To graduate from BYU a student must have earned a 2.0 cumulative grade-point average on all BYU work and all college work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of graded credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the BYU cumulative is at or above 2.0.

Academic Probation will be given when the BYU cumulative grade-point average falls below 2.0 with the exception of freshman-level nontransfer students completing their first semester at Brigham Young University. These individuals will initially be given Academic Warning. Students who have been placed on academic warning/probation are strongly encouraged to contact the Academic Standards Office to be sure they understand requirements that must be met to continue beyond the semester in which they are currently enrolled.

Academic Suspension may result from a student's failure to bring his or her BYU cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. Academic Suspension indicates that the student may be denied continued enrollment privileges until such time as he or she has qualified for readmission through one of the readmission programs.

Readmission. Students who have been academically suspended must establish their eligibility for readmission to the University by contacting the Admissions Office (A-153 ASB). Generally, the student should expect that specific preparatory work must be completed before an application for readmission will be considered.

A student will be placed on probation and later suspended from the University if it is determined that he or she is deficient in academic achievements and progress.

Graduate students should review the policy regarding them below.

GRADE-POINT VALUES

A	4.0	B-	2.7	D+	1.4	UW	.0
A-	3.7	C+	2.4	D	1.0	WE	.0
B+	3.4	C	2.0	D-	.7	I	.0
B	3.0	C-	1.7	E	.0	T	.0

Graduate School Information

It is the responsibility of each graduate student to know and conform to both the general regulations of the Graduate School and the additional requirements of his or her department. These general regulations may change from year to year. Students should consult the BYU General Catalog each year to be aware of current regulations.

A student must be registered for a minimum of two hours in the semester or term for which he or she is accepted.

SCHOLASTIC STANDARDS

A grade-point average of 3.0 for all credit applying toward the degree is required of any student earning a degree in the Graduate School. No D credit can apply toward a graduate degree. A degree-seeking student (regular or provisional) whose grade-point average falls below 3.0 for a given semester will be placed on academic warning.

DEADLINES FOR GRADUATE SCHOOL APPLICATIONS

	U.S. Citizen	Inter-national Student
Spring Term 1977	Feb. 1	Dec. 31
Summer Term 1977	April 15	Feb. 28
Fall Semester 1977	June 15	April 30
Winter Semester 1978	Oct. 15	Aug. 31

CONTINUOUS REGISTRATION

When a student is admitted to a degree program, it is expected that he or she will work continuously and will register in that program until all requirements are completed. Normally a student will register each semester for a minimum of two semester hours of credit in work which is filed on the approved graduate program. Each student must, in any case, meet the following minimum requirements:

1. Complete at least six hours of approved program credit during each academic year (September 1 to August 20) or pay an equivalent continuous-registration fee (accepted in lieu of credit only upon written recommendation of the department).
2. Register for at least two hours of approved program credit during any semester or term in which University personnel are consulted or facilities are used.

If a student is suspended for failure to meet the continuous registration requirement, no more than ten semester hours of credit previously acquired may be applied towards a new degree program if the student reapplies.

Every international student must register for nine (9) credit hours each semester.

SPECIAL EXAMINATIONS

Under certain circumstances graduate students who are working in degree programs at BYU may need to have certain of their credits certified by special examination. Payment for these examinations must be made in advance and in an amount equivalent to ordinary registration fees for the amount of credit to be obtained. This arrangement applies specifically to the following situations:

1. Graduate credit (taken at Brigham Young University or at another accredited university in the United States) outdated under the time-limit regulations.
2. Graduate credit which a student desires to transfer from a nonaccredited institution or from a foreign university.

3. Challenge of credit on the course outline for students who already have a good background in a required subject.

Applications for these special examinations can be obtained in the Graduate School Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to six hours per semester and will not be required to pay the regular cost of tuition.**

2. **Registration for Spring and Summer Terms.** Continuing faculty members not teaching during the Spring or Summer terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members teaching during Spring or Summer terms may take a limit of (a) three credit hours per term, (b) six continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), (c) four credit hours in one term and two credit hours in the other. If no classes are taken in Spring Term six credit hours may not be taken in Summer Term, and vice versa. **No person may take more than four credit hours in one term.**

3. **New Faculty.** New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. **Spouse.** The spouse of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

Same as for full-time faculty except item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

1. **Registration for Fall and Winter Semesters.** Full-time regular staff may register for courses of study up to six credit hours per semester and will not be required to pay the regular cost of tuition. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8 a.m. to 5 p.m.) may not enroll in evening classes beginning approximately 4 p.m. or before.

2. **Registration for Spring and Summer Terms.** During Spring or Summer terms, staff members may allocate their credit hours of class attendance as in Item 2 a,b,c,d for full-time faculty.**

3. **Spouse.** After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening, and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed five hours per semester (three hours per Spring or Summer term), and will not be required to pay the regular cost of tuition for the first five credit hours or less. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Benefits Office, C-40 ASB (see instructions below).

Special Instructions (Please Take Note)

1. **Applications for Approval of Daytime Class Work.** Applications for approval for employees to take daytime classes (7 a.m. to 5 p.m.) may be obtained at the Benefits Office, C-40 ASB, prior to registration.

Approval for daytime class work rests with the manager of employee benefits.

2. **Admittance to the University Needed for Daytime Class Work. Faculty members, administrative personnel staff members, eligible spouses, and part-time faculty who wish to register for daytime classes must be properly admitted through the Admissions Office (see instructions below).

3. **Registration Schedule.** Please watch for University notices of times for preregistration. Contact the University Registration Office, B-130 ASB, Ext. 2824, for information.

Evening Classes

Any eligible employee formally admitted to Brigham Young University may enroll for Evening Classes. Students not formally accepted may enroll for credit, provided they meet the following requirements:

1. They have earned a minimum high school or college grade-point average of 2.5 and have submitted an application for enrollment, together with a high school or college transcript to the Department of Evening Classes,
- or
2. They will be nineteen years of age on or before August 31 of the academic year.
3. They have not been suspended for any reason from this or any other institution of higher learning.

Registration

Forms for registering may be obtained at the department offices (225 HRCB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly Y News for instructions. To assure a place in the class of your choice, register early and before deadlines. All completed registrations, together with an employee tuition card, must be turned in to 225 HRCB. All matters concerning your evening registration are handled in this office. Tuition cards may be obtained in the Benefits Office (C-40 ASB).

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from 225 HRCB. The approval and signature of the instructors involved in the change are required.

Changes in registration may be made without charge during the first five class days of the Fall and Winter semesters. Classes may be added during the first ten class days of Fall and Winter semesters. Classes may be dropped during the first month of Fall and Winter semesters. A fee of \$3.00 per class will be charged for each class dropped after the fifth day of class work.

During Spring Term or Summer Term, classes may be added during the first week only. Classes may be dropped during the first three weeks of classes. A fee of \$3.00 per class will be charged for each class dropped after the fifth day of class work.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office. A \$5.00 fee is charged for the service after registration has been finalized.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be admitted to the Y. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB; or from any of the college advisement centers. Only Part A of the admissions application need be completed. Part A, along with high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should be returned to the Admissions Office. A one-time \$15.00 application fee will also need to be paid at that time. Upon acceptance to the University, all preregistration materials will be sent to the employee or spouse for class registration. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate School Office, B-336 ASB.

Times When Readmissions Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting a new Part A to the Admissions Office. No transcripts are required the second time unless the individual has completed additional college work elsewhere since his or her last enrollment at the Y.

Auditing Classes

All faculty, administrative and staff employees, or

spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from a college advisement center or from the Registration Office. The approval and signature of the instructors involved in the change are required.

Classes may be added to an employee's schedule only during the first ten class days of Fall and Winter semesters. Classes may be dropped during the first thirty class days. A fee of \$3.00 per class will be assessed for each class dropped after the fifth day of class work. Complete change-of-registration procedures are described in the Class Schedule.

University Discontinuance

An employee who discontinues his or her entire registration at the University is required to clear this termination through the office of the Dean of Student Life, B-138 ASB.

New General Education Program

There will be changes in the new general education requirements beginning Fall Semester 1977. Refer to the 1977-78 BYU General Catalog for this information.

Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter will be required to complete the following program:

GENERAL EDUCATION REQUIRED EVALUATIONS

A candidate for the bachelor's degree must successfully complete evaluations in the following areas:

CATEGORY I
(Fundamental Skills)

Area	Required Evaluations
Citizenship Education	1
Health Education	1
Mathematics, Basic	1
Physical Fitness	3 (one on personal fitness planning, two on skills)
Reading	1
Writing, Basic	1
Writing, Advanced (Recommended for sophomore or junior year)	1

CATEGORY II
(Breadth of Intellectual Skills and Knowledge)

Area	Required Evaluations (No more than two evaluations in any area may be taken from the same college)
Arts and Letters	3
Natural Science	3 (A broad evaluation consisting of Part A and Part B is required, plus one other evaluation in science.)
Social Systems	3

CATEGORY III
(Mastery of an Important Skill or Method Outside Major)

Required Evaluation
1 (requires 9-12 hours' preparation)

EVALUATIONS

The New General Education Program substitutes required evaluations for required courses. An evaluation is a University-administered measurement, test, demonstration, oral examination, essay examination, etc., of a student's mastery of skills and knowledge. To pass a general education evaluation, a student must show the ability to apply specified skills and to use sufficient appropriate knowledge to demonstrate these skills.

COMPLETING GENERAL EDUCATION REQUIREMENTS.

There are three categories of requirements. Category I evaluations determine whether the student has mastered fundamental academic skills in reading, writing, basic mathematics, physical fitness, health education, and citizenship education. Category II evaluates ability to compare, weigh, analyze, synthesize, etc., using the substance of a number of academic fields. Category III requires the student to develop a significant skill or method through extended preparation outside the student's major.

FULFILLMENT OF GENERAL EDUCATION REQUIREMENTS is shown on the student's record by credit hours in appropriate preparatory courses. A "pass" grade and course credit will be given students not registered in a preparatory class when the evaluation for that class is passed. A letter grade will be given

students who are registered in preparatory courses. Students enrolled in preparatory courses have the option of passing the evaluation prior to the end of the course (sixth week for term classes and twelfth week for second-block and continuous classes), withdrawing from the course, and receiving a "pass" grade for that course.

PREPARATION FOR EVALUATIONS

A student may take any of the required evaluations at any scheduled time. An evaluation guide is available in the BYU Bookstore for each evaluation. Each guide lists the skills and knowledge required, suggests how to prepare, and includes examples from the evaluation or exam. Students may also see copies of all evaluation guides which are on file in each college advisement center and in the Reserve Library.

A student may prepare for an evaluation in one or any combination of the following ways:

1. **Preparatory Courses.** Register for a course listed in the Class Schedule as "preparatory" for a given evaluation. A preparatory course is specifically intended to prepare students for the evaluation. "Supplementary" courses are also available for students who desire preparation by means other than a preparatory course. Supplementary courses are not designed primarily to prepare students for a specific evaluation.

Should students feel capable of passing the evaluation before the end of the twelfth week of the preparatory class, they may take the evaluation and, upon passing it, officially withdraw from the course, accepting a "pass" grade instead of a letter grade. They may also continue to attend the class even though they have officially withdrawn. Students who remain in the course and pass the general education evaluation at the end of the course (the evaluation is often given as part of the final examination) will be given a letter grade for the course. Which letter grade is given is, in that case, up to the teacher, but no student who passes the general education evaluation can be failed in the course.

2. **General Education Learning Center.** A special center has been created to aid students in their individual preparation to pass the Category I evaluations in reading, writing, and math. The center is located in the Harold B. Lee Library.
3. **Individual Study.** If students are sufficiently prepared to challenge an evaluation, or if they prefer to prepare for an evaluation individually in group study or through Home Study, that option is also available. Students should follow instructions in the evaluation guide for the specific evaluation desired and may take the evaluation without enrolling in the preparatory class.

EVALUATION SCHEDULE

Generally students follow their own pace for challenging evaluations. There is no required schedule to follow. However, a department or college may recommend or even require some particular schedule for its majors in order to fit all the requirements into minimum time. Usually students should plan to finish Category I no later than their second semester (except for advanced writing). Students should plan to finish Categories II and III by the end of the sixth semester.

Evaluations are offered at least twice per term on a scheduled basis. Each semester an evaluation schedule is printed that indicates the times and locations at which the evaluations are to be administered. These schedules are available at the Testing

Center, General Education Learning Center, General Education Office, Reference Group Office, and at college advisement centers.

Students may challenge the evaluation for each preparatory class for which they are registered one time at no additional cost.

TRANSFER CREDIT EVALUATION

Transfer students' records are evaluated on a course-by-course basis. Each transfer course that is equivalent to a BYU general education preparatory course will be recognized as an evaluation passed. A written evaluation of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. The evaluation states which classes will be accepted and which general education evaluations will be satisfied. The student's college advisement center evaluates the courses for the major requirements.

Students who receive an Associate of Arts or an Associate of Science degree before transferring to BYU will have all of their general education requirements considered completed with the exception of the advanced writing evaluation in Category I and the requirement in Category III. These two evaluations will need to be taken at Brigham Young University.

Students who transfer before receiving an associate degree will be evaluated on a course-by-course basis. Those students who use College Board or other nationally or school-administered examinations to fulfill requirements for their associate degree will be evaluated on a course-by-course basis also.

UNIVERSITY REQUIREMENTS FOR GRADUATION

All University requirements relative to total hours, upper-division credit, residency, minimum grade-point average, and religion will remain the same as previously stated.

Graduation Requirements

UNIVERSITY REQUIREMENTS

Credit Requirements. A candidate for a bachelor's degree must complete a minimum of 128 semester hours credit.

Religion. Two hours of religion are required per semester (8½ hours or more) in residence, including Spring and Summer terms, for freshmen, sophomores, and juniors. One hour per semester is required for seniors. No more than 3 hours of religion credit for any one quarter or semester at BYU or elsewhere will be counted towards fulfilling the religion requirement. Students registering for any credit at BYU or through the Division of Continuing Education on a part-time basis must register for one religion course per 16 hours of credit earned.

Relig. 121 and 122 are required of all students. Relig. 421 and 422 are offered to returned missionaries and upper-division transfer students as a substitute for this requirement.

Upper-division Requirements. A minimum of 40 semester hours of upper-division credit (classes numbered 300 to 599) is required for a bachelor's degree.

Major Requirements. A student must complete at least 20 semester hours in his or her major department, 10 of which must be earned on the BYU campus. A student must also satisfy any additional departmental requirements.

Residence Requirements. At least 30 semester hours of credit taken in residence at BYU are required for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education or at LDS institutes may be applied toward this 30-hour requirement. A student must register and be on campus during two semesters—not necessarily consecutive—to satisfy the residence requirement. The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.

Grade-Point Average Requirement. To be cleared for graduation, all degree-seeking students must achieve at least a 2.0 (C) cumulative grade-point average. Transfer students must have a 2.0 (C) grade-point average for both their residence credit at BYU and their cumulative college credits.

Correspondence Credit. A maximum of 36 semester hours of correspondence credit may be applied toward fulfillment of the 128-semester-hour requirement for a baccalaureate degree. A maximum of 18 semester hours of correspondence may be applied toward the associate degree.

D Grade Credit. Not more than 18 semester hours of D grade credit may be applied toward completion of the bachelor-degree requirements nor more than 10 semester hours of D grade credit for the associate-degree requirements.

Second Bachelor-Degree Requirements. A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements (if required by department), (4) residence requirements, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor degree candidates. A minimum of 30 semester hours must be completed after the awarding of the first degree, of which at least 10 hours must be completed within the new major.

Deadlines for Transfer, Correspondence, and Incomplete Credit. All incomplete grades must be removed

from a student's record, and all transfer and correspondence credit must be on file in the Records Office at least four weeks prior to commencement.

Junior English Proficiency Examination. To be eligible for the bachelor's degree, all students must either pass the Junior English Proficiency Examination or complete Engl. 212, 215, 251, or 316 at BYU after September 1, 1971, with a grade of B- or higher. Those electing to take the examination should do so during the first semester of their junior year. The examination is scheduled for the second Saturday of each semester and midsemester. Arrangements for the examination must be made through the college advisement centers.

Transfer Credit Evaluation

Transfer students' records are evaluated on a course-by-course basis. Each transfer course which is equivalent to a BYU general education preparatory course will be recognized as an evaluation passed. A written evaluation of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. The evaluation states which classes will be accepted and which general education evaluations will be satisfied. The student's college advisement center evaluates the courses for the major requirements.

Students who receive an **Associate of Arts** or an **Associate of Science** degree before transferring to BYU will have all of their general education requirements considered completed with the exception of the Advanced Writing evaluation in Category I and the skill requirement evaluation in Category III. These two evaluations will need to be taken at Brigham Young University.

Students who transfer before receiving an associate degree will be evaluated on a course-by-course basis. Those students who use College Board or other nationally or school-administered examinations to fulfill requirements for their associate degree will be evaluated on a course-by-course basis also.

Application for Graduation. All students desiring to graduate must officially apply for graduation. Students applying for the bachelor's degree should do so during their junior year. Students applying for the associate degree should do so at the beginning of their sophomore year. Application forms are available at the student's college advisement center. The final deadline for the completed application form and the graduation fee (\$12 for a bachelor's degree or \$6 for an associate degree) must be submitted to the Cashier's Office, D-155 ASB, no later than September 23, 1977, for December graduation; January 13, 1978, for April graduation; and May 19, 1978, for August commencement. Students who apply after the deadline dates will automatically be considered for the next semester's recognition. The Evaluation Office, B-150 ASB, will notify the student in writing of the general education and University requirements remaining to be completed for a degree from Brigham Young University. The application fee is a one-time fee. If the student does not graduate on the date indicated on the application, the evaluation will be held for future graduation.

Attendance at Commencement. All candidates for graduation are encouraged to attend the commencement and convocation exercises. Diplomas will be mailed to students after grades from the final semester are submitted and all graduation requirements are certified as being completed.

Adherence to University Standards. A student's graduation may be delayed or denied if he or she is found to be in violation of the Brigham Young University Code of Honor.

GENERAL EDUCATION PROGRAMS

Two General Education Programs

A candidate for a bachelor's degree must complete the Former General Education Program or the New General Education Program. The appropriate program is determined by the student's first semester at BYU. Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the Former General Education Program. Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter will be required to complete the New General Education Program.

Former General Education Program

Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the program listed below for a baccalaureate degree:

Area	Credit hrs.
American history and government	3
Biological science	6
English composition	6
Health	2
Humanities	6
Physical education	2
Physical science	6
Social science	5
Religion (maximum)	14

A student must also complete one of the two options described below:

1. Mathematics, statistics, logic, science 6
2. Foreign language—an intermediate or advanced course

Area Requirements

American History and Government. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170 or 171, Pol. Sci. 101, Hist. 120 and 121, or Hist. 121 and Pol. Sci. 110. (A student may take an examination that will, if passed, satisfy the American history and government requirement. Arrangements for the examination are made at the BYU Testing Center, 3302 HBLL.)

Biological Science. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Ag. Econ. 105, AgHrt. 105, and An. Sci. 105
Bio. Ag. 200
Botany. Any botany course with a number below 469 except 161 and 377
Honors 213R
Microbiology. All courses with numbers below 490 except 391 and 392
Zoology. All courses with numbers below 490 except 381

English Composition. Two courses selected from the following: Engl. 115 or 111 during the freshman year and Engl. 212, 252, 315, 316 or 415 or Phil. 105 during the sophomore or junior year. The student's major department will designate which course the student should complete.

Health. This requirement may be satisfied by completing Health 130 or by a special examination arranged with the Department of Health Sciences. Exceptions: Nursing students may satisfy this requirement by completing Nurs. 106 and 156; elementary education majors may satisfy this requirement by completing Health 361; secondary education majors may satisfy this requirement by completing Health 362.

Humanities and Fine Arts. A student must complete a minimum of 6 semester hours selected from the following approved courses:

ArtDs. All courses in art history and appreciation and 101, 102, 103, 104, 105, 106, 107, 109, 110, 205R, 206R, 207R, 311, and 312.

Classical Civ. 110, 331, 341, and 342

Comms. 100, 101, 102R, and 301

English. All undergraduate literature courses except Engl. 251 and 420

Foreign Languages. All undergraduate literature courses

Humanities and Comparative Literature. All undergraduate courses below 490

Int. Env. 240, 330, 331, and 430

Music 101, 103, 484, and 485

Philosophy. All courses under 448R except 105, 205, 305, 354, and 355

ThCA 115, 117R, 121, and 417R

Physical Education. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Credit Evaluation Office, B-150 ASB.

Students who have completed a minimum of one year's active duty in the military service may receive 2 semester hours of physical education credit. Students qualifying for this credit should bring their DD-214 form to the Credit Evaluation Office, B-150 ASB. Exceptions: Students are exempted from 1 hour of physical education credit for successful completion of two years of on-campus ROTC Leadership Laboratory courses. Students qualifying for exemption must provide the Credit Evaluation Office, B-150, with written verification from the ROTC program.

Physical Science. A student must complete a minimum of 6 semester hours selected from the following:

Chemistry. All undergraduate courses
Geology. All undergraduate courses except 312 and 410
Physics. All courses with numbers below 471 except 391 and 392
Stat. 221

Social Science. A minimum of 5 semester hours must be completed from the following approved courses:

Ag. Econ. 112, 350R, 355, and 390
Anthropology, Archaeology. All undergraduate courses
Asian Studies 101
CDFR 210, 360, and 361
Economics. All undergraduate courses
Indian Education 107
Geography. All undergraduate courses
History. All courses below 485
Indian Education 307
International Relations 499
Political Science. All undergraduate courses except 301 and 303
Psychology. All undergraduate courses except 373 and 374
Rec. Ed. 337
Sociology. All undergraduate courses except 205
University Studies 300R

Mathematics, Statistics, Logic, and Science; or Language

Each student must complete one of the two following options:

1. **Mathematics, Statistics, Logic, and Science.** Six semester hours selected from the following:
Bot. 201, 370, and 372
Career Ed. 115
Chem. 105 and 111
*Comput. Sci. 130, 131, 132, and 133

*Only one computer science class may be used in the mathematics-statistics-logic-science area.

Econ. 388
Geol. 311

Mathematics. Any undergraduate mathematics course numbered 100F or higher.
Micro. 201 and 331
Phil. 205 and 305
Physics 105, 110, and 300
Psych. 374
Statistics. Any undergraduate course from the Department of Statistics having a prerequisite of Math. 100F or higher.
Zool. 201 and 321

2. **Language.** Successful completion of a 201 foreign-language course (intermediate level) or its equivalent. This requirement may also be filled by the successful completion of a 301 foreign-language class, or any more advanced language, literature, or culture class in a particular foreign language.

Religion Requirements

Religion. One religion class is required for each full-time enrollment of 8½ semester hours or more by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned towards a baccalaureate degree or 8 hours towards an associate degree. Part-time students must complete one religion class for every 16 hours of BYU credit completed.
Any religion class in the 100 through 400 series may be taken to meet the religion requirement. In computing the 14-semester-hour total requirement, no more than 3 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester. The required religion courses will be 2 hours per semester for freshmen, sophomores, and juniors. The required courses for seniors will be only 1 hour per semester.

Book of Mormon. All undergraduates must complete 4 semester hours in the study of the Book of Mormon. This requirement may be completed by taking Relig. 121 (or 421) and 122 (or 422). Returned missionaries and upper-division transfer students are encouraged to take 421 and 422.

Transfer Credit from LDS Colleges and Institutes. A student may transfer religion credit to BYU to meet the requirement in religion. No more than 4 hours of religion credit from any one quarter or semester will be counted towards the religion requirement. Institute credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with college standards. Transfer students will be required to complete one religion class per semester at BYU until they graduate or complete the 14-semester-hour requirement.

Students Required to Study Off Campus. Students required to study off campus to fulfill degree requirements are required to register for religion during that semester through Home Study, a BYU continuing education center, or an LDS institute.

Bible Credit from Non-LDS Colleges and Universities. Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.

Credit Completed at Centers for Continuing Education. A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.

Requirements for Second Baccalaureate Degree Candidates. Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester. The Book of Mormon requirement must also be satisfied.

Major Requirements

In addition to the University requirements and the general education requirements, each major has cer-

tain requirements, different for each major. The college advisement centers provide information on the requirements for the various majors.
The University majors are listed according to the college and department in which they are offered.

New General Education Program
See page 7.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University graduation exercises. A minimum of 64 semester hours of credit is required. A candidate for an associate degree must satisfy the following general education requirements.

Former General Education Program

Area	Associate of Science	Associate of Arts
English composition	6	6
American history	3	3
Health	2	2
Physical education	1	1
Humanities	2	3
Biological science	2	3
Physical science	2	3
Social science	2	3

Two hours of religion are required per semester in residence, including Spring Term and Summer Term. Relig. 121 and 122 are required of all students.

Exceptions

- Two-year engineering-technician students are not required to complete the biological science and social science general education groups.
- Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; however, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at BYU centers for continuing education or at LDS institutes will satisfy the residence requirement for the two-year programs. (The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.) A maximum of 10 D credits will be accepted, but both cumulative and BYU grade-point averages of 2.0 or above are required.

New General Education Program
See page 7.

SCHOLASTIC RECOGNITION AT GRADUATION

There are three designations in recognition of high scholarship: graduation "summa cum laude," graduation "magna cum laude," and graduation "cum laude." These awards are made on the basis of excellence shown in work up to, but not including, the semester prior to the commencement date.

Summa cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher.

Magna cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have obtained an overall grade-point average between 3.7 and 3.84.

Cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have

obtained an overall grade-point average between 3.5 and 3.69.

SCHOLASTIC RECOGNITION EACH SEMESTER

The dean of each academic college at the close of each semester will post a list of names of students who are ranked in the top 5 percent of their colleges for the given semester, who have earned a minimum of 15

credit hours and who have earned a minimum grade-point average of 3.5 or higher in all classes.

EXCEPTION TO UNIVERSITY POLICY

A student who wishes an exception to a University policy may petition in writing the request to the Exception to University Policy Committee. Petition forms are available in B-150 ASB.

Tuition and Fees

The nation's largest church-related university, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

A fraction of an hour is counted as a full hour for assessing fees.

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, three hours of lecture a week would be considered three semester hours and would be charged for accordingly. Therefore, if a student were taking three credit hours plus a noncredit class involving two or more lecture hours per week, the student would be considered a full-time student and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- a) All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- b) All students who have received their first bachelor's degree.
- c) All undergraduate students who have completed 144 semester hours or more.

Advanced-standing students should be aware of the nonrefundable overload fee for registrations of over 8 hours per term. Because a subsequent reduction of course load will not relieve the overload assessment, advanced-standing students should register for exactly the classes they need.

The undergraduate tuition rate applies only to those undergraduate students who have completed less than 144 credit hours prior to the beginning of the semester or term for which they are registering.

Full-time classification for both undergraduate and graduate students is registration for over 4 credit hours.

The University reserves the right to change these figures without notice.

TUITION AND GENERAL FEES PER TERM

Undergraduate Students	LDS	Non-
	Member	Member

	per hour	per hour

Law School Students

Full-time		
(Over 4 credit hours)	\$325	\$487
Part-time	\$ 67	\$100
	per hour	per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

ASSESSMENT ADJUSTMENT

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at this time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to a 3 percent per day charge. This charge will be for the number of school days between the registration date and the drop date, and the rate is 3 percent of the difference between the original assessment and the adjusted assessment.

CONTINUOUS CLASS TUITION

The following classes have been approved to be conducted as continuous classes through Spring Term and Summer Term 1977:

Nursing 100, 106, 156, 206, 256, 257R, 356, 390R, 406, 456
Sociol. 460R

Students enrolling for any of the previously listed classes will be assessed tuition on the basis of a full semester and will NOT be subject to the Term Tuition Schedule. The Spring Term registration will combine the credit hours of continuous classes and Spring Term classes to arrive at the rate of tuition to be paid at that time.

Students taking continuous classes will receive activity cards as full-time students only if they enroll for more than 8 credit hours of continuous and Spring Term classes. A provision will be made for these stu-

dents to receive an activity card for both terms. Students who pay full-time fees at Spring Term registration will be able to add Summer Term classes with no additional tuition assessment. Students who enroll at Spring Term for 8 credit hours or less will not receive an activity card. If these students subsequently add Summer Term classes, these credit hours will be added to the total of Spring Term and continuous classes to determine the total fees due. The amount previously paid at Spring Term registration will be deducted to determine the balance due. If the Summer Term credit hours addition brings the total to full-time (over 8 credit hours), an activity card will be issued for Summer Term.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After April 22 (Spring Term)	\$10.00
After June 20 (Summer Term)	\$10.00

Any student whose check is dishonored by the bank will be charged a handling fee of \$5. If the check was for tuition there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

Students who decide to discontinue school should notify the Office of the Dean of Students immediately. Any delay in notification or in turning in the activity card or fee receipt may reduce the amount of the tuition refund.

Refunds will be based on the date of withdrawal as follows:

Date of Withdrawal	Tuition Refunded
May 2-May 6 June 27-July 1	100% less \$10
May 7-May 13 July 2-July 8	75%
May 14-May 20 July 9-July 15	50%
May 21-May 28 July 16-July 22	25%
After May 28 After July 22	no refund

Refund checks will be mailed from the Treasurer's Office to the student approximately three weeks from the date on which students report their withdrawal and surrender their activity card or fee receipt to the office of the Dean of Students.

General Information

Security Police and Traffic

The Security/Police Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office by calling Ext. 2751.

The Security/Police Office offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC between the hours of 10:00 a.m. and 12:00 noon Monday through Friday. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

Another major responsibility of this office is the control of campus traffic and parking. Every BYU student or faculty/staff member who owns, maintains, possesses, stores, or drives any motor vehicle on the BYU campus must register that vehicle with the Traffic Office within two (2) school days after bringing it to the Provo area.

REGISTRATION AND PARKING DECALS

Check with the Traffic Office, B-69 ASB, Ext. 3906, from 7:00 a.m. until 5:00 p.m., Monday through Friday.

(Good in student lots only after 4:00 p.m.)

For further details regarding traffic rules and regulations, a "Traffic Rules and Regulations" folder may be obtained at no charge from the Traffic Office, B-69 ASB, Ext. 3906. All faculty/staff members and students will be responsible for the information contained therein.

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than those listed below must have a Utah license if he or she wishes to drive in Utah. The following states have entered into a compact, and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York
Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

NONRESIDENT

Students from out of state who do not have Utah license plates on their cars may obtain a nonresident permit for their vehicles as long as their main purpose for being in Provo is education. Full-time employees of the University or students whose spouses are full-time employees do not qualify; they must pur-

chase Utah plates and pay Utah property taxes on their vehicles. Either a nonresident permit or Utah license plates must be obtained immediately upon registration at the University. To obtain a nonresident permit, the student must present the following at the Information Booth located across the street from Helaman Halls (about 200 East 1230 North):

1. Home-state vehicle registration certificate
2. Proof of current safety inspection from Utah or home state
3. Fifty cents
4. BYU activity card

The Information Booth is open from 7:30 a.m. to 3:30 p.m. Monday through Friday.

CONFIDENTIALITY OF RECORDS POLICY

The policy of Brigham Young University concerning confidentiality of student academic records reflects a reasonable balance between the obligation of the institution for the instruction and welfare of the student and its responsibility to society. The University will make every effort to maintain student academic records in confidence by keeping information from individuals who are not authorized to receive it or who might use it for illegitimate purposes.

While the Family Educational Rights and Privacy Act of 1974 which controls access to the student records of most universities does not apply to Brigham Young University, the University will make every effort to extend to students and their families the same rights granted by the act. Upon presentation of appropriate identification and under circumstances which preclude alteration or mutilation of records, a student will be able to inspect all records which are not considered by the University to be held under a pledge of confidentiality or considered to be private records of University personnel. A student is entitled to an explanation of any recorded data and may initiate action leading to a hearing, if necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use student records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which the student has applied for admission or from a lending institution from which the student is seeking assistance will be granted without the student's permission. Similarly, data will be furnished to university-accrediting bodies and governmental officials without permission of the student.

No student information other than public information will be given to any third party (except those mentioned above) without written consent of the student, and then only those records accessible to the student. The term **third party** is construed to include parents, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if the parents establish to the satisfaction of the University that they are providing one-half or more of the student's support. Court orders and subpoenas for records will be referred to the University's legal counsel and acted upon according to his directions. The student will be notified of information to be submitted in response to subpoenas or court orders prior to actual submission of the material.

Public information will be released to news media and to others upon request. Public information is defined as follows:

1. Name of student
2. Whether student is currently enrolled
3. Class (i.e., freshman, sophomore, etc.)
4. Home and local addresses and phone numbers.
5. Field of study
6. Degrees awarded, if any

7. Birth date

8. Names of parents or spouse

Such information will be released only with appropriate precautions for the safety and privacy of the student. Under proper conditions, the registrar or assistant registrar may give the addresses of parents.

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed the freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from on-campus classes in Engl. 212, 215, 251, 315, 316 or 415 (earned after September 1, 1971) will satisfy the Junior English Proficiency Examination requirement. The intent of this provision is not to waive the requirement but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he or she may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$10 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 15, "Remedial English for Juniors," which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, the revision is selected which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates during Fall Semester 1977 are September 17 and November 5, 1977, and for Winter Semester 1978, January 14 and March 11.

SPECIAL COURSES AND CONFERENCES

Special credit and noncredit classes, workshops, seminars, and conferences are made available to college students, academic campus departments, and community patrons through the Department of Special Courses and Conferences.

Credit Classes: Film and Music Appreciation series, ten interim classes held during the breaks between Fall and Winter semesters and Winter Semester and Spring Term, skiing, memory training, writing children's books, training as an emergency medical technician, and courses leading to an off-campus master's degree in counseling.

Noncredit Classes: Home storage, speedreading, "Slim-nastics," gardening, auto maintenance, cake decorating, "Your Total Look," "Making Homes More Livable and Beautiful," and religious instruction classes. There are also many classes held for elementary and high school youth. These include typing, NRA hunter safety, swimming, basketball, soccer, bowling, tennis, wrestling, karate, dance, children's chorus, art, drama, gymnastics, and guitar.

Workshops and Conferences (Credit or Noncredit): Summer Honors for entering freshmen, College Health Nurse Practitioner, Audio Recording, Modern Dance, Priesthood Genealogy Seminar, Primitive Pottery, Outdoor Survival, English as a Second Language, Engineering Symposium, Highway Engineering, LDS Writers Convention, Immunohematology, and Family School.

Summer Youth Workshops: During the Spring and Summer terms there are forty-five special youth workshops (for ages 12-17) held on campus. Sports (basketball, track, football, baseball, swimming, wrestling, tennis, volleyball, and golf), art, debate, girls' youth academy, college preparation, photography, publications, music, and theatre are some of the areas featured, as well as a medical laboratory workshop, pep clinic, seminary week, and a workshop for deaf youth.

For further information on any of the above course offerings, contact the Special Courses and Conferences Office, 242 HRCB, Ext. 3556. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. Two types of courses are offered to assist in this development. The first is taught by faculty from established academic departments and carries academic credit. (These classes are listed below.) The second type consists of experiential courses taught by faculty from the Personal and Career Assistance Program and may or may not carry credit. These latter classes involve such topics as interpersonal communication, enhancement of self-esteem, developing self-control, and life planning. For further information contact the Personal and Career Services, Ext. 4471.

BYU HONOR CODE

The Church of Jesus Christ of Latter-day Saints sponsors Brigham Young University in order to provide a university education in an atmosphere consistent with the ideals and principles of the Church. The maintenance of high standards of personal behavior and appearance is essential to the preservation of that atmosphere and to the development of men and women who personify these ideals and principles. By enrolling or accepting employment at Brigham Young University a person signifies willingness to live in accordance with the following principles, whether on or off campus:

1. Abide by the standards of Christian living taught by The Church of Jesus Christ of Latter-day Saints. This includes graciousness and consideration for others and the observance of high principles of honor, integrity, and morality.
2. Be honest in all behavior. This includes not cheating, plagiarizing, or knowingly giving false information.
3. Respect personal rights. This includes—
 - a. not physically or verbally abusing any person and not engaging in conduct that threatens or endangers the health or safety of others, and
 - b. not obstructing or disrupting the study of others; the performance of official duties by University officers or employees; the teaching, research, disciplinary, administrative, or other

functions of the University; or other authorized activities on University premises.

4. Respect property rights.
This includes refraining from theft, concealment, damage, or misuse of the property of others.
5. Obey, honor, and sustain the law.
6. Avoid drug abuse.
This includes refraining from the possession, use, or distribution of any narcotic or dangerous drug (as defined by applicable law), except as prescribed by a licensed medical practitioner.
7. Comply with all University regulations.
This includes compliance with rules relating to campus organizations and to the use of University or off-campus housing or other facilities.
8. Observe the Word of Wisdom.
This includes abstinence from alcoholic beverages, tobacco, tea, and coffee.
9. Live the law of chastity.
This includes abstinence from all sexual relations outside the bonds of marriage.
10. Observe high standards of taste and decency.
This includes refraining from disorderly, lewd, indecent, or obscene conduct or expression.
11. Observe University standards of dress and grooming.
12. Help others fulfill their responsibilities under this Code.

POLICY OF NONDISCRIMINATION

Brigham Young University does not discriminate on the basis of race, color, creed, sex, or ethnic or national origin. All students are accepted for admission to Brigham Young University provided they meet the University's academic requirements and their personal behavior conforms to the standards of The Church of Jesus Christ of Latter-day Saints.

CLASS SCHEDULE ABBREVIATIONS

The courses in the course offering section are listed under their respective departments, which appear alphabetically. The course information is presented in fifteen columns as follows:

1. DEPT—the department of the University which offers the class. The University is divided into twelve colleges and each college is divided into various department. See page 24 for a listing of the colleges and departments at BYU.

2. CATG NO—the catalog number. This number should be entered in the second column of the worksheet. The numbers indicate the following classifications:
Preparatory and remedial courses 1-99
Lower-division courses 100-299
Upper-division courses 300-499
Courses for graduates or advanced undergraduates 500-599
Graduate courses 600 or above
Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.
3. SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. This number should be entered in the third column of the worksheet.
4. INDEX—index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the worksheet.
5. COURSE DESCRIPTION—the name of the course.
6. CR HR—credit hours. In order to graduate, a student must have completed 128 credit hours of course work. In order to graduate in 8 semesters, a student must average 16 credit hours per semester.
7. G E R—General education requirement. The classes so designated satisfy a general education requirement under the old program. See page 16 for listing of the general education requirements.
8. B L K—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.
9. DAYS TAUGHT—class days.
10. ROOM—BLDG—where the class meets.
11. SPECIAL ENROLLMENT—classes restricted to particular students. See the explanatory footnote at the bottom of each page.
12. ALSO OFRD—classes also offered during the indicated semester or term: F-Fall, W-Winter, S-Spring, SU-Summer.
13. APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of each page.
14. TEACHER

FRONT COVER:

Abraham O. Smoot is well remembered for his financial sacrifice in behalf of Brigham Young Academy. He was the temporal as well as the spiritual leader of the people of Utah Valley and never took pay for service in public office. He was a friend of the Prophet; witness of the Egyptian mummies and papyri associated with the Pearl of Great Price; organizer and president of banks, stores, and woolen mills; and operator of a lumber mill and a variety of real estate developments. Yet he died in debt—due almost exclusively to his determined commitment to keep Brigham Young Academy alive during times of financial distress. The Abraham O. Smoot Administration Building is dedicated to him.

Registration Information

ELIGIBILITY

A student is eligible to register for Fall Semester 1977 if he or she attended day school Winter Semester, Spring Term, or Summer Term 1977 (continuing student) or has been admitted (new student) or readmitted (former student) to the University. The new and former student must have a certificate of admission for Fall Semester 1977. If the student does not meet one of these criteria, registration materials will not be processed.

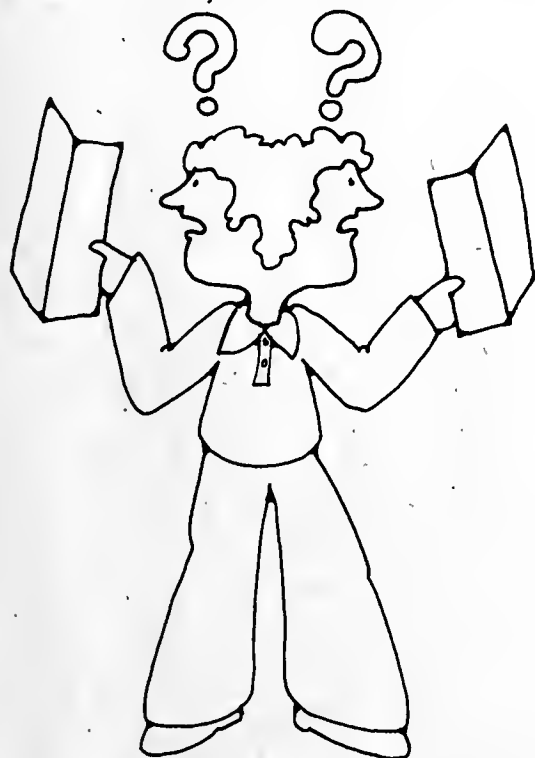

NEW STUDENTS

Most of your questions will be answered by reading and following the steps in this Class Schedule. You may find the table of contents helpful also. On this page you will find a suggested first-semester schedule. If additional information or help is needed, please contact your college advisement center.

Registration Checklist

The registration system at Brigham Young University is a computerized system designed to match student class requests to the University curriculum offerings. The effectiveness of the registration system depends upon the student following the provided instructions and observing the class request submission deadlines. The five steps listed below should be used as a checklist to insure proper registration. Further explanation of each of these steps is included in this class schedule.

- Step One — Plan your schedule of classes.
- Step Two — Fill out the class request form.
- Step Three — Submit the completed class request form.
- Step Four — Receive a confirmation of classes.
- Step Five — Pay tuition and fees.

Step I Plan Your Schedule of Classes

Good planning is essential to your registration. Review the requirements for graduation found on page 13. New beginning freshmen should review the section concerning the New General Education Program found on page 7. Additional information can be found in the BYU General Catalog. The catalog reviews in detail the University graduation requirements, course offerings, student living facilities, and general University services. Catalogs may be ordered from Mail Service, BYU, Provo, Utah 84602. Purchase price is \$2.00.

COLLEGE ADVISEMENT CENTERS

College advisement centers are provided by each of the twelve colleges within the University. Each center has advisers,

information on academic programs (including required courses), and forms for advance registration, change of major, and adding and dropping classes. Students are encouraged to contact their advisement centers for assistance in planning their schedules. The college advisement centers are listed below:

Phone No. 374-1211

Extension	College	Address
3641	Coordinator Larry Taylor	B176 ASB
3042	Biological and Agricultural Sciences Audi Megerian	392 WIDB
4285	Business Peggy Card	266 JKB
3426	Education Jean Dixon	131 MCKB
4325	Engineering Sciences and Technology Ruth Morrison	278 CB
3541	Family Living Marjan Martin	206 SFLC
3537	Fine Arts and Communications Beverly Hillam	D444 HFAC
3826	General Studies Jerry Jensen	140 BRMB
4780	Humanities Dale King	A144 JKBA
4141	Nursing Norma Rae Arrington	2251 SFLC
2095	Physical and Mathematical Sciences Helen Stillman	271 ESC
3638	Physical Education Dell Bown	205 RB
4024	Social Sciences Omar Kader	240 KMH

RECOMMENDED SCHEDULE FOR FIRST-SEMESTER FRESHMEN

It is suggested that freshman students not register for more than 16 hours unless directed otherwise by their major department.

Additional information can be found on page 7 under General Education Programs. Please look at the explanation column for each course before registering through the mail.

Students whose last names begin with A-L

Major requirements (provided by college advisement center)

- Relig. 121 (required)
- Engl. 115 (see explanation)
- Math. 100D or 100A or 100B (see explanation)
- Health 129
- P.E. 177

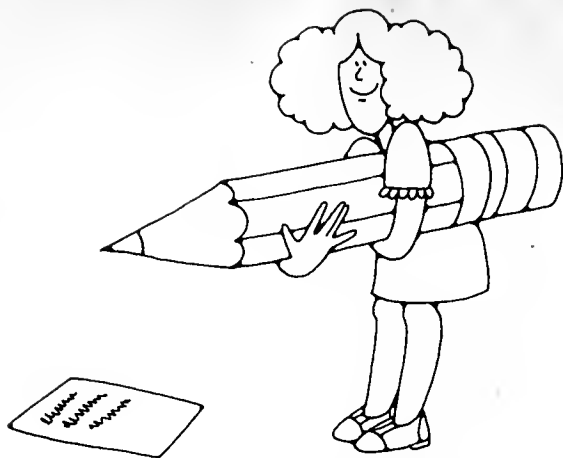

Students whose last names begin with M-Z

Major requirements (provided by college advisement center)

- Relig. 121 (required)
- Soc. Sci. 100
- Math. 100D or 100A or 100B (see explanation)
- Physical education 100-level class

MAXIMUM HOURS PER SEMESTER

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of the student's total registration. Exceptions to these rules should be presented to the Assistant Dean of Admissions and Records, A-183 ASB.

Step II Fill Out Class Request Form

Complete the blue class request form, found in the attached envelope, with a #2 pencil. Samples of this form are located on page 25 of this class schedule.

The following suggestions can help every student receive a more complete schedule. The facts are based on Winter Semester 1977 statistics.

A. Use as many of the ideal spaces as possible.

FACT: The average student requested 6.7 ideal classes. Only 12 percent of the students requested 9 or more ideal classes, and only 48 students or 00.2 percent used all 12 spaces.

B. Use the section search option.

FACT: Only 17 percent of the students requested 3 or more section searches, and only 45.25 requested at least one section search.

C. Request afternoon classes.

FACT: There were 64,196 requests for classes held between 8:00 a.m. and 12:00 noon. There were only 32,860 requests for classes held between 1:00 p.m. and 5:00 p.m. With few exceptions, there is a 99 percent chance of getting an afternoon class.

D. Use the time matrix wisely.

FACT: Between 8:00 a.m. and 12:00 noon there were only 8,209 hours blocked, while in the hours between 1:00 p.m. and 5:00 p.m. there were 18,399. There were 10,000 more hours blocked in the afternoon.

E. Use the alternate class option.

FACT: There were 28,374 alternate requests for only 15 percent of all the total requests.

F. Use the reservoir option.

FACT: There were 6,714 reservoir requests, or only 3.6 percent of all total requests.

G. Plan well and be accurate.

FACT: There were 1,800 invalid index numbers. This doesn't record index numbers that were written down incorrectly but matched another class.

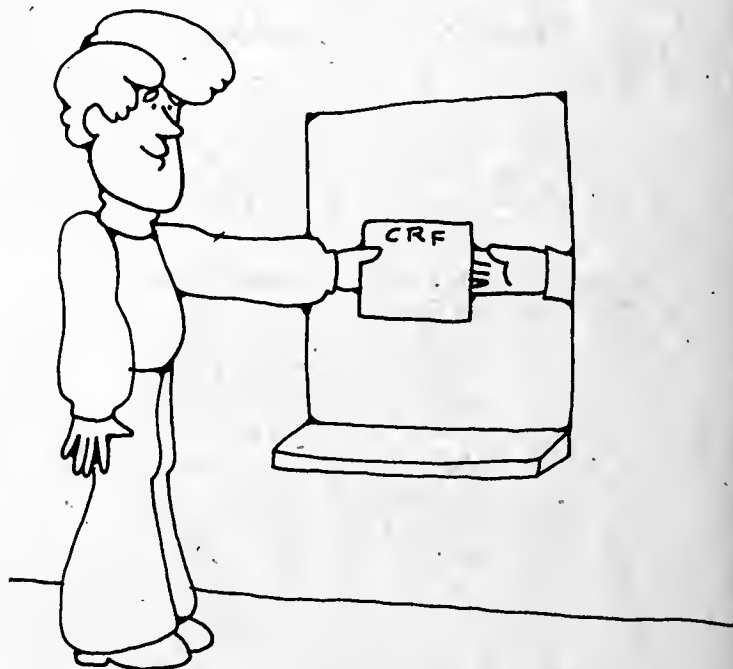

Please make note of the following instructions in the preparation of the form.

- Mailing Address:** Indicate in the upper, right-hand corner the address to which the registration confirmation form should be mailed.
- Ideal Schedule:** The computer will not schedule more hours than designated in the maximum hours box. Therefore, use all twelve of the ideal schedule spaces by listing the classes needed in their priority order, avoiding time conflicts. For example, if 15 hours is put in the maximum hour box, as the computer schedules classes it will schedule the first available classes, starting at the top of the form and working down, up to the maximum of 15 hours. **NOTE:** If a lab or quiz section is required, be sure to list labs and quizzes immediately following the associated lecture.
- Section Searches:** It is an advantage to use the section search option. Not only does it schedule the student into available sections, but departments frequently open additional sections if the demand for a class exceeds the offering. It will only be through a section search that the student will be able to be scheduled into these new sections.
- Alternate Classes:** This area is to be used in an either/or

situation (i.e., if Sociol. 111 is closed, schedule Sociol. 212). The number 1a in the alternate schedule corresponds to number 1 in the ideal schedule. **NOTE:** If a given class is closed when scheduling is attempted as an ideal request, it will also be closed when scheduling is attempted as an alternate request.

- Class Reservoir:** Classes in this section will be scheduled in remaining available time blocks in the schedule to help fill the maximum hours.
- Time Matrix:** This area can be used to an advantage or disadvantage. It can be used to reserve time for a part-time job, etc., or it can be used against you. The student might reserve too much time and prevent the computer from giving maximum hours.
- Credit Hours:** Indicate the number of total credit hours for which you wish to register. Those classes listed as variable credit (V) must have the specific number of credit hours listed that the student wishes to complete. A class cannot be registered for as an audit during the advanced registration process.

NOTE RELIGION REQUIREMENTS: Undergraduates at Brigham Young University are to study religion simultaneously with their other academic subjects by taking one course in religion each semester in residence. A student is not to accumulate excessive religion credit in one semester in order to be excused in another; therefore, no more than 4 credit hours per semester will apply toward graduation.

Step III Submit the Completed Class Request Form

Students on campus should submit the completed class request forms to their college advisement centers. Students not on campus should mail their class request forms to Registration, B-130 ASB, BYU, Provo, Utah 84602. **DO NOT SUBMIT TUITION OR FEES AT THIS TIME.** The following deadline dates for submitting forms will be in effect for Fall Semester.

DEADLINE DATES FOR SUBMITTING CLASS REQUEST FORMS

- | | |
|-----------|---|
| July 5 | First Priority Deadline: Students submitting forms will receive first priority in class scheduling (see confirmation date August 1). |
| July 22 | Second Priority Deadline: Students submitting forms will receive second priority in class scheduling (see confirmation date August 15). |
| August 10 | Last Priority Deadline: The last day class request forms will be accepted. After this day students will be required to register late starting September 6 in 245 ELWC and pay a \$20 late fee (see confirmation date August 15). |

Note 1. New students not admitted in time to meet the August 10 deadline will receive special instructions in the mail on how to complete registration.

Note 2. After August 10, class request forms will not be accepted. Students will be required to register late on the first day of class with a \$20 late fee.

Step IV Receive Confirmation of Classes

Upon completion of the scheduling process, an official registration confirmation form and instructions will be mailed to all students who submit class request forms by the August 10 deadline.

DATES CLASS CONFIRMATION FORMS WILL BE RECEIVED BY STUDENT

August 1	Students who meet the first (July 5) and second (July 22) priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail.
August 15	Students who meet the last priority deadline will receive a confirmation of classes and a tuition and fee assessment by mail.

Step V Pay Tuition and Fees

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to the University in the envelope provided. Drop boxes are also provided for on-campus reception. The last day for payment of fees will be August 26, 1977. See page 15 for detailed information concerning tuition and fees.

DEADLINE DATE FOR TUITION AND FEE PAYMENT

August 26

Tuition and Fee Payment Deadline. Tuition and fee payment will be accepted through the mail and through advertised drop boxes for those students who received a confirmation form through the mail. Students who fail to pay fees by August 26 will be required to register late on September 6 and pay a late fee of \$20.

Students who fail to meet the deadline for finalization of registration will be required to register late beginning September 6 in 245 ELWC.

DROPPING AND ADDING CLASSES

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in initial registration may be made until Tuesday, September 6, 1977.

Classes may be added to a student's schedule through September 19. Classes may be dropped through October 11 for academic reasons. A fee of \$3 per class is assessed for each class dropped after September 12. For nonacademic emergencies, students may withdraw from classes until November 28.

First block classes may be added to a student's schedule through September 19. Classes may be dropped through September 23 for academic reasons. A fee of \$3 per class is assessed for each class dropped after September 12. For nonacademic emergencies, students may withdraw from classes until October 14.

Second block classes may be added to a student's schedule October 24 through October 28. Classes may be dropped through November 9 for academic reasons. A fee of \$3.00 per class is assessed for each class dropped after October 26. For nonacademic emergencies, students may withdraw from classes until November 28.

If a student withdraws from a class in which he or she is doing passing work after October 11 for continuous classes, September 23 for first block courses, or November 9 for second block courses, the permanent record will carry a W. If a student is failing, the permanent record will carry a WE. This is considered the same as an E in calculating a grade-point average.

STUDENTS WHO INTEND TO CHANGE THEIR REGISTRATION MUST FOLLOW THESE FOUR STEPS:

1. Obtain a change of registration form from the Registration Office or the college advisement center.
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.
3. PAY A \$3 FEE PER CLASS TO THE UNIVERSITY CASHIER. This is necessary if the change is a drop and made after September 12. CLASSES MAY NOT BE ADDED AFTER SEPTEMBER 19.
4. TAKE THE CHANGE OF REGISTRATION FORM TO THE REGISTRATION OFFICE, B-130 ASB. LATE REGISTRATION ENDS MONDAY, SEPTEMBER 19, 1977. NO STUDENT MAY REGISTER AFTER THAT DATE.

AUDIT CLASSES

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last week of the add period, September 13-19. It is not possible to register for an audit class on the advance class request form. Students are charged the same fees for auditing classes as for credit classes. Classes taken on an audit basis will not appear on the student's official record.

LATE REGISTRATION PENALTY

Any student—new, continuing, or former—who fails to finalize his or her registration by the August 26 deadline will lose all classes for which he or she has been scheduled and will also be required to reregister and pay a \$20 fee for late registration.

FACULTY AND STAFF

Faculty and staff wishing to register for day classes during Fall Semester 1977 will follow the same procedures as outlined above. Particular attention should be paid to admission and readmission procedures.

ADMISSION OF EVENING-CLASS STUDENT TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he or she should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

EVENING CLASSES

Daytime students taking evening classes (section 90 and above) must register for the courses at the same time they complete and submit the registration form to day school.

Those who register for evening classes only should register using the evening classes registration form and may register by mail or telephone prior to August 20, 1977. On-campus registration will be in the Evening Classes office, 225 HRCB, from July 5 through September 20.

Faculty and staff members who register for evening classes only must register before August 30. Employee tuition cards must accompany the completed evening registration form.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than 320 courses are available, representing 54 departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course. For further information and a free catalog of courses, contact the Home Study Office, 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when the student is away representing the University on official business. All officially excused absences must be approved through the office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his or her actions. It is not necessary for the instructor to report absences to the office of the Dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

RELIGION REQUIREMENT

The undergraduate at Brigham Young University is to study religion simultaneously with his or her other academic subjects by taking one course in religion each semester in residence. He or she is not to accumulate excessive religion credit in one semester in order to be excused in another.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

0 - 31.9	Freshman
32 - 63.9	Sophomore
64 - 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599

Graduate courses

600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, must clear the change through the deans of the colleges in the college advisement centers. Official change-of-major cards may be obtained from the college advisement center of the college in which the student is presently enrolled. After being properly signed, the card must be turned in to the college advisement center of the student's new college no later than one month prior to the next semester's registration. Graduate students should review the policy regarding them on page 5.

WITHDRAWAL FROM BYU

No daytime student, with the exception of Law School and Evening Classes students, is officially withdrawn from the University unless the student has completed the discontinuance process in the Office of Student Special Services, B-238 ASB.

If the student finds it necessary to totally discontinue all classes, he or she must do the following:

1. Complete discontinuance forms from the Student Special Services Office, B-238 ASB, Ext. 2767.
2. Obtain necessary signatures as directed. (Note: Beginning with the sixth week of the semester or third week of the term, the discontinuing student becomes responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate the student's pass or fail status.
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Student Special Services staff.
4. Have the student activity card invalidated. (The voided card and photo ID become the receipt of discontinuance from the University and will be retained by the student if future enrollment is anticipated.

Those students enrolled only in Evening Classes will withdraw through Evening Classes. Law School students will withdraw through the office of the dean, 348 JRCB.

Students who leave the University under emergency conditions and who subsequently do not return during the semester or term should contact the Student Special Services Office, B-238 ASB, Ext. 2767, to initiate official termination of course enrollment.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Home Study.

A STUDENT MAY NOT REPEAT A FIRST BLOCK CLASS DURING THE SECOND BLOCK OF THE SAME SEMESTER. A BLOCK CLASS CAN ONLY BE REPEATED DURING A SUCCEEDING SEMESTER.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter I (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the specific work involved have been made between the teacher and the student. The I never is given when a student has failed or is failing. An I is regarded as a neutral grade for a period of one year, following which it will be changed to an E and calculated as such in the grade-point average. An authorization for Change of Incomplete Form, with a \$3 fee, must be properly completed and submitted to the Records Office, B-150 ASB, within one year from the date the incomplete is given. Do not register for a class for which you have an incomplete.

Academic Standards

Students admitted to the University are expected to show satisfactory academic achievement and progress. Academic achievement is determined on the basis of the grade-point average earned by each student.

To graduate from BYU, a student must have earned a 2.0 cumulative grade-point average on all BYU work and all college work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of graded credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the BYU cumulative is at or above 2.0.

Academic Probation will be given when the BYU cumulative grade-point average falls below 2.0 with the exception of freshman-level nontransfer students completing their first semester at Brigham Young University. These individuals will initially be given academic warning. Students who have been placed on academic warning/probation are strongly encouraged to contact the Academic Standards Office to be sure they understand requirements that must be met to continue beyond the semester in which they are currently enrolled.

Academic Suspension may result from a student's failure to bring his or her BYU cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. Academic suspension indicates that the student may be denied continued enrollment privileges until such time as he or she has qualified for readmission through one of the readmission programs.

Readmission. Students who have been academically suspended must establish their eligibility for readmission to the University by contacting the Admissions Office (A-153 ASB). Generally, the student should expect that specific preparatory work must be completed before an application for readmission will be considered.

A student will be placed on probation and later suspended from the University if it is determined that he or she is deficient in academic achievements and progress, regardless of GPA.

Graduate students should review the policy regarding them below.

GRADE-POINT VALUES

A	4.0	B-	2.7	D+	1.4	UW	.0
A-	3.7	C+	2.4	D	1.0	WE	.0
B+	3.4	C	2.0	D-	.7	I	.0
B	3.0	C-	1.7	E	.0	T	.0

Graduate School Information

It is the responsibility of each graduate student to know and conform to both the general regulations of the Graduate School and the additional requirements of his or her department. These general regulations may change from year to year. Students should consult the BYU General Catalog each year to be aware of current regulations.

A student must be registered for a minimum of two hours in the semester or term for which he or she is accepted.

SCHOLASTIC STANDARDS

A grade-point average of 3.0 for all credit applying toward the degree is required of any student earning a degree in the Graduate School. No D credit can apply toward a graduate degree. A degree-seeking student (regular or provisional) whose grade-point average falls below 3.0 for a given semester will be placed on academic warning.

DEADLINES FOR GRADUATE SCHOOL APPLICATIONS

	U.S. Citizen	Inter-national Student
Fall Semester 1977	June 15	April 30
Winter Semester 1978	Oct. 15	Aug. 31

Spring Term 1978	Feb. 1	Dec. 31
Summer Term 1978	April 15	Feb. 28

CONTINUOUS REGISTRATION

When a student is admitted to a degree program, it is expected that he or she will work continuously and will register in that program until all requirements are completed. Normally a student will register each semester for a minimum of 2 semester hours of credit in work which is filed on the approved graduate study list. Each student must, in any case, meet the following minimum requirements:

- 1. Complete at least 6 hours of approved study list credit during each academic year (September 1 to August 20) or pay an equivalent continuous-registration fee (accepted in lieu of credit only upon written recommendation of the department).
- 2. Register for at least 2 hours of approved program credit during any semester or term in which University personnel are consulted or facilities are used.

If a student is suspended for failure to meet the continuous registration requirement, no more than 10 semester hours of credit previously acquired may be applied towards a new degree program if the student reapplies.

Every international student must register for 9 credit hours each semester.

SPECIAL EXAMINATIONS

Under certain circumstances graduate students who are working in degree programs at BYU may need to have certain of their credits certified by special examination. Payment for these examinations must be made in advance and in an amount equivalent to ordinary registration fees for the amount of credit to be obtained. This arrangement applies specifically to the following situations:

- 1. Graduate credit (taken at Brigham Young University or at another accredited university in the United States) outdated under the time-limit regulations.
- 2. Graduate credit which a student desires to transfer from a nonaccredited institution or from a foreign university.
- 3. Challenge of credit on the study list for students who already have a good background in a required subject.

Applications for these special examinations can be obtained in the Graduate School Office (B-336 ASB).

Registration for Faculty and Staff

FULL-TIME TEACHING FACULTY

1. Registration for Fall and Winter Semesters. Full-time teaching faculty may register for courses of study up to 6 hours per semester and will not be required to pay the regular cost of tuition.**

2. Registration for Spring and Summer Terms. Continuing faculty members not teaching during the Spring or Summer terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members teaching during Spring or Summer terms may take a limit of (a) 3 credit hours per term, (b) 6 continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), (c) 4 credit hours in one term and 2 credit hours in the other. If no classes are taken in Spring Term 6 credit hours may not be taken in the Summer Term, and vice versa. No person may take more than 4 credit hours in one term.

3. New Faculty. New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. Spouse. The spouse of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

ADMINISTRATIVE PERSONNEL

Same as for full-time faculty except item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

FULL-TIME REGULAR STAFF

1. Registration for Fall and Winter Semester. Full-time regular staff may register for courses of study up to 6 credit

hours per semester and will not be required to pay the regular cost of tuition. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8 a.m. to 5 p.m.) may not enroll in evening classes beginning approximately 4 p.m. or before.

2. Registration for Spring and Summer Terms. During Spring or Summer terms, staff members may allocate their credit hours of class attendance as in Item 2a,b,c for full-time faculty.

3. Spouse. After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening, and will not be required to pay the regular cost of tuition.

PART-TIME FACULTY

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term), and will not be required to pay the regular cost of tuition for the first 5 credit hours or less. There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.

PART-TIME STAFF, "FULL-TIME STAFF" ON A TEMPORARY BASIS, AND FULL-TIME SPECIAL STAFF

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

EVENING CLASSES REGISTRATION (EVENING ONLY)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Benefits Office, C-40 ASB (see instructions below).

SPECIAL INSTRUCTIONS (PLEASE TAKE NOTE)

1. Applications for Approval of Daytime Class Work. Applications for approval for employees to take daytime classes (7 a.m. to 5 p.m.) may be obtained at the Benefits Office, C-40 ASB, prior to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYEE BENEFITS.

***2. Admittance to the University Needed for Daytime Class Work.** Faculty members, administrative personnel staff members, eligible spouses, and part-time faculty who wish to register for daytime classes must be properly admitted through the Admissions Office (see instructions below).

3. Registration Schedule. Please watch for University notices of times for preregistration. Contact the University Registration Office, B-130 ASB, Ext. 2824, for information.

EVENING CLASSES

Any eligible employee formally admitted to Brigham Young University may enroll for Evening Classes. Students not formally accepted may enroll for credit, provided they meet the following requirements:

1. They have earned a minimum high school or college grade-point average of 2.5 and have submitted an application for enrollment, together with a high school or college transcript to the Department of Evening Classes,

or

2. They will be nineteen years of age on or before August 31 of the academic year.

3. They have not been suspended for any reason from this or any other institution of higher learning.

REGISTRATION

Forms for registering may be obtained at the department offices (225 HRCB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in the class of your choice, register early and before deadlines. All completed registrations, together with an employee tuition card, must be turned in to 225 HRCB. All matters concerning evening registration are handled in this office. Tuition cards only may be obtained in the Benefits Office (C-40 ASB).

CHANGES IN REGISTRATION

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from 225 HRCB. The approval and signature of the instructors involved in the change are required.

Changes in registration may be made without charge during the first five class days of the Fall and Winter semesters. Classes may be added during the first ten class days of Fall and Winter semesters. Classes may be dropped during the first month of Fall and Winter semesters. A fee of \$3.00 per class will be charged for each class dropped after the fifth day of class work.

During Spring Term or Summer Term, classes may be added during the first week only. Classes may be dropped during the first three weeks of classes. A fee of \$3.00 per class will be charged for each class dropped after the third day of class work.

DISCONTINUANCE

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (225 HRCB). A \$5.00 fee is charged for the service after registration has been finalized.

DAY CLASSES FOR CREDIT

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Only Part A of the admissions application need be completed. Part A, along with high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should be returned to the Admissions Office. A one-time \$15.00 application fee will also need to be paid at that time. Upon acceptance to the University, all pre-registration materials will be sent to the employee or spouse for class registration. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate School Office, B-336 ASB.

TIMES WHEN READMISSIONS APPLICATION IS REQUIRED

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting a new Part A to the Admissions Office. No transcripts are required the second time unless the individual has completed additional college work elsewhere since his or her last enrollment at the Y.

AUDITING CLASSES

All faculty, administrative and staff employees, or spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

CHANGES IN REGISTRATION

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from a college advisement center or from the Registration Office. The approval and signature of the instructors involved in the change are required.

Classes may be added to an employee's schedule only during the first ten class days of Fall and Winter semesters. Classes may be dropped during the first thirty class days. A fee of \$3.00 per class will be assessed for each class dropped after the fifth day of class work. Complete change-of-registration procedures are described in the Class Schedule.

UNIVERSITY DISCONTINUANCE

An employee who discontinues his or her entire registration at the University is required to clear this termination through the office of the Dean of Student Life, B-138 ASB.

New General Education Program

Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter meet the University's general education requirements under a plan known as the "New General Education Program." Students enrolled earlier than those dates must meet the requirements of the "Former General Education Program."

Under the New GE Program students must pass evaluations which demonstrate that they have mastered certain skills or knowledge. Classes frequently serve to prepare the student for these evaluations, but completion of a particular class is no substitute for actually passing the required evaluations. Passing GE evaluations is recorded completely apart from the recording of class credit on the student's record.

CHANGES IN REQUIREMENTS

During Winter Semester 1977 a University requirement was substituted for certain required GE evaluations in physical

fitness. Students involved in the New GE Program may either meet the earlier requirement for GE evaluations or fulfill the newer University requirement which calls for 1½ credit hours of course work (see the University Requirements section of this Class Schedule).

In a second change, students who first enroll at BYU Fall Semester 1977 or thereafter will no longer be required to pass the Citizenship Education evaluation in Category I. Instead they are to pass an evaluation entitled "American Heritage" as one of the three evaluations required in Category II, Social Systems. Students enrolled in the New GE Program may elect to use the one credit Citizenship Education evaluation in Category I until August 1977. Beginning September 1, 1977, the requirement must be fulfilled according to the new provision.

PREPARING FOR THE EVALUATIONS

The student prepares for an evaluation in the way he or she personally chooses. Preparation most often is ensured by enrolling in a "preparatory course." The list following this section includes all classes in the GE system. Some of them are not taught every semester or term. Please carefully check the departmental offerings in the Class Schedule to make sure the one you are contemplating is listed there for this semester. Each preparatory course is designed primarily to help the student learn the skills and knowledge needed to pass a certified evaluation as listed. If students enroll in a preparatory course, they must take the evaluation for which it prepares during that semester.

In some cases, "supplementary courses" also help the student develop the mastery required to pass an evaluation. These courses are also listed following this section. A supplementary course, while helpful, is *not* specifically designed to help prepare the student to pass an evaluation, and course content will not be focused entirely on the subject of the evaluation.

Students may also prepare for an evaluation by studying on their own or with a group of other students. The General Education Learning Center (3126 Harold B. Lee Library) provides individualized aids which students may find useful in preparing for the Reading-Writing and Basic Mathematics evaluations. Certain Home Study courses are also preparatory. Students who desire to study together in preparation for an evaluation can form their own section of University Studies (see University Studies section of the BYU General Catalog).

To help students know how to prepare and also to know in general what they need to have learned in order to pass a certain evaluation, an Evaluation Guide has been prepared for each evaluation. The Evaluation Guides include sample test items similar to those on the actual evaluation. They can be purchased in the Bookstore (text section), or they can be read in any advisement center or in the reserve library.

TAKING EVALUATIONS

Each semester or term an Evaluation Schedule is prepared and distributed to students through their college advisement center or the General Education Office. It lists every evaluation and when and where it may be challenged. Three dates are scheduled each semester for challenging Category I evaluations. One date is scheduled each semester/term for challenging Category II and III evaluations. Students may challenge evaluations at any scheduled time, whether or not they are enrolled in a preparatory class. A student could conceivably pass every GE required evaluation without enrolling in a single class.

A student who fails to pass any evaluation, whether by challenge or in conjunction with a preparatory course, can repeat the evaluation at a later time. It should be noted that passing GE evaluations is recorded completely apart from recording class credit.

A student who passes the evaluation in conjunction with a preparatory course cannot be given a failing grade in the course. However, department and teacher policies, not the General Education Office, determine which passing grade is given and how that grade relates to the GE evaluation.

CREDIT FOR STUDENTS PASSING EVALUATIONS

Students Enrolled in Preparatory Courses

1. Students enrolled in preparatory courses who pass evaluations by the end of the fifth week of a term or the eleventh week of a semester have the option of (a) discontinuing class attendance and receiving "pass" grades and course credit or (b) remaining in the course to com-

pletion and receiving a letter grade (A, B, C, etc.).

2. A student who wishes to discontinue attendance in a preparatory course upon passing the evaluation must complete a "pass credit form" (available in the Records Office and department offices) and then take it to the Records Office before the end of the sixth week of a term or the twelfth week of a semester.
3. No purchase fee will be required for this class credit.

Students Not Enrolled in Preparatory Courses

1. Students not registered in preparatory courses who desire credit upon successfully challenging the evaluation must complete a pass credit form (available in the Records Office and department offices) and then take it to the Records Office before the end of the sixth week of a term or the twelfth week of a semester. Credit must be claimed within the semester during which the evaluation is completed.
2. No purchase fee will be required for preparatory course credit when students challenge and pass a general education evaluation.

Fees for Challenging Evaluations

1. Fees for all general education evaluations are paid at the Testing Center. The fee for challenging Category I evaluations is \$5.00. The fee for challenging Category II and III evaluations is \$10.00.
2. Students who take evaluations in departments will be given a validated receipt by the Testing Center when the fee is paid. The validated fee receipt is to be used for admittance to departmentally administered exams.
3. All students, whether registered in a preparatory course or not, must pay the specified fee when they take (challenge) an evaluation before the final examination.
4. Only students registered in preparatory courses may take the designated evaluation during the final examination period. There is no fee for taking these evaluations.

Evaluation Results

1. Decisions for weighing each evaluation as part of the final grade for a preparatory course are made by departments.
2. Students who take evaluations at the Testing Center will be notified where and when the evaluation results will be available. Results of evaluations taken at the Testing Center will be available in most instances within one week from the date the evaluation is taken.
3. Results of departmentally administered evaluations will be available in departments for student information, in most instances within one week from the date the evaluation is taken.

STUDENT ALTERNATIVES IN GENERAL EDUCATION

In addition to the regular general education track, two alternate tracks are available for students with special academic needs or background.

1. A *reinforced track* offers an individualized approach for students with deficiencies in their background. Tutors, study guides, and computer-assisted instruction are available through the GE Learning Center (3126 HBLL). These serv-

ices are designed to prepare the student for regular preparatory classes. The GE Learning Center also provides special classes as a further means of preparing students for the regular GE track.

2. An *Honors track* is available as a means of providing enriched educational opportunities for students with exceptional motivation, ability, and background. Students following the Honors track may engage in personal curriculum planning which allows them to take special Honors sections of classes to meet standard evaluations or unique evaluations with a normal level of difficulty. Students also have the opportunity to propose a unique learning experience to cover an entire area of Category II; if approved, the experience culminates in individualized written and oral examinations. Although the Honors track is administered by the BYU Honors Program, students need not formally be members of the program to participate. Students interested in the Honors track should contact the Honors Program Office (4012 HBLL) for details.

Special Help

Offices and programs which offer special aid to students who feel they have problems in dealing with the New GE Program are described in the BYU General Catalog. Two programs can be of particular assistance.

Reference groups are elective, noncredit classes which will assist the student to plan his or her educational program and adjust to University life. In the Class Schedule, see General Studies 190. These small groups meet twice weekly to provide both educational and social support to students in coping with the University environment and in planning their general education.

The *GE Student Assistance Desk* is located in the GE Learning Center (3126 HBLL). Any student with a problem concerning any aspect of the New GE Program who is unable to get adequate advice or assistance with the problem elsewhere is invited to contact this desk. Personnel there can provide ombudsmanlike service where difficulties have arisen about a student's records, fees, exceptions to policy, or any other specifically GE matter which the student's college advisement center has not been able to resolve.

TRANSFER CREDIT FOR GENERAL EDUCATION

Transfer students' records are evaluated on a course-by-course basis. Each transfer course that is equivalent to a BYU general education preparatory course will be recognized as an evaluation passed. A written summary of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. This written summary states which classes will be accepted and which general education evaluations will be satisfied. The student's college advisement center evaluates the courses for the major requirements.

Students who receive an Associate of Arts or an Associate of Science degree before transferring to BYU will have all of their general education requirements considered completed with the exception of the requirements in Category III. The Category III evaluations must be taken at Brigham Young University. Students who transfer before receiving an associate degree will be evaluated on a course-by-course basis. Those students who use College Board or other nationally or school-administered examinations to fulfill requirements for their associate degree will be evaluated on a course-by-course basis also.

Graduation Requirements

UNIVERSITY REQUIREMENTS

Credit Requirements. A candidate for a bachelor's degree must complete a minimum of 128 semester hours' credit.

Religion. Two hours of religion are required per semester (8½ hours or more) in residence, including Spring and Summer terms, for freshman, sophomores, and juniors. One hour per semester is required for seniors. No more than 4 hours of religion credit for any one quarter or semester at BYU or elsewhere will be counted towards fulfilling the religion requirement. Students registering for any credit at BYU or through the Division of Continuing Education on a part-time basis must register for one religion course per 16 hours of credit earned.

Relig. 121 and 122 are required of all students. Relig. 421 and 422 are offered to returned missionaries and upper-division transfer students as a substitute for this requirement.

Upper-Division Requirements. A minimum of 40 semester hours of upper-division credit (classes numbered 300 to 599) is required for a bachelor's degree.

Major Requirements. A student must complete at least 20 semester hours in his or her major department, 10 of which must be earned on the BYU campus. A student must also satisfy any additional departmental requirements.

Residence Requirements. At least 30 semester hours of credit taken in residence at BYU are required for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education or at LDS institutes may be applied toward this 30-hour requirement. A student must register and be on campus during two semesters—not necessarily consecutive—to satisfy the residence requirement. The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.

Grade-Point Average Requirement. To be cleared for graduation, all degree-seeking students must achieve at least a 2.0 (C) cumulative grade-point average. Transfer students must have a 2.0 (C) grade-point average for both their residence credit at BYU and their cumulative college credits.

Correspondence Credit. A maximum of 36 semester hours of correspondence credit may be applied toward fulfillment of the 128-semester-hour requirement for a baccalaureate degree. A maximum of 18 semester hours of correspondence may be applied toward the associate degree.

D Grade Credit. Not more than 18 semester hours of D grade credit may be applied toward completion of the bachelor-degree requirements nor more than 10 semester hours of D grade credit for the associate-degree requirements.

Second Bachelor-Degree Requirements. A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements (if required by department), (4) residence requirements, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor degree candidates. A minimum of 30 semester hours must be completed after the awarding of the first degree, of which at least 10 hours must be completed within the new major.

Deadlines for Transfer, Correspondence, and Incomplete Credit. All incomplete grades must be removed from a student's record, and all transfer and correspondence credit must be on file in the Records Office at least four weeks prior to commencement.

Junior English Proficiency Examination. To be eligible for the bachelor's degree, all students under the former general education program must either pass the Junior English Proficiency Examination or complete Engl. 252, 312, 315, 316, or 415 at BYU after September 1, 1971, with a grade of B- or higher. Those electing to take the examination should do so during the first semester of their junior year. The examination is scheduled for the second Saturday of each semester and midsemester. Arrangements for the examination must be made through the college advisement centers.

Transfer Credit Evaluation. Transfer students' records are evaluated on a course-by-course basis. Each transfer course which is equivalent to a BYU general education preparatory course will be recognized as an evaluation passed. A written evaluation of the transfer credit is mailed to the student by the Transfer Credit Evaluation Office soon after the student is accepted for admission to BYU. The evaluation states which classes will be accepted and which general education evaluations will be satisfied. The student's college advisement center evaluates the courses for the major requirements.

Students who receive an Associate of Arts or an Associate of Science degree before transferring to BYU will have all of their general education requirements considered completed with the exception of the advanced writing evaluation and the skill requirement evaluation in Category III. These two evaluations will need to be taken at Brigham Young University.

Students who transfer before receiving an associate degree will be evaluated on a course-by-course basis. Those students who use College Board or other nationally or school-administered examinations to fulfill requirements for their associate degree will be evaluated on a course-by-course basis also.

Application for Graduation. All students desiring to graduate must officially apply for graduation. Students applying for the bachelor's degree should do so during their junior year. Students applying for the associate degree should do so at the beginning of their sophomore year. Application forms are available at the student's college advisement center. The final deadline for the completed application form and the graduation fee (\$12 for a bachelor's degree or \$6 for an associate degree) must be submitted to the Cashier's Office, D-155 ASB, no later than September 23, 1977, for December graduation; January 13, 1978, for April graduation; and May 19, 1978, for August commencement. Students who apply after the deadline dates will automatically be considered for the next graduation. The Evaluation Office, B-150 ASB, will notify the student in writing of the general education and University requirements remaining to be completed for a degree from Brigham Young University. The application fee is a one-time fee. If the student does not graduate on the date indicated on the application, the evaluation will be held for future graduation.

Attendance at Commencement. All candidates for graduation are encouraged to attend the commencement and convocation exercises. Diplomas will be mailed to students after grades from the final semester are submitted and all graduation requirements are certified as being completed.

Adherence to University Standards. A student's graduation may be delayed or denied if he or she is found to be in violation of the Brigham Young University Code of Honor.

GENERAL EDUCATION PROGRAMS

Two General Education Programs

A candidate for a bachelor's degree must complete the Former General Education Program or the New General Education Program. The appropriate program is determined by the student's first semester at BYU. Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the Former General Education Program. Students who entered BYU as new freshmen Winter Semester 1976 or thereafter or as new transfer students Winter Semester 1977 or thereafter will be required to complete the New General Education Program.

Former General Education Program

Students who entered BYU as new freshmen before Winter Semester 1976 or as new transfer students before Winter Semester 1977 will be required to complete the program listed below for a baccalaureate degree:

Area	Credit hrs.
American history and government	3
Biological science	6
English composition	6
Health	2
Humanities	6
Physical education	2
Physical science	6

Social science	5
Religion (maximum)	14

A student must also complete one of the two options described below:

1. Mathematics, statistics, logic, science 6
2. Foreign language—an intermediate or advanced course

Area Requirements

American History and Government. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170, 380 or 171, PolSci. 101, Hist. 120 and 121, or Hist. 121 and PolSci. 110. (A student may take an examination that will, if passed, satisfy the American history and government requirement. Arrangements for the examination are made at the BYU Testing Center, 3302 HBLL.)

Biological Science. A student must complete a minimum of 6 semester hours selected from the following approved courses:

AgEcon. 105, AgHrt. 105, and AnSci. 105

BioAg 200

Botany. Any botany course with a number below 469 except 161, 372, and 377

Honors 213R

Microbiology. All courses with numbers below 490 except 102 and 200

Zoology. 101, 200, 202, 203, 205, 250, 260, 261, 276, 317, 331, 342, 344, 351, 352, 355, 363, 364, 380, 404, 409, 417, 457, 483

English Composition. Engl. 115 during the freshman year and one course selected from the following: Engl. 252, 312, 315, 316 or 415 or Phil. 105 during the sophomore or junior year. The student's major department will designate which course the student should complete.

Health. This requirement may be satisfied by completing Health 130 or by a special examination arranged with the Department of Health Sciences. Exceptions: Nursing students may satisfy this requirement by completing Nurs. 106 and 156; elementary education majors may satisfy this requirement by completing Health 361; secondary education majors may satisfy this requirement by completing Health 362.

Humanities and Fine Arts. A student must complete a minimum of 6 semester hours selected from the following approved courses:

ArtDs. All courses in art history and appreciation and 101, 102, 103, 104, 105, 106, 107, 109, 110, 205R, 206R, 207R, 311, and 312.

Classical Civ. 110, 331, 341, and 342

Comms. 100, 101, 102R, and 301

English. All undergraduate literature courses except Engl. 251 and 420

Foreign Languages. All undergraduate literature courses

Humanities and Comparative Literature. All undergraduate courses below 490

IntEnv. 240, 330, 331, and 430

Music 101, 103, 484, and 485

Philosophy. All courses under 448R except 105, 205, 305, 354, and 355

ThCA 115, 117R, 121, and 417R

Physical Education. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Credit Evaluation Office, B-150 ASB.

Students who have completed a minimum of one-year's active duty in the military service may receive 2 semester hours of physical education credit. Students qualifying for this credit should bring their DD-214 form to the Credit Evaluation Office, B-150 ASB. Exceptions: Students are exempted from 1 hour of physical education credit for successful completion of two years of on-campus ROTC Leadership Laboratory courses. Students qualifying for exemption must provide the Credit Evaluation Office with written verification from the ROTC program.

Physical Science. A student must complete a minimum of 6 semester hours selected from the following:

Chemistry. All undergraduate courses

Geology. All undergraduate courses except 312 and 410

Phys. Sci. 100

Physics. All courses with numbers below 471 except 391 and 392

Stat. 221

Social Science. A minimum of 5 semester hours must be completed from the following approved courses:

AgEcon. 112, 350R, 355, and 390

Anthropology and Archaeology. All undergraduate courses

Asian Studies 101

CDFR 210, 360, and 361

Economics. All undergraduate courses

Indian Education 107, 307

Geography. All undergraduate courses

History. All courses below 485

IntRel. 499

Political Science. All undergraduate courses except 301 and 303

Psychology. All undergraduate courses except 373 and 374

RecEd. 337

Sociology. All undergraduate courses except 205

Mathematics, Statistics, Logic, and Science; or Language

Each student must complete one of the two following options:

1. **Mathematics, Statistics, Logic, and Science.** Six semester hours selected from the following:

Bot. 201, 370, and 372

Career Ed. 115

Chem. 105 and 111

*CompSci. 130, 131, 132, and 133

*Only one computer science class may be used in the mathematics-statistics-logic-science area.

Econ. 388

Geol. 311

Mathematics. Any undergraduate mathematics course numbered 100F or higher

Micro. 201 and 331

Phil. 205 and 305

Physics 105, 110, and 300

Psych. 374

Statistics. Any undergraduate course from the Department of Statistics having a prerequisite of Math. 100F or higher

Zool. 201 and 321

2. **Language.** Successful completion of a 201 foreign-language course (intermediate level) or its equivalent. This requirement may also be filled by the successful completion of a 301 foreign-language class, or any more advanced language, literature, or culture class in a particular foreign language.

Religion Requirements

Religion. One religion class is required for each full-time enrollment of 8½ semester hours or more by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned towards a baccalaureate degree or 8 hours towards an associate degree. Part-time students must complete one religion class for every 16 hours of BYU credit completed.

Any religion class in the 100 through 400 series may be taken to meet the religion requirement. In computing the 14-semester-hour total requirement, no more than 4 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester. The required religion courses will be 2 hours per semester for freshmen, sophomores, and juniors. The required courses for seniors will be only 1 hour per semester.

Book of Mormon. All undergraduates must complete 4 semester hours in the study of the Book of Mormon. This requirement may be completed by taking Relig. 121 (or 421) and 122 (or 422). Returned missionaries and upper-division transfer students are encouraged to take 421 and 422.

Transfer credit from LDS Colleges and Institutes. A student may transfer religion credit to BYU to meet the requirement in religion. No more than 4 hours of religion credit from any one quarter or semester will be counted towards the religion requirement. Institute credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with college standards. Transfer students will be required to complete one religion

class per semester at BYU until they graduate or complete the 14-semester-hour requirement.

Students Required to Study Off Campus. Students required to study off campus to fulfill degree requirements are required to register for religion during that semester through Home Study, a BYU continuing education center, or an LDS institute.

Bible Credit from Non-LDS Colleges and Universities. Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.

Credit Completed at Centers for Continuing Education. A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.

Requirements for Second Baccalaureate Degree Candidates. Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester. The Book of Mormon requirement must also be satisfied.

Major Requirements

In addition to the University requirements and the general education requirements, each major has certain requirements, different for each major. The college advisement centers provide information on the requirements for the various majors. The University majors are listed according to the college and department in which they are offered.

New General Education Program
See page 7.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University graduation exercises. A minimum of 64 semester hours of credit is required. A candidate for an associate degree must satisfy the following general education requirements.

Former General Education Program		
Area	Associate of Science	Associate of Arts
English composition.....	6.....	6
American history.....	3.....	3
Health.....	2.....	2
Physical education.....	1.....	1
Humanities.....	2.....	3
Biological science.....	2.....	3
Physical science.....	2.....	3
Social science.....	2.....	3

Two hours of religion credit are required per semester in residence, including Spring Term and Summer Term. Relig. 121 and 122 are required of all students.

Exceptions

- 1. Two-year engineering-technician students are not required to complete the biological science and social science general education groups.
- 2. Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; however, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at BYU centers for continuing education or at LDS institutes will satisfy the residence requirement for the two-year programs. (The residence requirement may be waived for certain programs completed through the Division of Continuing Education if joint approval is given by the dean of the sponsoring college and the dean of the Division of Continuing Education.) A maximum of 10 D credits will be accepted, but both cumulative and BYU grade-point averages of 2.0 or above are required.

New General Education Program
See page 7.

SCHOLASTIC RECOGNITION AT GRADUATION

There are three designations in recognition of high scholarship: graduation "summa cum laude," graduation "magna cum laude," and graduation "cum laude." These awards are made on the basis of excellence shown in work up to, but not including, the semester prior to the commencement date.

Summa cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher.

Magna cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have obtained an overall grade-point average between 3.7 and 3.84.

Cum laude is awarded to those students who have earned at least 45 hours of credit at BYU and have obtained an overall grade-point average between 3.5 and 3.69.

SCHOLASTIC RECOGNITION EACH SEMESTER

The dean of each academic college at the close of each semester will post a list of names of students who are ranked in the top 5 percent of their colleges for the given semester, who have earned a minimum of 15 credit hours, and who have earned a minimum grade-point average of 3.5 or higher in all classes.

EXCEPTION TO UNIVERSITY POLICY

A student who wishes an exception to a University policy may petition in writing the request to the Exception to University Policy Committee. Petition forms are available in B-150 ASB.

Tuition and Fees

The nation's largest church-related university, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, non-members are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

A fraction of an hour is counted as a full hour for assessing fees.

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by

part-time students are assessed on the basis of hours involved in lecture classes. For example, three hours of lecture a week are considered three semester hours and are charged for accordingly. Therefore, if a student is taking three credit hours plus a noncredit class involving two or more lecture hours per week, he or she is considered to be full time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- a) All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- b) All students who have received their first bachelor's degree.

- c) All undergraduate students who have completed 144 semester hours or more.

Advanced-standing students should be aware of the non-refundable overload fee for registrations of over 16 hours per semester, including audit classes. Because a subsequent reduction of course load will not relieve the overload assessment, advanced-standing students should register for exactly the classes they need.

The undergraduate tuition rate applies only to those undergraduate students who have completed less than 144 credit hours prior to the beginning of the semester or term for which they are registering.

Full-time classification for both undergraduate and graduate students is registration for over 4 credit hours.

The University reserves the right to change these figures without notice.

ASSESSMENT ADJUSTMENT

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part-time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at the time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to a 3 percent per day charge. This charge will be for the number of school days between the registration date and the drop date, and the rate is 3 percent of the difference between the original assessment and the adjusted assessment.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After August 26 (Fall Semester).....\$20.00

Any student whose check is dishonored by the bank will be charged a handling fee of \$5. If the check was for tuition there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

If a student withdraws from school, a refund will be made minus a charge of \$10 (\$5 for a part-time student). This withdrawal fee is assessed even though the student does not complete registration or attend school. In addition, there is a per-day charge of 3 percent of the total tuition and fees paid or

payable for the semester. Students will be charged for the first day of the semester in which classes were held following the date they registered, to the day on which they report their withdrawal to the Office of the Dean of Student Life.

Any refund due students because of withdrawal from school will be made only by check, through the mail. It will be mailed approximately three weeks from the date on which they report their withdrawal and surrender their receipt or activity card to the Office of the Dean of Student Life.

No refund will be granted to students who are requested to withdraw for scholarship or other causes.

Late fees are not refundable.

General Information

SECURITY POLICE AND TRAFFIC

The Security/Police Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office by calling Ext. 2751.

The Security/Police Office offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC between the hours of 10:00 a.m. and 12:00 noon Monday through Friday. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

Another major responsibility of this office is the control of campus traffic and parking. Every BYU student or faculty/staff member who owns, maintains, possesses, stores, or drives any motor vehicle on the BYU campus must register that vehicle with the Traffic Office within two (2) school days after bringing it to the Provo area.

REGISTRATION AND PARKING DECALS

Check with the Traffic Office, B-69 ASB, Ext. 3906, from 7:00 a.m. until 5:00 p.m., Monday through Friday.

For further details regarding traffic rules and regulations, a "Traffic Rules and Regulations" folder may be obtained at no charge from the Traffic Office, B-69 ASB, Ext. 3906. All faculty/staff members and students will be responsible for the information contained therein.

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than these listed below must have a Utah license if he or she wishes to drive in Utah. The following states have entered into a compact, and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York

Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

NONRESIDENT

Students from out of state who do not have Utah license plates on their cars may obtain a nonresident permit for their vehicles as long as their main purpose for being in Provo is education. Full-time employees of the University or students whose spouses are full-time employees do not qualify; they must purchase Utah plates and pay Utah property taxes on their vehicles. Either a nonresident permit or Utah license plates must be obtained immediately upon registration at the University. To obtain a nonresident permit, the student must present the following at the Information Booth located across the street from Helaman Halls (about 200 East 1230 North):

1. Home-state vehicle registration certificate
2. Proof of current safety inspection from Utah or home state
3. Fifty cents
4. BYU activity card

The Information Booth is open from 7:30 a.m. to 5:30 p.m. Monday through Friday and from 8:00 a.m. to 4:00 p.m. on Saturdays.

CONFIDENTIALITY OF RECORDS POLICY

The policy of Brigham Young University concerning confidentiality of student academic records reflects a reasonable balance between the obligation of the institution for the instruction and welfare of the student and its responsibility to society. The University will make every effort to maintain student academic records in confidence by keeping information from individuals who are not authorized to receive it or who might use it for illegitimate purposes.

While the Family Educational Rights and Privacy Act of 1974 which controls access to the student records of most universities does not apply to Brigham Young University, the University will make every effort to extend to students and their families the same rights granted by the act. Upon presentation of appropriate identification and under circumstances which preclude alteration or mutilation of records, a student will be able to inspect all records which are not considered by the University to be held under a pledge of confidentiality or considered to be private records of University personnel. A student is entitled to an explanation of any recorded data and may initiate action leading to a hearing, if

necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use student records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which the student has applied for admission or from a lending institution from which the student is seeking assistance will be granted without the student's permission. Similarly, data will be furnished to university accrediting bodies and governmental officials without permission of the student.

No student information other than public information will be given to any third party (except those mentioned above) without written consent of the student, and then only those records accessible to the student. The term **third party** is construed to include parents, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if the parents establish to the satisfaction of the University that they are providing one-half or more of the student's support. Court orders and subpoenas for records will be referred to the University's legal counsel and acted upon according to his directions. The student will be notified of information to be submitted in response to subpoenas or court orders prior to actual submission of the material.

Public information will be released to news media and to others upon request. Public information is defined as follows:

1. Name of student
2. Whether student is currently enrolled
3. Class (i.e., freshman, sophomore, etc.)
4. Home and local addresses and phone numbers.
5. Field of study
6. Degrees awarded, if any
7. Birth date
8. Names of parents or spouse

Such information will be released only with appropriate precautions for the safety and privacy of the student. Under proper conditions, the registrar or assistant registrar may give the addresses of parents.

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed the freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from BYU classes in Engl. 252, 312, 315, 316, or 415 (earned after September 1, 1971) will satisfy the Junior English Proficiency Examination requirement. The intent of this provision is not to waive the requirement but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he or she may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$10 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 105, Basic Writing Review, which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, the revision is selected which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates during Fall Semester 1977 are September 17 and November 5, 1977, and for Winter Semester 1978, January 14 and March 11.

SPECIAL COURSES AND CONFERENCES

Special credit and noncredit classes, workshops, seminars, and conferences are made available to college students, academic campus departments, and community patrons through the Department of Special Courses and Conferences.

Credit Classes: Film and Music Appreciation series, interim classes held during the breaks between Fall and Winter Semesters and Winter Semester and Spring Term, skiing, memory training, writing children's books, training as an emergency medical technician, and courses leading to an off-campus master's degree in counseling.

Noncredit Classes: Home storage, speedreading, "Slim-nastics," gardening, auto maintenance, cake decorating, "Your Total Look," and religious instruction classes. There are also many classes held for elementary and high school youth. These include typing, NRA hunter safety, swimming, basketball, soccer, bowling, tennis, wrestling, karate, dance, children's chorus, art, drama, gymnastics, and guitar.

Workshops and Conferences (Credit or Noncredit): Summer Honors for entering freshmen, College Health Nurse Practitioner, Audio Recording, Modern Dance, Priesthood Genealogy Seminar, Primitive Pottery, Outdoor Survival, English as a Second Language, Engineering Symposium, Highway Engineering, LDS Writers Convention, Immunohematology, and Family School.

Summer Youth Workshops: During the Spring and Summer Terms there are forty-five special youth workshops (for ages 12-17) held on campus. Sports (basketball, track, football, baseball, swimming, wrestling, tennis, volleyball, and golf), art, debate, girls' youth academy, college preparation, photography, publications, music, and theatre are some of the areas featured, as well as a medical laboratory workshop, pep clinic, seminary week, and a workshop for deaf youth.

For further information on any of the above course offerings, contact the Special Courses and Conferences Office, 242 HRCB, Ext. 3556. Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. Two types of courses are offered to assist in this development. The first is taught by faculty from established academic departments and carries academic credit. (These classes are listed below.) The second type consists of experiential courses taught by faculty from the Personal and Career Assistance Program and may or may not carry credit. These latter classes involve such topics as interpersonal communication, enhancement of self-esteem, developing self-control, and life planning. For further information contact Personal and Career Services, Ext. 4471.

BYU HONOR CODE

The Church of Jesus Christ of Latter-day Saints sponsors Brigham Young University in order to provide a university education in an atmosphere consistent with the ideals and principles of the Church. The maintenance of high standards of personal behavior and appearance is essential to the preservation of that atmosphere and to the development of men and women who personify these ideals and principles. By enrolling or accepting employment at Brigham Young University a person signifies willingness to live in accordance with the following principles, whether on or off campus:

1. Abide by the standards of Christian living taught by The Church of Jesus Christ of Latter-day Saints.
This includes graciousness and consideration for others and the observance of high principles of honor, integrity, and morality.
2. Be honest in all behavior.
This includes not cheating, plagiarizing, or knowingly giving false information.

3. Respect personal rights.
This includes—
 - a. not physically or verbally abusing any person and not engaging in conduct that threatens or endangers the health or safety of others, and
 - b. not obstructing or disrupting the study of others; the performance of official duties by University officers or employees; the teaching, research, disciplinary, administrative, or other functions of the University; or other authorized activities on University premises.
4. Respect property rights.
This includes refraining from theft, concealment, damage, or misuse of the property of others.
5. Obey, honor, and sustain the law.
6. Avoid drug abuse.
This includes refraining from the possession, use, or distribution of any narcotic or dangerous drug (as defined by applicable law), except as prescribed by a licensed medical practitioner.
7. Comply with all University regulations.
This includes compliance with rules relating to campus organizations and to the use of University or off-campus housing or other facilities.
8. Observe the Word of Wisdom.
This includes abstinence from alcoholic beverages, tobacco, tea, and coffee.
9. Live the law of chastity.
This includes abstinence from all sexual relations outside the bonds of marriage.
10. Observe high standards of taste and decency.
This includes refraining from disorderly, lewd, indecent, or obscene conduct or expression.
11. Observe University standards of dress and grooming.
12. Help others fulfill their responsibilities under this Code.

POLICY OF NONDISCRIMINATION

Brigham Young University does not discriminate on the basis of race, color, creed, sex, or ethnic or national origin. All students are accepted for admission to Brigham Young University provided they meet the University's academic requirements and their personal behavior conforms to the standards of The Church of Jesus Christ of Latter-day Saints.

CLASS SCHEDULE ABBREVIATIONS

The courses in the course offering section are listed under their respective departments, which appear alphabetically. The course information is presented in fifteen columns as follows:

1. DEPT—the department of the University which offers the class. The University is divided into twelve colleges and each college is divided into various departments. See page 21 for a listing of the colleges and departments at BYU.
2. CATG NO—the catalog number. This number should be entered in the second column of the worksheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

 Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.
3. SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. This number should be entered in the third column of the worksheet.
4. INDEX—index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the worksheet.
5. COURSE DESCRIPTION—the name of the course.
6. CR HR—credit hours. In order to graduate, a student must have completed 128 credit hours of course work. In order to graduate in 8 semesters, a student must average 16 credit hours per semester.
7. G E R—General education requirement. The classes so designated satisfy a general education requirement under the old program. See page 16 for listing of the general education requirements.
8. B L K—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.
9. CLASS PERIOD
10. DAYS TAUGHT—class days.
11. ROOM—BLDG—where the class meets.
12. SPECIAL ENROLLMENT—classes restricted to particular students. See the explanatory footnote at the bottom of each page.
13. ALSO OFRD—classes also offered during the indicated semester or term: F-Fall, W-Winter, S-Spring, SU-Summer.
14. APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of each page.
15. TEACHER

How to Get a More Complete Schedule Through Registration

SUGGESTION:

Use the time matrix wisely.

FACT:

Students would get more of their classes if they would leave more time open for them. Reserve time only when it is absolutely necessary.

How to Get a More Complete Schedule Through Registration

SUGGESTION:

Plan well, be neat and accurate.

FACT:

Students make numerous mistakes when filling out class request forms. Make sure your index numbers are correct and legible, because you won't get what you want if the computer can't read your writing.

How to Get a More Complete Schedule Through Registration

SUGGESTION:

Meet the first-priority deadline.

FACT:

More than two-thirds of the students are registered ahead of those who register second priority.

How to Get a More Complete Schedule Through Registration

SUGGESTION:

Request afternoon classes.

FACT:

There are twice as many requests for morning as afternoon classes. With few exceptions, there is a 99 percent chance of getting an afternoon class.

FACT:
Most students don't use the alternate class option effectively. Try filling all twelve alternate spaces with different classes or sections than you used as ideal requests.
